

Academic Standing, BP 3.004

1. Purpose

To identify students' Academic Standing each semester for determining either eligibility for the Dean's/President's List or placement on Academic Probation.

2. Scope

This procedure applies to Registrar's Office staff assigned to monitor Academic Standing.

3. Prerequisites

Only course work completed at LCC is considered for determination of Academic Standing. The Academic Standing is determined at the end of each semester (Fall, Spring, Summer).

At Lansing Community College, students must maintain at least a 2.00 cumulative Grade Point Average (GPA) to remain in good academic standing.

Students with a cumulative GPA of a 3.5 or higher will be recognized by the College via the Dean's List and the President's List.

- Dean's List: GPA of 3.50 to 3.80 and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC classes only (no transfer credits).
- President's List: GPA of 3.81 or above and completion of at least 6 credits for the calculated term.
 - Students with "I" (Incomplete) or "W" (Withdrawal) grades for the calculated term are not eligible for this list.
 - Calculations are based on LCC classes only (no transfer credits).

Students whose cumulative GPA falls below 2.0 will be placed on Probation 1, Probation 2, or Probation 3 standing, which indicate unsatisfactory academic progress. While on a Probationary standing, the student may have limits on registration for classes. In addition, students on a Probationary standing may be required to meet with an Academic Success Coach and sign a Success Contract prior to registering. Students can return to Good Standing by earning a cumulative GPA of 2.0 or higher.

- Probation 1: Generally, the first semester with a Cumulative GPA below 2.0
 - Registration is limited to taking no more than 12 credits per semester.
 - If the student has already registered for more than 12 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the students over the credit limit.
 - Students are encouraged to meet with an Academic Advisor and Academic Success Coach.
- Probation 2: Generally, the second continuous semester with a Cumulative GPA below 2.0
 - Registration is limited to taking no more than 8 credits per semester.
 - If the student has already registered for more than 8 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.
 - Students are encouraged to meet with an Academic Success Coach, complete an Academic Success Self-Assessment, and share the Academic Success Self-Assessment with the Success Coach.
- Probation 3: Generally, the third continuous semester with a Cumulative GPA below a 2.0
 - Registration is limited to taking no more than 4 credits per semester.
 - If the student has already registered for more than 4 credits prior to the processing of Academic Standing, the Registrar's Office will drop the last registered course(s) that brought the student over the credit limit.
 - Students are required to meet with an Academic Success Coach, complete an Academic Success Self-Assessment and share the Academic Success Self-Assessment with their Success Coach.
 - Students also are encouraged to meet with an Academic Advisor.

4. Responsibilities

- Registrar - is responsible for determining students' academic standing each semester and notifying students of their probationary standing.
- Academic Success Coaches – are responsible for meeting with students to review Academic Success Self-Assessments and to determine appropriate credit limits for registration, if required.
- Students on Probation 3 – are required to contact an Academic Success Coach to plan educational goals. Meeting with an Academic Advisor is also recommended.

5. Procedure

1. Academic Standing is determined automatically in Banner.
2. Students eligible for the Dean's/President's List, or who will be placed on probation, are notified.
3. If students on an Academic Probation Status desire to take more credits than otherwise allowed by their status, they must meet with an Academic Success Coach for review and determination.

Note: Students should be advised that summer semesters are shorter academic periods, and should be encouraged to enroll in a lighter load for summer semesters.

4. If an Academic Success Coach determines that a student may need an adjustment to their credit limit, they will notify the Registrar's Office.
5. Registrar staff will then adjust the allowable number of credits to be registered on the student record for the semester.
6. The Registrar's Office will keep a record of all adjustments.

6. Reference

Students receiving financial aid or veteran benefits are required to satisfy specific additional academic standards to continue receiving assistance. See the [Financial Aid](#) webpage for more information. See the [Veterans Services](#) webpage for more information.

Students in certain selective admission programs may have different standards for academic standing. See the [Selective Admissions](#) webpage for more information.
