

Enrollment Verification and Student Attendance, BP 3.170

1. Purpose

Lansing Community College (LCC) is not an attendance-taking institution with the exception of The Early College (TEC), High School Diploma Completion Initiative (HSDCI), Eaton Regional Educational Service Agency (ERESA), Clinton County Regional Education Service Agency (CCRESA), and programs that have licensure and/or accreditation requirements for attendance. LCC has an enrollment verification process, which confirms that students start each course in which they are registered during the semester.

2. Scope

This procedure applies to faculty teaching and students enrolled in credit-bearing courses.

3. Prerequisites

Academic engagement is defined as active participation by a student in an instructional activity related to the student's course that includes, but is not limited to:

- Attending a synchronous class, lecture, recitation, or field or laboratory activity, physically or online, where there is an opportunity for interaction between the faculty and students;
- Submitting an academic assignment;
- Taking an assessment or an exam;
- Participating in an interactive tutorial, webinar, or other interactive computer-assisted instruction;
- Participating in a study group, group project, or an online discussion that is assigned by the school; or
- Interacting with faculty about academic matters.

Academic engagement does not include:

- Logging into an online class or tutorial without any further participation; or
- Participating in academic counseling or advising.

For licensure/accreditation requirements:

- For programs which require attendance due to 3rd-party accreditation, faculty responsible for those courses will take attendance in accordance with the accreditor's requirements.

If a student is dropped from a course through Enrollment Verification, they will receive a 100% refund of tuition and refundable fees. However, the Financial Aid Office will recalculate the student's financial aid eligibility and adjust awards as necessary for any change in enrollment status for the semester. For more information, students should contact the Financial Aid Office.

- Students who receive veteran benefits should contact the [Veteran Services Office](#).

4. Responsibilities

During the first two weeks of each course, all course faculty are required to determine if the student has actively participated in an instructional activity related to the student's course. Faculty must notify the Registrar's Office of any student who has not actively participated in an instructional activity by the end of the second week of each course.

5. Procedure

Students:

Students should engage with the course from the first day.

Faculty Performing Enrollment Verification:

After the first two weeks of the course, if the faculty identifies a student as having not participated in the course, the faculty must complete Enrollment Verification in the student information system (Banner) indicating that the student never participated in an instructional activity.

Faculty Failing to Perform Enrollment Verification:

If the faculty fail to complete enrollment verification and identifies a student as having not participated in the course, the faculty must complete a Drop/Add Form and check the box stating that the student never participated in an instructional activity.

If the faculty realizes at the end of the semester that a student never participated in an instructional activity, the faculty must enter a No Show (NS) grade in the student information system (Banner).

6. Reference

Registrar Staff – The Registrar’s Office monitors faculty to ensure the required information is submitted and drops students with a 100% refund (excluding non-refundable fees).

Financial Aid Staff – The Financial Aid office recalculates the students’ financial aid eligibility and adjusts awards based on change in enrollment status for the semester.
