

General Registration Information

Each semester Lansing Community College provides the Course Schedule book which identifies courses offered for that semester. This information includes general information on the dates, times, and location of registration. Students may register for classes according to assigned registration times which are published online before the start of each registration period. See the [Registration](#) webpage for more information.

Some courses require basic skills proficiency levels which must be met prior to enrollment. Students are strongly encouraged to arrange for orientation, testing, and advising prior to registration.
