

## **State Authorization Professional Licensure and Certification Disclosure, BP 3.005, 3.016**

### **1. Purpose**

---

In recognition of the State Authorization Federal Regulations and the State Authorization Reciprocity Agreement (SARA), Lansing Community College will provide general and individual disclosures notifying students of all programs that lead to professional licensure and certification regardless of the student's location or the delivery modality of the program.

### **2. Scope**

---

This procedure applies to all prospective students, current students, faculty and staff.

### **3. Prerequisites**

---

State Authorization Federal Regulation Guidelines:

- Requires that Lansing Community College must consistently use the same policies and procedures to determine the state in which a student is located for all of its students.
- Requires that Lansing Community College must, upon request, provide the U.S. Department of Education with written documentation of its determination of a student's location and the basis for such a determination.
- Requires that Lansing Community College make the determination of a student's location at the time of initial enrollment and upon formal receipt from the student of information about a change in that student's location.
- Requires Lansing Community College to provide disclosures of professional licensure information for all programs, both on the face-to-face and online courses.
- Requires Lansing Community College maintain a list of all States for which the institution has determined its curriculum meets the State educational requirements for licensure or certification.
- Requires Lansing Community College maintain a list of all States for which the institution has determined that its curriculum does not meet the State education requirements for licensure.
- Requires that Lansing Community College send individualized disclosures to prospective students if a program does not meet OR does meet licensure or certification requirements in the state that the student is located.
- Lansing Community College is required to notify enrolled or prospective students within 14 calendar days of making a determination that a program does not satisfy state requirements for licensure or certifications.

Notification disclosures must be sent directly to the students in writing.

#### [National Council for State Authorization Reciprocity Agreements \(NC-SARA\)](#)

- According to SARA Manual Section 5.2, programs leading to Professional Licensure SARA has no effect on State professional licensing requirements. Any Institution approved to participate in SARA that offers courses or programs designed to lead to Professional Licensure or certification or advertised as leading to Licensure must satisfy all federal requirements for disclosures regarding such Professional Licensure programs under 34 §C.F.R. 668.43.
- For SARA purposes, institutions that are unable, after all reasonable efforts, to determine whether a program will meet state professional licensure requirements shall provide the student or applicant with current contact information for any applicable licensing boards, and advise the student or applicant to determine whether the program meets requirements for Licensure on the State where the student or applicant is located.
- The general professional licensure and certification disclosure information is available to prospective and current students on the College's [State Authorization](#) webpage under the consumer information webpage.
- Any student who submits a change of program request will receive the professional licensure and certification disclosure.
- The Registrar's Office maintains a master spreadsheet of all of the students that received both the general and direct professional licensure and certification disclosures.

#### **4. *Responsibilities***

---

- **Registrar** – Responsible for the development and implementation of the process.
- **Academic Deans/Program Directors** – Responsible for state professional licensure and certification research and the development of the disclosure.
