Tuition and Payment

Tuition Rates (per Billing Hour)
The cost for attending a course at Lansing Community College is determined by the course’s billing hours, rather than credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor, in lab, or with laboratory equipment.

Payments
The Student Finance Office accepts many payment methods for tuition and fees, such as check, money order, credit card, and a payment plan option.

Note: Students must choose a payment method each semester.

Please see Tuition and Costs webpage to understand how the amount is calculated.

This Policy is associated with the Lansing Community College’s Board Policy 5.007: Student Tuition and Fees Policy.
