

COURSE SCHEDULE BOOK

Spring 2019

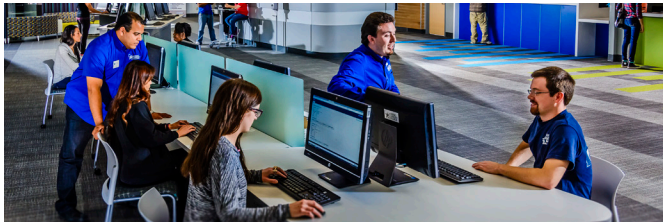

Register online at lcc.edu

Gannon Building

The newly renovated Gannon building provides welcoming and inviting spaces for students that connect them with the resources and support that they need to achieve their learning.

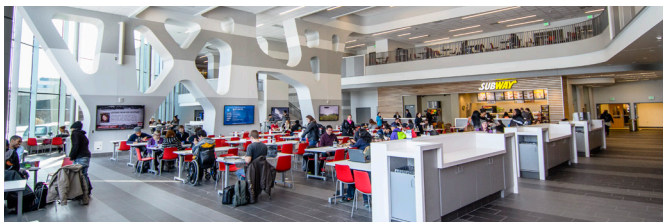

The StarZone

The StarZone is a one-stop-shop for all student needs. From registration and financial aid, to payments and counseling. For a complete list of services, visit lcc.edu/starzone.

24-Hour Tutoring

Our commitment to student success does not end when class is out. Online, on-demand tutoring is available 24/7 in popular areas of study. In-person tutoring is available one-on-one and in groups on several campuses.

Gannon Commons

Re-fuel, relax and study in the newly renovated Gannon Commons. Visitors to The Commons will enjoy a dynamic food court with national vendors, fresh and holistic foods, and a coffee shop. The avant-garde glass exterior provides an open, bright area to relax and study, and space to host campus events.

For hours and menu options, visit lcc.edu/dining.

Lansing Community College does not discriminate against individuals in its programs or activities on the basis of race, color, sex, age, religion or creed, national origin or ancestry, familial status, disability, pregnancy, marital status, height, weight, sexual orientation, gender, gender identity, genetic information, veteran or military status, or any other factor prohibited by law.

The College's Prohibited Sex or Gender Based Discrimination, Harassment, and Sexual Misconduct policy is available at lcc.edu/policy/documents/policies/prohibited-sex-or-gender-based-discrimination-harassment-and-sexual-misconduct.pdf

Important tuition payment information

A college policy involving tuition and fee payments requires all students to:

- Pay tuition and fees in full.
- Sign up for an Installment Payment Plan (available to all students).
- Sign up for an Installment Deferred Aid Payment Plan (available to financial aid students only).
- Submit Third Party authorization (if an employer, high school or agency is sponsoring a student's education). This does not include financial aid.

Students who do not complete one of the above options by their payment due date will be dropped from all of their classes. Payment due dates are based on the day a student registers. Payments are due by the payment due date listed on the student bill. Student bills will be available to view in Banner Student Self Service. Students will be notified by an e-mail sent to their LCC e-mail address each time a new bill is generated. After the semester begins payment is due immediately upon registration.

Installment Payment Plan

To help students meet their educational expenses, LCC offers Installment Payment Plans as a convenient budget plan.

This is not a loan program. With this payment plan, students have no accumulated debt.

There are no interest or finance charges assessed, and there is not a credit check required to participate. The cost to participate in the interest-free monthly payment plan is a minimal per semester, nonrefundable enrollment fee.

Students choosing to participate in the installment plan may pay for tuition and fees by automatic bank payment from a debit/credit card using MasterCard, Visa, Discover or American Express. The Installment payment system will automatically withdraw a tuition payment on a stated date(s) of each month from the bank account or credit card a student designates for the payment plan.

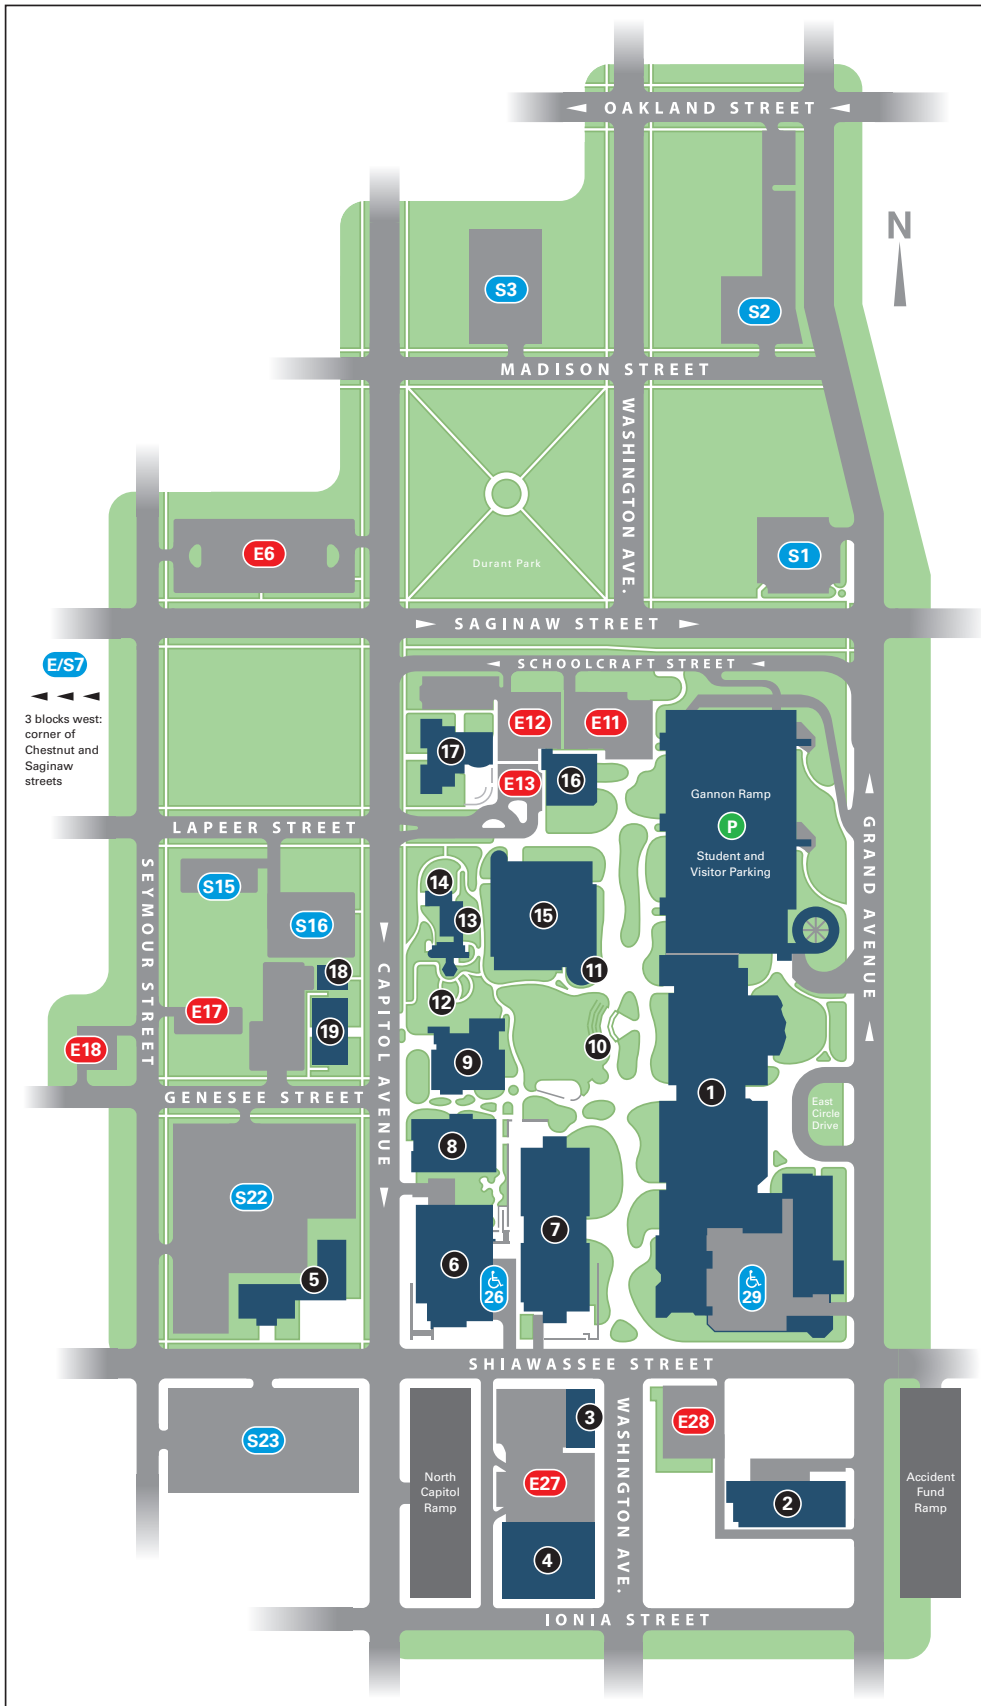

For more information, visit lcc.edu/schedule.

Visit lcc.edu/studentfinance/payment_options.aspx for further details on payment plan deadlines and due dates.

Funding your education

Free Application for Federal Student Aid (FAFSA)

Getting help with paying for college starts with completing the online Free Application for Federal Student Aid, commonly known as the FAFSA.

The federal student aid process includes retrieving data from a student's federal tax returns (or a dependent's parent's tax return) and other information through a secure federal Web site: **fafsa.gov**

FAFSA applicants will also be asked for a school code. Lansing Community College's school code is **002278**. Providing this number on the application permits the federal government to release student FAFSA information to LCC.

Federal Student Aid Identification (FSA ID)

A FSA ID is a username and password that is needed during the FAFSA application process. The FSA ID serves as a legal signature for completing the FAFSA and should not be shared with anyone, including family members, school personnel, loan servicers or contact center agents. Parent(s) of a dependent student will also need to create a FSA ID in order to sign the FAFSA electronically.

What's Next?

LCC's Financial Aid Office then uses details from the completed FAFSA application to generate an award letter outlining student eligibility for grants (including Federal Pell grants and Federal Supplemental Educational Opportunity Grants), Federal Direct Student Loans, and work-study awards. The entire process can take four to six weeks so apply early! Please note the Financial Aid Office may request additional information before determining your awards. You are expected to check your LCC e-mail and myLCC account frequently to receive the most up-to-date financial aid communication and information.

Staff members in LCC's StarZone are available daily to answer questions and help students submit their FAFSA application.

Applying for Financial Aid?

To apply for financial aid, electronically submit the 2018 - 2019 FAFSA by the priority FAFSA file date of Dec. 1, 2018.

How to Read Course Offerings

The following course offering pages contain information you will need to register for all courses held on-campus and off-campus, including Learning Locations in the LCC service area. Classes are listed alphabetically by subject area and include offerings that run 16 weeks (full semester) or less. For complete course information regarding Online Learning, Online/Hybrid, Weekend, and Variable Date options, refer to the Alternative Delivery section. For information regarding personal interest and enrichment offerings and noncredit continuing education, refer to the Community and Continuing Education section.

Course Number
SAMP 050

Course Title
Sample Course I

Prerequisite
Previous courses, skill levels, training or experience required for the course

Start and End Dates
CRN start and end dates. First class meeting is based on day of the week scheduled.

Subject Area
SAMPLE

Pass/Fail (P/Z)
This course is graded on a pass/fail basis

Course Fee
Course fee for the course. Variable fees by section will be identified in a course or CRN note.

Course Note
Offers further clarification on the course and/or CRN(s)

CRN Note
Offers further clarification for the CRN/section

CRN
Course Reference Number used to register for section

Schedule Type
Delivery method for the CRN:
Lab
Lab/Lecture
Lab/Lecture/Worksite
Independent Study
Lecture
Lecture/Worksite
Online
Online/Hybrid
Self-Paced
Worksite

Credit Hours
The number of credit hours for the section

Billing Hours
Multiplier for determining tuition for the section

Location
See the Key to Class Locations to find out if a course is held on or off campus.

Days and Times
Class or lab is in session
M = Monday
T = Tuesday
W = Wednesday
R = Thursday
F = Friday
S = Saturday
U = Sunday

Instructor
Faculty member assigned at the time of the publication of this schedule. If "Staff" is indicated, a faculty member has not been assigned at the time of publication.

Course Fee: \$7.00

Pass/Fail (P/Z)

Prerequisite: Minimum 2.0 in (SAMP101 or SAMP102) or concurrently

Restriction: College Major

Co-requisite Course: SAMP102

Recommended: Windows experience

Course Note: This class requires Windows Vista and MS Word, MS Excel, and MS Access software for completing homework assignments.

SPRING SEMESTER 2019

Course Offerings

Students should be prepared to use computer technology in their coursework, including gaining regular access to the Desire2Learn (D2L) course site associated with each class. Every section at LCC has a D2L site associated with it that **may be used by the instructor as a mandatory part of the class**. D2L can be accessed from any computer with an Internet connection, including computers in the College's computer lab, TLC 100. For more information regarding training options for D2L, please visit the [eLearning website for students](#).

Automotive Mechanical

Automotive technicians are licensed professionals in the State of Michigan. The LCC Automotive Program meets National Automotive Technician Educational Foundation (NATEF) standards for Maintenance and Light Repair (MLR) and Master Automobile Service Technology (MAST). This program prepares students to pass nationally recognized Automotive Service Excellence (ASE) Certification Tests. LCC Automotive is a training center for Snap-On Diagnostic Equipment (NC3) and the National Alternative Fuels Training Consortium (NAFTC).

Students enrolling in this program should meet with an Automotive Technology Program advisor. Students will receive essential Automotive Technology Program information during an advising session. Please call 517-483-5338 for more information or to schedule an advising appointment.

AUTM102 Automotive/Collision Safety Course Fee: \$165

Prerequisite: (Reading Level 3 or ENGL 098 concurrently) and Writing Level 2 and (Math Level 3 or minimum 2.0 in MATH 105 or MATH 106)

Course Note: Students need to bring their own safety glasses and dress in appropriate work clothes to start working in the lab on the first day of class. Books are included as part of the course fee.

Community Health Services Educ

CHSE100 Intro to Health Professions

Course Fee: \$99

Prerequisite: Reading Level 5 or (Reading Level 4 and ENGL 099 concurrently) and Writing Level 4 and Valid CPR certification through the end of class from ((American Heart Association/Health Care Provider or American Red Cross/Basic Life Support for Healthcare Providers) or (Passing grade in NCHE 102 or NCHE 103 within 2 years or concurrently))

Course Note: 1. In addition to regular class time, students are required to complete Bloodborne Pathogens Training online. Information will be distributed via the course D2L site and/or in class. 2. It is highly recommended that students complete Basic Life Support Certification (BLS) prior to the start date of class. BLS certification is required and must remain current through the end of the semester before a final grade for CHSE 100 can be issued. 3. Students with current American Heart Association/Health Care Provider Certification or American Red Cross/Professional Rescuer Certification should call 517-483-1277 for a prerequisite override prior to registration.

51229	Online/Hybrid	3.00/ 3.00	01/07-05/06	T	2:10pm-5:00pm	HHS-207	Schneider S	
			01/07-05/06		Arranged	ONLINE		

51229: Students will meet face to face with the instructor on the following dates: 1/8, 1/22, 2/5, 2/19, 3/12, 3/26, 4/16 and 4/30. The remaining hours of the section meet online.

CHSE108 Long-Term Care Nurse Aide

Course Fee: \$522

Prerequisite: Reading Level 5 and Writing Level 4

Course Note: Provides training for CNA testing, nursing home, & Home Health Aide. Required: 1. Completion of Bloodborne Pathogens online training; information given first day of class. 2. Negative 2-step TB (tuberculosis) tests within the last year. 3. Students must pass an ICHAT criminal background check. ICHAT to be completed on first day of course (credit card required). 4. Proof of required immunizations. 5. Students must meet PHYSICAL REQUIREMENTS for the duration of course as specified in course syllabus.

Course Note: \$15 of the course fee is for a medical kit and is non-refundable.

Computer Info Tech/Application

Some courses in this program area require the purchase of a Cengage SAM account or a Pearson MyLabIT account. Please contact your instructor if you have difficulty purchasing or accessing the appropriate account for your course. For more information about Computer Information Technology Application courses please visit us the Computer Information Technologies website. Tutoring may be available for these courses. For information, check out the Learning Commons website or 517-483-1206.

CITA110 Intro to Microsoft Office Course Fee: \$12

Prerequisite: Reading Level 4

Recommended: Windows and keyboarding experience

Course Notes: Students must be able to use web browsers and online learning tools including assignment folders, discussion boards, and e-mail. They must also have Windows file management skills, including the ability to upload and download files, make folders, move and extract files.

This course requires the use of a PC computer running Windows 7 or higher, 4GB Ram, High Speed Internet Connection - 2 Mbit or higher, Microsoft Office 2016 and have a SAM Cengage account. Mac computers are not recommended, but if they are used, desktop virtualization of the Windows environment is required. Equipment and software is provided for students that wish to complete assignments at student computer labs located at Main, West, or East Campuses. Office 365 is available to LCC students at no cost using links from the College website.

CITA140	Microsoft Outlook							Course Fee: \$15
----------------	--------------------------	--	--	--	--	--	--	-------------------------

Prerequisite: Reading Level 4

Recommended: Windows and keyboarding experience

Course Notes: This class requires Microsoft Outlook 2016. Students must be able to use web browsers and online learning tools including assignment folders, discussion boards, and e-mail. They must also have Windows file management skills, including the ability to upload and download files, make folders, move and extract files.

This course requires the use of a PC computer running Windows 7 or higher, 4GB Ram, High Speed Internet Connection - 2 Mbit or higher, and Microsoft Office 2016. Mac users are required to use Windows-based computers or desktop virtualization of the Windows environment for certain parts of the course. Equipment and software is provided for students that wish to complete assignments at student computer labs located at Main, West, and East campuses. Office 365 is available to LCC students at no cost using links from the College website.

2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website.

-------	--------	------------	-------------	--	----------	--------	-------------	--

CITA219	Advanced Microsoft Word							Course Fee: \$15
----------------	--------------------------------	--	--	--	--	--	--	-------------------------

Prerequisite: Minimum 2.0 in CITA 119 and Reading Level 4

Recommended: Windows and keyboarding experience

Course Notes: 1) Students must be able to use web browsers and online learning tools including assignment folders, discussion boards, and e-mail. They must also have Windows file management skills, including the ability to upload and download files, make folders, move and extract files.

This course requires the use of a PC computer running Windows 7 or higher, 4GB Ram, High Speed Internet Connection - 2 Mbit or higher, Microsoft Office 2016 and have a MyLabIT for Office 2016 account. Mac computers are not recommended, but if they are used, desktop virtualization of the Windows environment is required. Equipment and software is provided for students that wish to complete assignments at student computer labs located at Main, West, and East campuses. Office 365 is available to LCC students at no cost using links from the College website.

MyLabIT: You only need to purchase one MyLabIT 2016 account that can be used for CITA119 Word and CITA219 Advanced Word. CITA115 PowerPoint, CITA133 Access, CITA126 Excel, and CITA226 Advanced Excel courses require a separate MyLabIT 2016 account. An e-book that covers both CITA119 and CITA219 comes with MyLabIT from the MBS bookstore so a print book is optional if you have a second monitor or device for using your e-book while you work.

2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website.

Criminal Justice

POLICE ACADEMY, CJUS 270 & CJUS 271: The Public Service Careers Program offers an MCOLES (Michigan Commission on Law Enforcement Standards) certified Police Academy to prepare individuals to become police officers. Upon successful completion of the Police Academy, recruits are eligible to take the state licensing exam to be licensed in the State of Michigan as a law enforcement officer.

The Fall 2019 Police Academy begins with a required orientation on Wednesday, August 21, 2019. Students admitted to the program will be notified of time and location. The Academy runs from Thursday, August 22 through Friday, December 13, 2019. The deadline to apply is Friday, July 19, 2019.

The Police Academy requires Department Approval. In order to be considered as a recruit for this program, students must meet basic admissions requirements beyond those required for admission to the College. For current information about admission requirements, contact the Public Service Careers Office, West Campus, Room M127 at 517-483-1570 or visit the Police Academy website.

CJUS101 Intro to Criminal Justice

Prerequisite: Reading Level 5 and Writing Level 4

Course Note: An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website.

Dental Hygiene

Dental hygienists are licensed preventive oral health care professionals. They provide educational, clinical, and therapeutic services to patients in dental offices, schools, hospitals, long-term care facilities, and other public health programs. Clinical skills include performing patient assessments, exposing and processing dental radiographs, applying preventive materials to the teeth, removing calculus and plaque, oral disease screening, pain management, teaching patients appropriate oral hygiene strategies to maintain oral health, counseling patients regarding good nutrition and tobacco cessation and their impact on oral health, taking dental impressions, and performing office management activities.

The Dental Hygiene Program is accredited by the Commission on Dental Accreditation, which is recognized by the Council on Postsecondary Accreditation and by the United States Department of Education. Graduates from this program are eligible to take the written National Board Examination and the Commission on Dental Competency Assessments clinical, computer-simulated, local anesthesia and nitrous oxide examinations. These types of exams are required by all states for licensing to practice as a dental hygienist.

Dental Hygiene is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Dental Hygiene Program at 517-483-1457, or visit the Dental Hygiene website for more information. Students who have been accepted into the program will receive schedule information directly from the program.

Design and Const Tech Mgt

DCTM100 Intro to the Built Environment Course Fee: \$215

Prerequisite: Reading Level 4 and Writing Level 4 and (Math Level 4 or minimum 2.0 in MATH 105 or MATH 106)

Course Note: This course replaces the following courses: AEET 102, ARCH 100, BLDT 100 and CIVL 100.

51194	Lab/Lecture	3.00/ 4.00	01/07-05/06	TR	12:10pm-2:00pm	WCB-U239	Huberty S

Diagnostic Medical Sonography

The Ultrasound: Diagnostic Medical Sonography Program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) and prepares an individual for the field of sonography. The sonographer produces medical images demonstrating the human body and assists the physician in diagnosing medical conditions, biopsies, surgery, and other screening procedures in various medical settings. Sonographers utilize equipment with high frequency sound waves (much like sonar). Additionally, sonographers must be adaptable to dynamic changes in medical technology. Graduates of the program are eligible to take the general sonography examinations (Sonographic physics, Abdomen/small parts, and OB/Gyn) given by the American Registry of Diagnostic Medical Sonographers and/or the American Registry of Radiologic Technology.

Ultrasound: Diagnostic Medical Sonography is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Ultrasound: Diagnostic Medical Sonography Program at 517-483-1410, or visit the Ultrasound: Diagnostic Medical Sonography website for more information. Students who have been accepted into the program will receive schedule information directly from the program in May.

EDUC280 Teacher Education Practicum

Prerequisite: Reading Level 5 and Writing Level 6

Course Note: This course requires 75 additional hours of practical experience in a K-12 classroom. Information on field placement and assignment will be given during the first day of class. All public schools are required to ask for a background check for anyone who regularly visits a K-12 school building. Students in EDUC 280, Teacher Education Practicum, should be prepared to present a completed ICHAT (online State background check) to their practicum site at the beginning of the assignment. Instructions for conducting this online background check may be found on the Important Information for Future Teachers webpage. Click on the "Background Check Instructions:" link.

Electrical Technology

ELTE102	Industrial/Construction Safety							Course Fee: \$90
----------------	---------------------------------------	--	--	--	--	--	--	-------------------------

Prerequisite: Reading Level 3 and Writing Level 2

Course Notes: 1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR & First Aid sessions are not used. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website. 3) ON-LINE STUDENTS CANNOT QUALIFY FOR THE OSHA-10 CERTIFICATION DUE TO OSHA LIMITATIONS. Students requiring OSHA-10 Certification should enroll in one of the lab/lecture sections.

ELTE108**Practical Electricity I****Course Fee: \$50**

Prerequisite: Minimum 2.0 in (ELTE 102 or DCTM 102 or HVAC 102 or METS 102 or WELD 102 or concurrently) and Reading Level 3 and Writing Level 2 and (Math Level 3 or minimum 2.0 in MATH 105 or MATH 106)

Course Note: ELTE 110 (Practical Electricity) has been divided into two courses to allow more flexibility in scheduling. Each course covers half of the ELTE 110 content: ELTE 108 (Practical Electricity I) runs for the first 8 weeks of the semester and covers the first half of the ELTE 110 content. ELTE 109 (Practical Electricity II) runs for the last 8 weeks of the semester and covers the last half of the ELTE 110 content. Students who take both ELTE 108 and ELTE 109 will fulfill curriculum guide requirements that list ELTE 110 as a requirement. If you have questions, contact the Electrical Program at 517-483-1360.

51210	Lab/Lecture	2.00/ 3.00	01/07-03/11		Arranged	WCB-U206	Staff	
-------	-------------	------------	-------------	--	----------	----------	-------	--

51210: ELTE 108 is offered on a self-paced, open-lab basis. It is NOT an online course. Orientation sessions for ELTE 108 are scheduled at the following times:

- 2:10pm on Tuesday, January 8, 2019
- 6:10pm on Tuesday, January 8, 2019
- 8:10am on Wednesday, January 9, 2019
- 6:10pm on Wednesday, January 9, 2019

ALL STUDENTS IN ELTE 108 MUST ATTEND ONE OF THESE ORIENTATIONS. Sessions are held at West Campus in Room U206.

The Electrical Lab is open for students to work on their course or get assistance as follows:

- Tuesdays and Thursdays - 2:00pm – 9:00pm
- Wednesday - 9:00am – 9:00pm
- Fridays - 9:00am – 12:00noon
- Saturday – 9:10am – 2:00pm

Students will be able to select from the following lecture sessions each week to assist them in gaining an understanding of the course outcomes:

- Wednesday –8:10am – 10:00am
- Wednesday – 7:10pm – 9:00pm
- Thursday – 6:10pm – 8:00pm
- Saturday – 9:10am – 11:00am

Attendance at lecture sessions is expected. Contact the Electrical Technology program at 517-483-1360 if you have questions regarding the information in this course note.

ELTE109 Practical Electricity II Course Fee: \$50

Prerequisite: Minimum 2.0 in ((ELTE 102 or DCTM 102 or HVAC 102 or METS 102 or WELD 102 or concurrently) and (ELTE 108 or concurrently)) and Reading Level 3 and Writing Level 2 and (Math Level 3 or minimum 2.0 in MATH 105 or MATH 106)

Course Note: ELTE 110 (Practical Electricity) has been divided into two courses to allow more flexibility in scheduling. Each course covers half of the ELTE 110 content: ELTE 108 (Practical Electricity I) runs for the first 8 weeks of the semester and covers the first half of the ELTE 110 content. ELTE 109 (Practical Electricity II) runs for the last 8 weeks of the semester and covers the last half of the ELTE 110 content. Students who take both ELTE 108 and ELTE 109 will fulfill curriculum guide requirements that list ELTE 110 as a requirement. If you have questions, contact the Electrical Program at 517-483-1360.

51211	Lab/Lecture	2.00/ 3.00	03/12-05/06		Arranged	WCB-U206	Staff	
-------	-------------	------------	-------------	--	----------	----------	-------	--

51211: ELTE 109 is offered on a self-paced, open-lab basis. It is NOT an online course. Orientation sessions for ELTE 109 are scheduled at the following times:

- 6:10pm on Tuesday, March 12, 2019
- 8:00am on Wednesday, March 13, 2019
- 8:00am on Saturday, March 16, 2019

ALL STUDENTS IN ELTE 109 MUST ATTEND ONE OF THESE ORIENTATIONS. Sessions are held at West Campus in Room U206.

The Electrical Lab is open for students to work on their course or get assistance as follows:

- Tuesdays and Thursdays - 2:00pm – 9:00pm
- Wednesday - 9:00am – 9:00pm
- Fridays - 9:00am – 12:00noon
- Saturday – 9:10am – 2:00pm

Students will be able to select from the following lecture sessions each week to assist them in gaining an understanding of the course outcomes:

- Wednesday –8:10am – 10:00am
- Wednesday – 7:10pm – 9:00pm
- Thursday – 6:10pm – 8:00pm
- Saturday – 9:10am – 11:00am

Attendance at lecture sessions is expected. Contact the Electrical Technology program at 517-483-1360 if you have questions regarding the information in this course note.

ELTE111 Intro to Industrial Automation Course Fee: \$90

Prerequisite: Minimum 2.0 in ((ELTE 102 or DCTM 102 or HVAC 102 or METS 102 or WELD 102 or concurrently) and (ELTE 108 or concurrently)) and Reading Level 3 and Writing Level 2 and (Math Level 3 or minimum 2.0 in MATH 105 or MATH 106)

Course Note: Student will be required to provide a 2 gigabyte memory stick (jump drive) with a USB port interface.

50983	Lab/Lecture	4.00/ 6.00	01/07-05/06	TR	8:10am-11:00am	WCB-U205	Staff	
50982	Lab/Lecture	4.00/ 6.00	01/07-05/06	W	6:10pm-10:00pm	WCB-U205	Staff	E
			01/07-05/06		Arranged	WCB-U205		

50982: This class is scheduled to meet 4 hours each week on Wednesday evening, and requires 2 additional lab hours that need to be arranged with the instructor. It is recommended that students attend the instructor led lab period which will be provided to students on Mondays from 6pm – 8pm.

SPRING SEMESTER 2019**Course Offerings**

CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W*
------	------	-------------	-----------------	------	------	----------	------------	------

ELTE112	Basic Wiring Installation	Course Fee: \$45
----------------	----------------------------------	-------------------------

Prerequisite: Minimum 2.0 in (ELTE 109 or ELTE 110 or HVAC 110) and Reading Level 3 and Writing Level 2 and Math Level 3
 Course Note: Students will be required to provide hand tools not included in the course fee. A list of these tools will be provided at the first class meeting.

51089	Lab/Lecture	2.00/ 3.00	02/04-05/05	R	6:10pm-10:00pm	WCB-U209	Staff	E
-------	-------------	------------	-------------	---	----------------	----------	-------	---

51089: Students enrolling in ELTE 108 during the Spring semester may also be able to enroll in this late start section of ELTE 112. Contact the Electrical Technology program at 517-483-1360.

ELTE121	Electrical Mathematics	Course Fee: \$65
----------------	-------------------------------	-------------------------

Prerequisite: Minimum 2.0 in (ELTE 102 or DCTM 102 or HVAC 102 or METS 102 or WELD 102) and (ELTE 110 or ELTE 108) and (minimum 2.0 in MATH 114 or Math Level 5) and Reading Level 5

50993: ELTE 261 consists of a 4 hour scheduled time block on Thursday evenings. In addition, students are expected to spend a minimum of 4 additional hours per week in the electrical lab working on course content. Open lab hours in support of ELTE 261 are planned for Monday and Tuesday evenings as well as on Saturdays. Details will be provided in the first course session.

Emergency Medical Technology

EMTA100	Emergency Medical Responder						Course Fee: \$649
----------------	------------------------------------	--	--	--	--	--	--------------------------

Prerequisite: Reading Level 4 and Writing Level 4

Course Note: In addition to regular class time, students are required to complete Bloodborne Pathogens Training online. Information will be distributed via the D2L Course Management site and/or in class. \$100 of the course fee is for medical supplies and is non-refundable.

50755	Lab/Lecture	4.00/ 6.00	01/07-05/06	R	6:10pm-9:00pm	HHS-209	Priese W	E
			01/07-05/06	T	6:10pm-9:00pm	HHS-005		

CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W*
------	------	-------------	-----------------	------	------	----------	------------	------

EMTA101 Basic EMT I Course Fee: \$156

Prerequisite: Reading Level 5 and Writing Level 6 and Program Approval

Co-requisite Course(s): EMTA 102

Course Note: 1) The EMT Academy is offered in two distinct sessions. Students enrolling in the Main Campus Daytime Academy must enroll for all five EMTA sections together during the day to complete the Academy in one semester. Students enrolling in the Main Campus Evening Academy will complete in two semesters by enrolling in EMTA 101 and 102 during the fall and in EMTA 103, 104, and 112 during the following spring. See section notes for concurrent CRN numbers to enroll in.

2) Students are required to pass an ICHAT Criminal Background investigation completed through the State of Michigan ICHAT website prior to starting the program. Cost is \$10. Students must submit ICHAT documentation to the EMS Program office to receive Program Approval to enroll in the Academy. The EMS Program is located in HHS 108, 517-483-1403.

3) ALL EMT ACADEMY STUDENTS must attend a mandatory orientation session held on either Friday, January 4th from 8 am – 12 pm in HHS 213 at the main campus or Monday, January 7th from 1-5 pm at the main campus in the HHS building, room 007. Please call 517-483-1403 to select your orientation date.

4) There will be additional cost to students for uniforms and textbooks. Medical supplies are included in the course fees. The medical supply fees are non-refundable once registered for the course.

5) In addition to regular class time, students are required to complete Bloodborne Pathogens Training online. Information will be distributed via the D2L Course Management site and/or in class.

50756	Lecture	4.00/ 4.00	01/07-03/11	MT	8:10am-12:00pm	HHS-213	Meldrum W	
-------	---------	------------	-------------	----	----------------	---------	-----------	--

50756: Students must also enroll in EMTA 102 – 50757, EMTA 103 – 50758, EMTA 104 – 50760, and EMTA 112 – 51188.

EMTA102 Basic EMT II Course Fee: \$492

Prerequisite: Reading Level 5 and Writing Level 6

Co-requisite Course(s): EMTA 101

Course Note: \$100 of the course fee is for medical supplies and is non-refundable.

English

NCSS101 Social Sciences Skills Lab

Prerequisite: Reading Level 2 and Writing Level 2 and (concurrent enrollment in PSYC 200 or certain sections of COMM 110 or 120, RELG 150, SOCL 120).

Course Note: This lab embeds discipline-specific academic reading and writing skills instruction within college-level courses. Skill areas include critical reading (text and visual information), writing/research processes, vocabulary expansion, and textbook navigation.

52160	Lab	0.00/ 0.00	01/07-05/06	MTWR	Arranged	GB-3306	Nienkark L	
-------	-----	------------	-------------	------	----------	---------	------------	--

ENGL098 Integrated Reading Writing I

Prerequisite: Reading Level 2 and Writing Level 2 and concurrent enrollment in one of the following courses: ACAD 101, FREN 121 or 122 or 201 or 202, GRMN 121 or 122 or 201 or 202, HUMS 140, JAPN 121 or 122 or 201 or 202, MUSC 240 or 241, PSYC 200, RELG 150, SPAN121 or 122 or 201 or 202, or THEA 110.

Course Note: 1) Exit Competency: A grade of 2.5 or higher will award placement levels of Reading Level 5 and Writing Level 6. A grade of 1.0-2.0 will award placement levels of Reading Level 4 and Writing Level 4 (students then can retest, or move on to ENGL 099); In addition, passing (2.0 or higher) the college-level concurrent enrollment course will award the placement levels of that class. 2) Additional concurrent enrollment possibilities: AUTB 101, AUTB 104, all AUTM, CITF 102, CITF 103, CITF 108, CITF 125, CIVL 101, CIVL 110, CIVL 136, DANC 101, DANC 102, DANC 103, DANC 104, DCTM 102, HERT 110, HERT 115, HERT 120, HERT 125, HERT 130, HERT 135, HERT 140, HERT 145, METS 102, MUSC 157, MUSC 163, THEA 120, WELD 103.

ENGL099 Integrated Reading Writing II

Prerequisite: Reading Level 4 and Writing Level 4

Co-requisite: ENGL 121 or ENGL 124 or ENGL 127

Recommended: Concurrent enrollment in courses selected from the list of concurrent enrollment options. Seek advice from an academic advisor to identify appropriate concurrent courses.

Course Note: 1) Exit Competency: A grade of 2.5 or higher will award placement levels of Reading Level 5 and Writing Level 6. If a minimum of 2.5 is not achieved, passing (2.0 or higher) the college-level concurrent enrollment course will award the placement levels of that class. 2) Additional concurrent enrollment options: ACAD 101, ARTS 102, BIOL 120, BUSN 118, CHDV 100, CHSE 100, CHSE 108, CHSE 143, CHSE 151, COMM 110, FREN 121, FREN 122, FREN 201, FREN 202, GRMN 121, GRMN 122, GRMN 201, GRMN 202, HUMS 120, HUMS 140, JAPN 121, JAPN 122, JAPN 201, JAPN 202, PSYC 200, RELG 150, SOCL 120, SPAN 121, SPAN 122, SPAN 201, SPAN 202, THEA 110, or technical career courses in the areas of Automotive, Computers, Construction, Electrical, Manufacturing, Technology, or Welding, as well as courses currently requiring Reading Level 4 and Writing Level 4 such as HUSE courses. 3) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website.

50317: The first week of class, 1/7-1/13, students are expected to log into D2L to complete introductory assignments. Along with work completed in D2L, this online section includes synchronous participation, which means students must log into a virtual class area on a specific day at a specific time. These class sessions will take place 1/17-5/2 on Thursdays, 4:10pm-6:00pm in the virtual world Second Life on MCCA VLC Island, which students will access via D2L. Consequently, students must have their own access to high speed Internet and an up-to-date computer. See [Second Life System Requirements webpage](#) for system requirements.

-------	--------	------------	-------------	---	---------------	--------	--------	---

51690: The first week of class, 1/7-1/13, students are expected to log into D2L to complete introductory assignments. Along with work completed in D2L, this online section includes synchronous participation, which means students must log into a virtual class area on a specific day at a specific time. These class sessions will take place 1/15-4/30 on Tuesdays, 7:10pm-9:00pm in the virtual world Second Life on MCCA VLC Island, which students will access via D2L. Consequently, students must have their own access to high speed Internet and an up-to-date computer. See [Second Life System Requirements webpage](#) for system requirements.

Fire Science

FIRE SCIENCE ACADEMY, FIRE 101, and FIRE 102: The Public Service Careers Program offers an internationally accredited Fire Science Academy Program to prepare individuals in basic fire training and fitness. Successful completion leads to certification by the Michigan Fire Fighter Training Council for Fire Fighter I and II, Hazardous Materials Awareness, Hazardous Materials Operations, Extrication, Advanced Extrication, Wildland Fire Fighter II, Pro-Board Certification, and IAFF Fire Ground Survival Certification.

The Fall 2019 Academy begins on Monday, August 19, 2019. Students admitted to the program will be notified of time and location. The Academy runs from Monday, August 19 through Thursday, December 12, 2019. All accepted students must attend the PFFT 119 fitness class on August 12th. Orientation will follow the fitness class on August 12th from 8:00am – 12:00pm.

The deadline to apply to the Fall 2019 Fire Academy is July 19, 2019.

The Fire Science Academy requires Department Approval. In order to be considered as a candidate for this program, students must meet basic admissions requirements beyond those required for admission to the College. For current information about admission requirements, contact the Public Service Careers Office, West Campus, Room M127, 517-483-1570 or visit the Fire Academy website.

HVAC102 Industrial/Construction Safety Course Fee: \$90

Prerequisite: Reading Level 3 and Writing Level 2

Course Notes: 1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR & First Aid sessions are not used. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website. 3) ON-LINE STUDENTS CANNOT QUALIFY FOR THE OSHA-10 CERTIFICATION DUE TO OSHA LIMITATIONS. Students requiring OSHA-10 Certification should enroll in one of the lab/lecture sections.

MRI Technology

The MRI Program is run in conjunction with the MIRIS Consortium and the MCCVLC.

The MRI Certificate of Achievement is intended for registered/certified radiologic technologists with the American Registry of Radiologic Technologists® (ARRT). The curriculum provides didactic hybrid distance education, and clinical experience to teach the essential content needed to begin a career in Magnetic Resonance Imaging. Successful completion of the program qualifies students for examination by the ARRT in Magnetic Resonance Imaging.

The MRI Associate Degree Program is intended for people who are not registered/certified technologist with the American Registry of Radiologic Technologist (ARRT). This program provides general education courses along with MRI didactic education via hybrid distance education, and clinical educational experiences in magnetic resonance imaging with the opportunity for students to earn an associate degree. Successful completion of the program qualifies students for examination by the ARRT in Magnetic Resonance Imaging.

For more information contact the Medical Imaging Programs, Health and Human Services Building, Room 108, telephone number 517-483-1410, or visit the Radiologic Technology website. Students who are approved for the program will receive schedule information directly from the program.

Manuf Engr Tech - Systems

METS102 Industrial/Construction Safety Course Fee: \$90

Prerequisite: Reading Level 3 and Writing Level 2

Course Notes: 1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR & First Aid sessions are not used. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website. 3) ON-LINE STUDENTS CANNOT QUALIFY FOR THE OSHA-10 CERTIFICATION DUE TO OSHA LIMITATIONS. Students requiring OSHA-10 Certification should enroll in one of the lab/lecture sections.

MASG131 Therapeutic Massage I Course Fee: \$64

Prerequisite: Reading Level 5 and Writing Level 6 and HS Diploma or Equivalent and Program Approval

Course Notes: 1) The Therapeutic Massage Program is offered in two distinct sessions that cannot be combined: an Evening Cohort beginning in the spring and a Daytime Cohort beginning in the fall. Students enrolling in the Evening Cohort will complete the program in four consecutive semesters, Spring 2019 through Spring 2020. Students enrolling in the Daytime Cohort will complete the program in three consecutive semesters, Fall 2018 through Summer 2019. To enroll, students must be 18 years of age or older by the start of classes and must declare Therapeutic Massage as their major. Students wishing to enroll in the Spring 2019 Evening Cohort must submit a program approval form with required supporting documentation by January 2, 2019, to receive Department Approval. Seats are limited and are awarded on a first come, first served basis. The program approval form can be found in the Therapeutic Massage Advising Guide on the LCC website. Contact Mabel or Terri at 517-483-1410 for more information.

2) Approved students are required to attend a one-hour program orientation before they can register for courses. Call 517-483-1410 for program orientation dates.

3) Students admitted to the Evening Cohort that begins Spring 2019 must enroll in PFFT 104 and all four of the following MASG courses: MASG 131, MASG 132, MASG 137, and MASG 139.

52070	Lecture	4.50/ 4.50	01/07-05/06	T	5:40pm-9:30pm	HHS-011	Wiley J	E

MATH106 Math Literacy with Review

Prerequisite: (Reading Level 5 or [Reading Level 4 and ENGL 099 concurrently]) and Writing Level 2 and (Math Level 3 or CPT Arithmetic score minimum 20).

Course Notes: 1) MATH 106 prepares students for MATH 109, MATH 117, MATH 118, MATH 119, and STAT 170; MATH 106 is not a prerequisite for MATH 112. 2) Information about course materials will be available to students the first day of class or earlier from your instructor. A graphing calculator from the TI-83/84 family is required for course work.

Radiologic Technology

The Radiologic Technology program is accredited by the Joint Review Committee on Education in Radiologic Technology. Radiologic technologists, also called radiographers, operate X-ray equipment under the direction of a physician, taking radiographs of internal parts of the body. Most often radiologic technologists are employed in hospitals, clinics and physician offices. Graduates of the program are eligible to take the examination given by the American Registry of Radiologic Technologists (ARRT).

Radiologic Technology is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Radiologic Technology Program at 517-483-1410, or visit the Radiologic Technology website for more information. Students who have been accepted into the program will receive schedule information directly from the program.

Religion

RELG150 Intro to World Religions

Prerequisites: (Reading Level 5 and Writing Level 6) or ENGL 098 or ENGL 099 concurrently

Course Note: An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website.

Surgical Technology

The Surgical Technology program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP). A surgical technologist assists the surgeon in the operating room by preparing the operating room for the surgical procedure; preparing all sterile areas, supplies and instruments for use; assisting with sterile draping, gowning and gloving; and handing appropriate sterile instruments and supplies to the surgeon's assistant and/or surgeon during invasive surgical procedures. In addition to a hospital operating room, the surgical technologist may work in a surgeon's private office, a surgical outpatient facility, a central processing department, and possibly in an emergency room and obstetrical delivery room. The surgical technologist may become certified through successful completion of a national exam offered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA), and thus become Nationally Board Certified, with rights and privileges to use the CST® credential behind his or her name.

Surgical Technology is a selective admission program. Contact the Selective Admissions Specialist at 517-483-1182 or selective_admissions@lcc.edu, or the Surgical Technology Program at 517-483-1410, or visit the Surgical Technology website for more information. Students who have been accepted into the program will receive schedule information directly from the program.

SURG103 Surgical Asepsis Course Fee: \$186

Prerequisite: None

Welding Technology

WELD102 Industrial/Construction Safety

Course Fee: \$90

Prerequisite: Reading Level 3 and Writing Level 2

Course Notes: 1) This course requires students to be certified in CPR and First Aid as part of the course grade. Training will occur as part of traditional on-campus sections. Online students have the option of attending CPR and First Aid sessions at LCC's West Campus. Students who cannot travel to LCC will need to make other arrangements to become certified. Additional costs may be incurred if the scheduled CPR & First Aid sessions are not used. 2) An online course may require students to travel to an exam site for proctored exams. You may also request to test at an approved proctored location (additional fees may apply). For more information on proctored test sites, please visit the Testing Services website. 3) ON-LINE STUDENTS CANNOT QUALIFY FOR THE OSHA-10 CERTIFICATION DUE TO OSHA LIMITATIONS. Students requiring OSHA-10 Certification should enroll in one of the lab/lecture sections.

Alternative Delivery

Taking an Alternative Delivery class saves students time spent in a classroom setting or reduces drive time by selecting a class location closer to their home. This flexibility helps busy people balance work, family and school and still reach their career and academic goals. Try one or all of the Alternative Delivery options to find out what works best for your type of lifestyle!

Electronically-supported Education Options

Online (100%) * - If you are self-motivated, an independent learner, and have the ability to work without face-to-face contact with an instructor or classmates, taking a course online using D2L, LCC's Course Management System, will most likely work for you. Students enrolling in an online course should have existing computer skills or the ability to acquire such skills. Online instructors will follow a syllabus and set deadlines. It's up to the student to meet course requirements.

Online/Hybrid * - An online/hybrid course is one in which a portion of regularly scheduled classroom time is replaced with online course work and activities. This is a good option for students new to online learning or students who prefer a more structured learning environment but enjoy the flexibility that an online course provides as this type of course limits the number of times a student needs to be on-campus for class. Students spend part of their time face-to-face in the traditional classroom, lab, or worksite with an instructor and the other part participating online using D2L, LCC's Course Management System.

** All students who have not taken an online course before are encouraged to complete the [Learning Online at LCC Training](#) prior to beginning an online course.*

Other Alternatives

Variable Date and Late Start - Variable date and late start classes enable you to finish a course at a different pace than the standard semester. Registration deadlines for these classes can be found in the *Adding a Class* table in this schedule book or online.

Weekend - People who work full-time find weekend courses easier to fit into their busy schedules. Course lengths vary from one to three days, while many extend the entire semester.

Off-campus Learning Locations - An off-campus learning location provides LCC students the opportunity to select the course(s) closest to their home or work. These sites, often located in area schools, community education buildings, or in LCC buildings, have ample, free parking and are within a 40-mile radius of Lansing. For more information contact an LCC Learning Center near you, or visit the Community Education and Workforce Development website.

Michigan Colleges Online – Additional online courses may be available through other Michigan community colleges via the Michigan Colleges Online. For more information, please contact Academic Advising at eadvising@lcc.edu or 517-483-1904.

Online Learning (Non Credit): The Community and Continuing Education department offers a wide array of affordable and convenient online, non-credit classes. An expert instructor in his or her field teaches each course. These classes connect you to hundreds of professional and personal learning opportunities. Our online courses are affordable, fun, fast, convenient, and geared just for you. We encourage you to browse our catalog by visiting the [Community Education and Workforce Development website](#).

Online Learning Courses

Online Courses:

Require self-motivation and some computer skills. Online courses require students to complete course work with little formal direction from Instructors, as well as access to and knowledge of using a desktop or laptop computer and a reliable Internet connection.

NOTE: Students using tablets will still need access to a desktop or laptop computer in order to complete some assignments. Online courses **CANNOT** be completed using only a tablet (e.g. iPad).

Are flexible. While assignments in a course have due dates, course work can usually be completed any time of the day or night. This allows students to work around personal, work, and family schedules.

Are NOT self-paced. Students must complete course work within the deadline(s) set by the course instructor including discussions, quizzes, and assignments.

May require a trip to campus. Some online courses may require a student to come to campus to complete an exam or give a presentation. Off-campus Proctors* can be set up if necessary through Testing Services. See the [Online Course Proctored Testing webpage](#) for more information. *Additional fees may apply.

Have technology requirements. Online courses require a high-speed Internet connection (dial up Internet users may experience delays), word processing program, and various computer hardware and software.

May require textbooks. Many online courses require students to purchase a textbook and/or an online access key. Textbook information is available through the [Textbooks and Bookstores webpage](#).

[Learning Online at LCC Training](#) is available for students who have not taken an online course before. Designed to prepare students for using D2L, the Course Management System, the training shows students what to expect in online and/or hybrid courses as well as making them aware of the expectations that come with being an online student. To access the training, please visit the [Learning Online at LCC webpage](#).

The [eLearning Department Student Resource Site](#) contains a Blog and D2L Help Pages with written step-by-step and video instructions for using the Course Management System, D2L. Blog posts are also created by the eLearning Department that include announcements, tips, and tricks for learning online at LCC.

For more information about online courses including course offerings and availability, and general information about online courses, please contact Academic Advising at eadvising@lcc.edu or 517-483-1904.

For more information about D2L, please visit the [eLearning Student Resource website](#), contact the eLearning Department using Live Chat, via email at lcc_elearning@lcc.edu or by phone at 517-483-1839.

Off-Campus Learning Locations

Most of the course offerings at learning locations fulfill requirements for Associate Degree and transfer programs. (Refer to the *Course Offerings* for complete information before you register.) The following locations have a wide variety of courses and services including labs, computers, and free parking.

LCC East
 East Lansing, 517-483-1860

LCC Livingston County Center at Parker Campus
 Howell, 517-545-3522
 Toll free: 1-877-813-5242

For off-campus learning locations visit the [Community Education and Workforce Development webpage](#). Driving directions to each off-campus location are posted on the [Extension Center webpage](#). Classroom locations for these centers are posted in the building on the first night of classes. **For complete prerequisites, class locations, dates and times, see the *Course Offerings*.**

Weekend Courses

Listed below are the weekend courses that run from Friday (F) at 5:00 p.m. through Sunday (U). Course lengths vary from one to three days or extend the entire semester. People who work full-time may find weekend courses easier to fit into their schedule. Weekend courses are offered for both credit and non-credit. *For complete course prerequisites, class locations, dates and times, see the Course Offerings.*

F = Friday • S = Saturday • U = Sunday

Days	Course Code	Course Title
F	AVAF140	Aircraft Welding
S	BIOL201	Human Anatomy
S	BIOL202	Human Physiology
S	CHDV122	Creativity and Play
S	CHDV124	Young Investigators: Math/Sci
S	CHDV128	Partnerships in Inf/Tod Care
S	CHEM120	Gen Organic & Biological Chem
F	ELTE131	Machine Controls I
S	ENGL121	Composition I
F	MASG110	Massage for Non-Majors
S	METS125	Intro to Hydraulics/Pneumatics
S	PFHW163	Healthy Lifestyles
S	PHYS120	The Art of Physics
S	SIGN260	Linguistic Principles of ASL
S	SIGN294	Sign Lang Interpreting Seminar
S	THEA224	Stage Combat II

Variable Date and Late Start Courses

Variable date and late start classes enable you to finish a course at a different pace than the standard semester. Registration deadlines for these classes can be found in the *Adding a Class* table in this schedule book or online. Refer to the *Course Offerings* for exact course start and end date in addition to complete course information needed to register. Non-credit variable date courses are listed separately in the *Community and Continuing Education* section.

January

Community and Continuing Education Course Offerings

Lansing Community College (LCC) has a long history of providing Community and Continuing Education (CCE) courses in the Greater Lansing area. We offer a variety of exciting and accessible lifelong learning opportunities that promote self-reliance, self-discovery, and individual/community well-being. Participants can gain new knowledge and skills related to their workplace or explore personal development as they enhance their quality of life.

Community Education

Community Education offers learners of all ages access to lifelong learning opportunities that connect LCC's strengths with community needs.

The Adult Enrichment Program provides non-credit classes for adults who wish to continue to expand their horizons and explore new areas. Classes are designed for students who want to continue to learn new information on topics that directly impact their well-being or enhance their hobbyist's skills. Year-round, ongoing classes include topics such as technology, creative arts, personal safety, retirement planning, health and wellness. New classes are being added constantly. Adult Enrichment is here to provide interesting and fun learning experiences that help you discover the "Best You". For up-to-date information, registration, and to check out the variety of courses, visit the [Adult Enrichment website](#) or call 517-483-1415.

The Youth Program offers both A+ and GATE (Gifted and Talented Education) classes for students in 2nd-12th grade. The Summer Youth Program offers eight weeks of fun, hands-on classes taught by qualified college instructors, ranging from science, technology, engineering, math and the arts! Each class is approximately one week long; enroll in as many as you like!

GATE courses are exciting classes which provide in-depth coverage and move at a fast pace for gifted students. GATE classes require a Recommendation Form from the child's school in order to enroll. Recommendation Forms are good for one year. A+ courses offer engaging classes for all students; no Recommendation Form required. These classes offer students high quality education that is **Serious Fun!** For additional information on Youth Program classes, visit the [LCC Youth Program website](#) or call 517-483-1415.

Continuing Education

The Continuing Education Program focuses on workforce development needs which build upon previous education and experience. These courses help adults develop new job skills; advance in one's career; qualify for professional licensure, re-licensure or certification; and explore personal development through vocational pursuits. For additional information on classes and registration, please visit the [LCC Continuing Education website](#) or call 517-483-1415.

Online Learning (Non-Credit)

The Community and Continuing Education Programs offer a wide array of affordable and convenient online, non-credit classes. Each course is taught by an expert instructor, many of whom are nationally known. These classes connect you to hundreds of professional and personal learning opportunities. These online courses are affordable, fun, fast, convenient, and geared just for you. We encourage you to browse our catalog by visiting the [Non-credit Community and Continuing Education online registration website](#).

Registration

Registration is available through the [CCE program website](#). You will be asked to create an account that is separate from traditional student accounts. If you are having trouble registering, please call 517-483-9853 or 517-483-1415, Monday-Friday, 8:00am-5:00pm for assistance.

CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W
------	------	-------------	-----------------	------	------	----------	------------	-----

Noncredit Building and Design

NCBD050	Building/Design Special Topics	Pass/Fail (P/Z)
---------	--------------------------------	-----------------

Prerequisite: None

Builder Pre-Licensure Prep

51831	Lecture	0.00/ 0.00	01/07-03/11	MW	6:10pm-10:00pm	WCB-W167	DeRuischer S	E
-------	---------	------------	-------------	----	----------------	----------	--------------	---

This non-credit course will provide the student with information needed to pass the Michigan Builder's License Examination as well as techniques for running a successful contracting business. It is approved by the State of Michigan and satisfies the 60-hour pre-license course requirement. The program is for anyone who is interested in becoming a licensed contractor in Michigan.

Course Note: This course fulfills the State of Michigan 60-hour requirement to apply for a Residential Builder or Maintenance & Alteration Contractor license. If you have any questions, please call the Building Trades/Construction Technology Department at 517-483-5338. The cost of this seminar is \$420.

Degree and/or certificate seeking students please refer to the BLDT section of the schedule book for academic credit class offerings.

Noncredit Community Education

NCCE200	Creative Arts	Pass/Fail (P/Z)
---------	---------------	-----------------

Prerequisite: None

Concert Choir

51825	Lab	0.00/ 0.00	01/14-05/06	TR	5:10pm-6:30pm	GB-1403	Tenbrink J
-------	-----	------------	-------------	----	---------------	---------	------------

In this non-credit course, a larger student and community member mixed voice choir explores diverse styles, genres, repertoires and cultural traditions spanning the choral experience. General musicianship and training in choral singing are developed. Participation in two to four concerts per semester is required. Music reading skills recommended. Contact the Communication, Media and the Arts Department at 517-483-1546 for information. Cost of this seminar is \$200.

Degree and/or certificate seeking students please refer to the MUSC section of the schedule book for academic class offerings.

Rock Band

51826	Lab	0.00/ 0.00	01/14-05/06	F	12:10pm-3:10pm	GB-1403	Rollins C
-------	-----	------------	-------------	---	----------------	---------	-----------

In this non-credit course, the Rock Band rehearses and performs rock music of diverse styles, including cover songs as well as original compositions and arrangements by students. The instrumentation is open to the characteristic make-up of rock ensembles, including guitar, bass, keyboard, drum-set instruments and singers. Other instrumentalists may join to expand the ensemble. Participation in two to four concerts per semester is required. Music reading skills are recommended. Contact the Communication, Media and the Arts Department at 517-483-1546 for information. Cost of this seminar is \$200.

Degree and/or certificate seeking students please refer to the MUSC section of the schedule book for academic class offerings.

Jazz Ensemble

51827	Lab	0.00/ 0.00	01/14-05/06	W	7:00pm-10:00pm	GB-1403	Gewirtz J	E
-------	-----	------------	-------------	---	----------------	---------	-----------	---

In this non-credit course, Jazz Ensemble members rehearse and perform pieces of diverse styles from various periods in jazz history. Musical, interpretative and improvisational skills are developed through ensemble, small combo and solo performances. Participation in two to four concerts per semester is required. Music reading skills are required. Department approval by audition. Please contact the Communication, Media and the Arts Department at 517-483-1546 for information. Cost of this seminar is \$200.

Degree and/or certificate seeking students please refer to the MUSC section of the schedule book for academic class offerings.

CRN#	Type	Cr/Bill Hrs	Start/End Dates	Days	Time	Location	Instructor	E/W
------	------	-------------	-----------------	------	------	----------	------------	-----

Multi-Instrumental Music Ensem

51828	Lab	0.00/ 0.00	01/14-05/06	M	6:00pm-9:00pm	GB-1403	Staff	E
-------	-----	------------	-------------	---	---------------	---------	-------	---

This non-credit course is dedicated to the exploration of new acoustic, electronic and electro-acoustic music ranging from open, aleatoric scores to fully determined notation. Compositional, improvisational and interpretative skills are developed through ensemble, small group and solo performances. Music reading skills recommended.

Contact the Communication, Media and the Arts Department at 517-483-1546 for information. Cost of this seminar is \$200.

Degree and/or certificate seeking students please refer to the MUSC section of the schedule book for academic class offerings.

Musical Theater Performance

51830	Lab/Lecture	0.00/ 0.00	01/14-05/06	MW	2:10pm-3:40pm	GB-1422	Stuible-Clark K	E
-------	-------------	------------	-------------	----	---------------	---------	-----------------	---

An introductory course for vocalists and actors emphasizing applying acting techniques to song performance. Students will explore music from a preselected range of musical theatre styles. Focus is on stage presence, movement, and advancing dramatic action through the song. The class concludes with a public performance.

Contact the Communication, Media and the Arts Department at 517-483-1546 for information. Cost of this seminar is \$200.

2	Orientation available online, required for new students - for details visit the Orientation webpage
December	
1	Priority FAFSA file date - for details visit the Financial Aid webpage
13	Financial Aid book vouchers begin
14	Financial Aid supply advances begin
15	Priority financial aid document submit date - for details visit the Financial Aid webpage
January	
7	Semester begins
13	End 100% refund tuition and fees, full semester, first 8 week and first 12 week only – for details visit the Adjusting Your Schedule webpage
20	End 50% refund, tuition & student support fee only, full semester, first 8 week and first 12 week only - for details visit the Adjusting Your Schedule webpage
21	MLK Holiday – College Closed
February	
1	Financial aid refunds for grants, scholarships and first half of loans begin
8	Freshman first time loan borrower refunds begin
18	Last day to change residency
March	
4-10	Spring Break – No classes
15	Last day to submit associate degree/certificate application
20	Financial aid refunds for second half of loans begin
May	
6	Semester ends
9	Commencement – Breslin Student Events Center, MSU Campus, Thursday, 7 p.m.

Tuition rates are based on your residency status. Please visit the [Residency](#) webpage for more information.

Assigned Web Registration

Number of Credits earned as of Summer 2018	Register during or after:	Date
60 or more	8 - 10 a.m.	Monday, October 1
30 or more	10 - 12 noon	
12 or more	12 - 2 p.m.	
1 or more	2 - 4 p.m.	
	Register after:	
Current & Returning Students	4 p.m.	
*New students	8 a.m.	Tuesday, October 2

Before registration begins, be sure to:

1. Log into myLCC and make sure your password has not expired.
2. Make sure your contact information is correct – street address and phone number.
3. Check out your assigned web registration time!
4. Make sure you have the proper prerequisites. Review the information at the [Waivers](#) webpage to see if you need a waiver.
5. Read your LCC student e-mail for important updates!
6. Resolve any holds that prevent registration.

***New students** are required to attend orientation prior to registering for courses. Visit [Orientation](#) webpage for details.

Many LCC courses are taught in a shorter timeframe than the traditional full semester teaching period and provide the same amount of credit. See the list below for the various start and end dates of the teaching periods.

Teaching Periods	
Standard Teaching Periods	[start – end]
Full Semester	[1/7 – 5/6]
First 8 week	[1/7 – 3/11]
First 12 week	[1/7 – 4/8]
Last 15 week	[1/14 – 5/6]
Last 14 week	[1/22 – 5/6]
Last 12 week	[2/4 – 5/5]
Last 8 week	[3/12 – 5/6]
Variable-Start Courses	
Community and Continuing Education (Non-Credit Courses)	[Section Specific]
Open Entry Courses or Modules	[Based on learning contract]
Less than 8 weeks	[Section Specific]
8 weeks or more	[Section Specific]

Adding a Class

Online registration is available until 10 minutes prior to when a face-to-face class begins (lecture, lab).

Online registration for online, online/hybrid and classes that state TBA as one of the meeting times is available until midnight (12 a.m.) the date the teaching period begins.

Late enrollment at Lansing Community College is not allowed, special circumstances may be considered after consultation with instructor and final approval from the Academic Dean. Schedule adjustments will be allowed during the first week of each part of term. For more information please visit the [Adjusting Your Schedule](#) webpage.

Changing Grade Status: Audit/Credit

Teaching Period	Last Date to Change to Audit/Credit
Standard Teaching Periods	[start – end]
Full Semester	[1/7 – 5/6] 1/20
First 8 week	[1/7 – 3/11] 1/20
First 12 week	[1/7 – 4/8] 1/20
Last 15 week	[1/14 – 5/6] 1/27
Last 14 week	[1/22 – 5/6] 2/4
Last 12 week	[2/4 – 5/5] 2/17
Last 8 week	[3/12 – 5/6] 3/25
Variable-Start Courses	
Community and Continuing Education (Non-Credit Courses) [Section Specific]	Please call 517-483-1415 for assistance.
Open Entry Courses or Modules [Based on learning contract]	Day prior to learning contract start date
Less than 8 weeks [Section Specific]	Midpoint of class
8 weeks or more [Section Specific]	14 days Into class

Note: Students can change from audit to credit or credit to audit *online* until Monday, January 7. After that, students must request the change in person at a Student Service Center.

Changing enrollment status may affect financial aid.

Last Date To Change Residency Status

Teaching Period	Last date to request change
All teaching periods	2/18

For complete residency policy visit the [Residency](#) webpage.

Student Declaration of Residency forms available by visiting the [Forms Student Records](#) webpage.

Dropping a Class

Students should drop online until the deadline for each teaching period. Refunds are available based on the Refund Schedule.

Please note: Dropping a class may require you to pay money back to the College if you have received financial aid. Contact the Financial Aid office before dropping!

Teaching Period	Last Date to Drop With No Grade	Last Date to Drop Course With a Record of W & Last Date to Drop Online	
Standard Teaching Periods [start – end]

Last 8 week	[3/12 – 5/6]	3/18
Variable Start Courses		
Community and Continuing Education (Non-Credit Courses) [Section Specific]		Please call 517-483-1415 for assistance.
Open Entry Courses or Modules [Based on learning contract]		Day prior to learning contract start date
Less than 8 weeks	[Section Specific]	NONE
8 weeks or more	[Section Specific]	NONE
	7 days into class	14 days into class

Tuition and Fees*

Call 517-483-1272 for information

Calculating Tuition and Fees

To calculate your tuition and fees, you must consider the following items which apply to your student schedule:

Tuition—per billing hour

The cost for attending a course is determined by the course's billing hours, not credit hours. A billing hour represents an amount of time that a student spends in direct contact with an instructor or with laboratory equipment. For more information see the [Pay for Classes](#) webpage.

College District Resident Students\$105.00*

Resident students have lived for four months or more within one of the 15 school districts listed below and pay property taxes to support LCC's budget. School districts include:

Bath	Haslett	Okemos
Dansville	Holt/Dimondale	Stockbridge
Dewitt	Lansing	Waverly
East Lansing	Leslie	Webberville
Grand Ledge	Mason	Williamston

In-State Students\$210.00*

If you reside in Michigan, but not in one of the above 15 school districts, you are an out-of-district student.

Out-of-State Students\$315.00*

If you live outside of Michigan, you are an out-of-state student.

International Students\$367.00*

If you have been admitted to the United States on a temporary, non-resident status, you are classified as an international student.

Senior Citizens *

If you're age 62 or older on the first day of the semester and a resident of the LCC district four months prior to the beginning of the semester in which you register, you now qualify for a reduced tuition rate of \$52.50 per billing hour on classes at LCC. (Note: Michigan residents living outside the LCC district qualify for a reduced rate of \$105 per billing hour.) These rates apply to LCC classes taken for audit or credit. Classes with zero billable hours are not covered by the tuition rate reduction. Senior citizens will continue to pay registration, course and facility fees. For details, call 517-483-1272.

Students are responsible for knowing their residency status and understanding tuition rates at which payment is made to the college. Students who believe there is a discrepancy in their residency status may complete the Student Declaration of Residency form available at the [Forms Student Records](#) webpage or visit the StarZone, Gannon Building, 2nd floor. For more information on residency, please see the Proof of Residency under Registration Information. You may also contact Admissions, Registration & Records by calling 517-483-1200 option 2.

Fees

Registration Fee\$25.00*

The registration fee is applied to each semester you are enrolled and pays for some of the cost of registration.

Student Support Fee\$11.00*

Students are charged an \$11 per billable hour student support fee on all credit classes.

Course Fee*

Course fees vary and apply to courses requiring specialized supplies, equipment, facilities, and other instructional resources unique to the individual course. Some course fees may be non-refundable. See class offerings to determine if a course has an applicable course fee.

Online Learning Course Fee\$25.00*

This online fee will be applied to all online courses.

Payments (General Information)

Outstanding debts including accounts in collections and materials at LCC must be returned or paid prior to registering for classes in order to avoid delays caused by "holds."

Each semester, all students are required to either:

- Pay in full;
- Sign up for an Installment Payment Plan (available to all students);
- Sign up for an Installment Deferred Payment Plan (available to financial aid students only); or
- Submit Third Party authorization (If your employer, high school or an agency is sponsoring your education). This does not include FINANCIAL AID.

Students must understand their payment options and the risk of being dropped from courses if tuition and fees are not paid by the due date.

NOTE: There are rare circumstances that can prevent a student from being dropped for non-payment. It is the student's responsibility to officially withdraw from a course.

Checks or money orders must be made payable to Lansing Community College for the exact amount of tuition and fees. Write your student number on the check. A \$25.00 charge is applied to student accounts for all checks, including electronic checks, which are returned as non-sufficient funds, closed accounts, or stop payments. LCC does not accept two party or starter checks. Fees are subject to change.

Reminder: Check your LCC student e-mail often. The Student Finance Office utilizes student e-mail as its primary form of communication.

Save Time and Plan Ahead – Pay online, mail in payments and pay in advance of your payment due date. Payments are due based on the date you register. Visit [Student Finance](#) webpage for detailed information regarding payment due dates.

Payment can be made at the Student Finance window in the StarZone, Gannon Building, 2nd floor, by mail, or at www.lcc.edu. Payment plans are only available at our Web site. You will receive an e-mail notification sent to your current active student e-mail address when a new bill is available to view. Students are responsible for maintaining current mail addresses and checking e-mails. Failure to maintain current addresses will result in the student not receiving important information and notices. You can view and print your tuition bill by going to www.lcc.edu. **BILLS ARE NOT MAILED.** All students must pay in full, sign up for an Installment Payment Plan, sign up for an Installment Deferred Payment Plan (Financial Aid Students) or submit Third Party Authorization by their payment due date.

If you are dropped from your courses, you may re-register with no guarantee of obtaining the same course schedule.

***Tuition and fees are subject to change by action of the LCC Board of Trustees.**
Visit [Paying for Classes](#) webpage for current tuition rates.

Payment Due Dates

Payment due dates are based on the day you register including courses added after initial registration. Student bills are available to view in Banner Student Self Service. Students will be notified by an e-mail sent to their LCC e-mail address each time a new bill is generated. Bills are not mailed. **Check your LCC Student e-mail often. The Student Finance Office utilizes student e-mail as its primary form of communication.** Payments are due by the payment due date listed on the student bill. Once the semester begins, payment is expected at the time of registration.

Visit [Paying for Classes](#) webpage for registration and payment due dates.

**Student Finance Hours
at the StarZone
Gannon Building 2nd floor**
Monday -Tuesday: 8 am – 6 pm
Wednesday – Thursday: 8 am – 5 pm
Friday: 8 am – 4 pm

Methods of Payment

Installment Payment Plan:

The Installment plan is not a loan program. You have no debt, there is no interest, and there is not a credit check. The cost to budget your interest-free monthly payment plan is a minimal per semester Enrollment Fee. You may budget your tuition and fees by Automatic Bank Payment from a debit/credit card using Visa, MasterCard, Discover or American Express. The Installment Payment Plan will automatically withdraw your tuition payments (from the card you choose) on the stated date(s) of each month, down payments are withdrawn immediately. Students will be removed after two failed schedule payments from the installment plan. A new repayment agreement will need to be set up at this time. Please contact Student Finance at 517-483-1272.

Visit [Paying for Classes](#) webpage for detailed information on payment plan deadlines and due dates.

Online Web Credit Card Payment: Students must clear all registration holds before accessing online payment options.

LCC accepts MasterCard, Visa, Discover or American Express. Credit card payments are not accepted over the phone.

By Mail: Please plan ahead. All mailed payments, company authorizations and sponsorships must be received in Student Finance 3 business days prior to the scheduled payment due date. Allow 3-5 days for mailing. Make check or money order payable to Lansing Community College and mail to:

Student Finance
Lansing Community College
309 N Washington Sq., Ste. 200
Lansing, MI 48933

In Person: To avoid standing in long lines, pay in advance of your payment due date. Cash, check, money order, MasterCard, VISA, Discover or American Express are accepted in Student Finance located in the StarZone, Gannon Building 2nd floor.

By Sponsor (employer, state agency, etc.): Please plan ahead. Third party sponsorship is not Financial Aid, nor a Scholarship. Vouchers submitted for payment are subject to sponsor contract. If a sponsor is authorizing a partial payment, the student will be responsible for the balance due by the posted payment due date. The student is responsible for dropping classes he/she does not intend to take. Authorizations from a sponsor can take 6-8 weeks for processing.

1. Registration prior to the **beginning of the semester** date. (See Registration Calendar/Important Dates)
 - Authorization must be received by the Student Finance Office 3 business days prior to the payment due date.
2. Registration after the **beginning of the semester** date. (See Registration Calendar/Important Dates)
 - Authorization must be received by the final date of 50% drops and adds (See the Important Dates for Drops, Adds, Refunds, and Audits)
3. The following information must appear in the sponsor's authorization: student name, student number, student's date of birth and clear billing instructions.
4. Sponsor authorizations may be e-mailed to: LCC-ThirdPartyBilling@lcc.edu. For further information, sponsors and students can call Student Finance at 517-483-1272.

Reminder: Check your LCC Student e-mail often. The Student Finance Office utilizes student e-mail as its primary form of communication.

By Financial Aid (grants, scholarships, loans): Please plan ahead. All Financial Aid students must sign up for an Installment Payment or Deferred Payment Plan. Visit [Paying for Classes](#) webpage for detailed information. Financial Aid may be available to those who qualify. For more information, visit the [Financial Aid](#) webpage.

Refund Process

Call 517-483-1272

Visit the [Refunds](#) webpage for current refund information. Additional detailed information regarding financial aid refunds can be obtained at the [Financial Aid](#) webpage.

If you are a financial aid recipient, you may or may not be eligible for all or a portion of any refunds (See Financial Aid Refunds).

If you pay by a personal check or through the payment plan, refunds could be held for 21 days from the date the payment is posted to your account to allow for processing time. Holds will always stop refunds and incomplete addresses will delay the refund process.

- **Financial Aid Recipients and Third Party Sponsor/College Exemption Payments Refund Rules**
If courses are paid through financial aid or by a sponsor, or the college employee exemption, students must officially drop their courses. Failure to officially withdraw could cause the course to remain on the student's academic record making them financially responsible for payment.
- **Refund schedules are outlined on the Refunds chart. Please visit the [Adjusting Your Schedule](#) webpage.**

Admissions Information

Call 517-483-1200 or visit [Admissions webpage](#)

Prospective students must complete an admissions application before registering for classes. Those who have never applied for admission to LCC must submit an application for admission. Visit the [Admissions webpage](#) for more information on the types of admission available to you or to download specific applications.

All applicants will receive a letter regarding admission to LCC (not to a specific program). Applicants who do not receive a letter within two weeks should call the Admissions Office or e-mail admissions@lcc.edu. Individuals who need to have an application mailed to a specific location may also call.

Campus Visits

Call 517-483-1999 or visit [Campus Visits webpage](#)

We offer campus visits most weeks at our Downtown Campus. For more information or to schedule your visit, go to our website or call 517-483-1999. Call 517-267-5452 to arrange a visit of West Campus.

The Center for Academic & Career Pathways

Call 517-483-1999 or visit [Academic & Career Pathways webpage](#)

The Center for Academic & Career Pathways is your one-stop-shop for academic advising, career exploration and advising, and guidance for getting started at LCC. Our advisors are available four days a week for full 30 minute advising appointments. Students who would like to discuss detailed or complex topics should schedule an appointment by calling 517-483-1999. Drop-in advising is offered three times a week for students who need guidance on quick, general issues.

Online Advising

We now offer secure Online Chat as an advising option! Advisors are available for chat Monday and Tuesday to work with students who are on the go and would like an instant response to general advising questions or guidance through certain processes. Online chat is especially for those students who would normally take advantage of a drop-in appointment.

Career & Employment Services

The Career & Employment Services department will help you find the career that fits your passion through career assessment, exploration and discovery, and then we will help you prepare for the job and make it yours! Each month workshops will be offered for walk-in resume help and career discovery opportunities.

STARientation

Call 517-483-1999 or visit [Orientation webpage](#)

New students are required to complete orientation prior to registering for courses. Orientation is free and can be completed on-line or in person. For more information, including frequently asked questions, visit our website or call 517-483-1999.

Skills Assessment

Call 517-267-5500 or visit [Testing Services webpage](#)

Before students can register for any course with a reading, writing or math skill level as a prerequisite, they must establish skill levels by submitting documentation to waive placement testing or by taking the placement tests. If you have graduated high school in the last three years or are a current senior who is in the last semester or trimester of their senior year, taken the SAT, ACT, CLEP, or AP exams, or have completed previous college coursework, please visit the [Assessment Document Submission webpage](#) for placement information and how to submit your unofficial transcripts or test scores for placement levels.

Establishing Skill Levels through Waiver

Placement tests can often be waived from High School GPA, SAT, ACT, AP, and CLEP testing, or previous college coursework. Students seeking to determine if they have other test scores, completed courses, or degrees that may qualify for a waiver should visit the [Assessment Document Submission webpage](#) or visit the StarZone on the 2nd floor of the Gannon Building. Waiver requests require one to three business days to process.

Establishing Skill Levels by Placement Exams

Students must have a picture ID and an LCC student number to test. A student number is assigned after applying to LCC.

It takes approximately two hours to complete all three placement tests. Students may need more time if advanced math placement tests are taken.

Reading and Writing placement levels do not expire.

Math placement levels of 3 and 4 do not expire. Math levels of 5 and above are generally valid for two years.

For sample questions and study materials, visit [Testing Services webpage](#) or email lcc-testing-services@lcc.edu

Testing is available at the Main Campus in the StarZone, located on the 2nd floor of the Gannon Building, until one hour before posted closing time. Testing hours vary between semesters. Call to verify hours of operation or visit [Testing Services webpage](#). In addition to the downtown campus, placement testing is available at the following off-campus locations:

- Capital Area Michigan Works! (CAMW): 517-492-5580
- LCC East: 517-483-1860
- Livingston County Center at Parker Campus: 517-545-3522
- West Campus: 517-267-5452

Courses Needing Pre-approval

Students registering in classes requiring course approval must obtain permission from the department prior to registration. Courses requiring approval are noted in the course listings.

Prerequisites

Course prerequisites could include any one or more of the following: completion of other courses with a minimum grade; reading, writing, and/or math levels; other placement tests and/or requirements; curriculum restrictions; co-requisite courses (which must be taken with the course); and/or department approvals. Be sure to check the requirements for the course before registration. Students can find out if they meet required skill levels by taking placement tests. **Students who do not meet the indicated course prerequisites will be unable to complete the registration process.** Students who have met the requirements for the course through other methods such as transfer courses and/or experience should contact the department offering the course or submit a waiver request form. For a copy of this form or more information about waiver guidelines, visit the [Waiver webpage](#). Waiver requests require one to three business days to process. See the *Course Index* for department office locations and phone numbers.

Registration Information

Visit the StarZone on the 2nd floor of the Gannon Building or call 517-483-1200, option 2

New, Current and Returning Students

All registration for new, current or returning students should be done online. To register, visit the [Register for Classes webpage](#) and follow the instructions.

Before registering, see *The Center for Academic & Career Pathways* section for important information.

Students needing assistance in registering for a User ID or accessing their account on the web should contact the LCC Help Desk at 517-483-5221 or via email at lcc1@lcc.edu.

Proof of Residency

Lansing Community College verifies the residence of each student each semester by mailings sent to the current address the student has on file with the college. Residency status may be adjusted for those students whose mail is returned to the college from their current address on file. Students are responsible for knowing and understanding their residency status and must provide proof of residency if petitioning for a change of residency. Lansing Community College reserves the right to make the final decision on residency eligibility.

Please see the residency policy at the [Resident Tuition webpage](#)

Student Identification Cards (StarCard)

New students registering at LCC should have their identification pictures taken for their StarCard after registering for classes. The StarCard serves as a student photo ID card, LCC Library card, and computer lab access card.

How do students get a StarCard?

Students must be currently registered for classes before receiving a StarCard. Please bring a picture ID (driver's license, passport) for identification verification, a copy of your class schedule, along with your student number and username to assist issuing of your StarCard.

StarCards are available at the StarZone located on the 2nd floor of the Gannon Building during our normal business hours.

The fee to replace a lost, stolen, or damaged StarCard is \$15 and may be requested at the StarZone.

Parking

All full-time and part-time students have access to convenient parking that is provided by LCC. Parking is for use only when on campus for school-related business. LCC parking lots cannot be used when attending to unrelated LCC business such as off-campus employment. Permits are non-transferable and issued to a specific person for use. Parking permits used by someone other than the person to whom it was issued may result in a written violation and/or have their parking permit revoked. Parking on campus is enforced by LCC Police and Public Safety. Officers monitor areas across campus to help ensure the availability of parking and the safety of those entering and exiting parking areas by upholding the parking regulations. Parking permits are issued to LCC students, allowing them to park in the college's Lots, E/S7, S1, S2, S3, S15, S16, S22, S23 and Gannon Ramp at no additional charge. Permits will be mailed in August or you can visit Police and Parking Office after classes begin, Gannon Building, room 2110. Please bring a picture ID (driver's license, passport) for identification verification, a copy of your class schedule, along with your student number and username. For more information, call 517-483-1798 or visit the [Student Parking webpage](#).

Auditing Classes

A class taken as an audit results in no grade or credit for the student and is usually taken for purposes of self-improvement or general interest. Students wishing to audit must meet all prerequisites required for the course and indicate their intention to audit at the time they register for the course. Audited courses cannot be applied toward a degree or certificate and cannot be used to meet prerequisites.

The college allows students to change from credit to audit or from audit to credit by the end of the second week of classes (and other equivalent dates as specified for variable length courses). Students electing to change from audit to credit are responsible for having course work up-to-date at the time the change is made. Changes from credit to audit through the end of the second week for 16-week courses (and other equivalent dates as specified for variable length courses) do not require instructor approval. **Students should be aware that exercising this option may have an impact on their financial assistance or on student employment at the college. Any student balance due created by a change in credit or audit status must be paid by the student.** Changes in audit or credit status must be requested by the student through the Office of the Registrar.

Financial Aid

Visit the [Financial Aid webpage](#), the StarZone on the 2nd floor of the Gannon Building, or call 517-483-1200, option 1

LCC School Code 002278

Financial aid is a resource available to assist students with their educational costs. To start the application process, electronically submit the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov.

To ensure financial aid awards are processed in a timely manner:

- Apply by the Priority FAFSA File Date.
- Monitor your Banner account weekly through myLCC.
- Submit any additional information needed by the Priority Document Submit Date.

Eligibility Requirements

To receive federal financial aid, a student must:

- Have earned a High School Diploma, GED or be a Homeschooled graduate.
- Be taking courses leading toward an eligible program of study.
- Be a U.S. citizen or eligible non U.S. citizen.
- Have a valid Social Security Number.
- Be registered for Selective Service, if required.
- Be making Satisfactory Academic Progress (SAP).
 1. Cumulative GPA of a 2.0 or better in all courses attempted.
 2. Cumulative completion ratio of 70% or better of all courses attempted (withdrawals, incompletes, audits, transfer credits, repeated courses, and all attempted courses are reflected in this calculation).
 3. Completion of the declared program of study within the maximum timeframe permitted.
- Not owe a refund on a federal grant or be in default on a federal educational loan.
- Not be receiving financial aid at another institution concurrently.

Financial Aid Supply Advance and Book Voucher

Students who have authorized aid greater than tuition, fees, and other institutional charges will receive a maximum of a \$250 Supply Advance which will be sent to the student's selected refund preference through the TouchNet Student Account Center and a maximum of a \$600 Book Voucher which allows students the option to purchase books at MBS Online Bookstore.

Financial Aid Disbursements and Refunds

Financial aid will disburse to the student account during the third week of the semester. Students should refer to their Banner account for specific dates of when their financial aid will be disbursed. Important: Federal Direct Loan funds are disbursed in two installments each semester with the second disbursement occurring after the midpoint of the semester.

After the financial aid funds are disbursed to the student account, the student will receive a financial aid refund. The amount of the refund is determined by subtracting the amount of aid disbursed to the student account from the amount credited on the student account for tuition, fees, Supply Advance, Book Voucher and other institutional charges.

Stay Informed

Students are expected to stay up-to-date on the status of their financial aid by:

- Accessing myLCC and checking their Banner account at www.lcc.edu/student.
- Checking their LCC e-mail account.
- Reviewing the LCC [Financial Aid webpage](#).
- Referring to the Financial Aid Home Page for Important Dates.

Office of Veteran & Military Affairs

Call 517-483-5246 or visit the [Veteran webpage](#)

The Lansing Community College Veteran & Military Affairs provides specialized services, support and information to assist students in establishing eligibility for and receipt of VA education benefits. Our office assists in the submission of applications and supporting documents as well as certifying and reporting enrollment information to the VA to facilitate the receipt of benefits by eligible students. Benefits are for active duty, veterans, reservists, spouses and dependents. We can also assist students in obtaining reduced child care costs, gaining college credit based on military training and experience, and employment opportunities throughout the Lansing Area. Our office also provides a Veteran Resource Center (VRC), available to all veterans, current service members, and spouses/dependents of veterans, which includes study rooms, a computer lab, tutoring room, and veteran lounge area. The lounge area comes complete with snacks, drinks, a large screen TV, a pool table and video game consoles. Through the VRC, counseling and academic advising services for veterans are available as well. Located in the Huron Building, HB 101, lcc-veteran-affairs@lcc.edu, 517-483-5246.

State and Federal Laws

Protect the Privacy of Your Records

Providing a Social Security number to the college is voluntary. An individual's Social Security number will be used for keeping records, doing research, and reporting purposes. If students choose not to use their Social Security number, they will not be denied admission to the college. However, they may be denied certain services such as access to some financial assistance and tax reporting. The number may be used for the following:

- Identify and maintain student records at LCC
- Determine or verify eligibility for services, certify attendance, and report student status
- Maintain LCC databases and/or other financial aid programs
- Tax reporting purposes

Students will be assigned an ID number and username which they will need to access LCC records about themselves or to obtain services. Please read the statement under the Student Identification Cards section, which describes how student ID cards are to be used.

LCC complies with the Family Educational Rights and Privacy Act of 1974 which regulates the release of Social Security numbers and other personally identifiable information from educational records.

LCC Records Policy

Lansing Community College shall not distribute student lists to non-college agencies except as required by law. In compliance with the Family Educational Rights and Privacy Act of 1974, Lansing Community College provides the following information:

1. Students and/or a parent of a student, if the student is a dependent, have the right to access, inspect, and review all educational records directly related to the student. Upon presentation of pictured identification and a written request from the student to the Registrar in the StarZone on the 2nd floor of the Gannon Building, access to all educational records shall be provided within a reasonable period of time (not to exceed 45 days from the date the request is submitted).
2. Educational records include all information maintained by the College which is directly related to the student with the exception of:
 - a. Financial records of the student's parents.
 - b. Confidential letters of recommendation prior to January 1, 1975.
 - c. Confidential letters and recommendations associated with admissions, application for employment, or receipt of an honor or honorary recognition to which students have waived rights of inspection and review.
 - d. Educational records containing information about more than one student. However, the College must permit access to that part of the record which pertains only to the inquiring student.
 - e. Reports made by physicians, psychiatrists, or psychologists in connection with their treatment.
 - f. Records of instructional, supervisory, administrative, and certain educational personnel which are in the sole possession of the originator.
 - g. Records of the law enforcement unit of the College if compiled for law enforcement purposes.
 - h. Records which relate exclusively to individuals in their capacity as College employees.
3. Directory information may be released at the discretion of College officials for any student who has not submitted a completed Request to Prevent Disclosure of Directory Information form to the Registrar's Office. The disclosure prevention form remains in effect until the student provides a written release to the Office of the Registrar. Directory information includes but is not limited to:
 - a. Name of student
 - b. Dates of attendance
 - c. Enrollment status
 - d. Awards, degrees, or certificates received
 - e. Participation in officially recognized activities
 - f. Sport, weight, and height of members of athletic teams
 - g. Previous educational agency or institution attended
 - h. E-mail address

Copies of the Request to Prevent Disclosure of Directory Information form and the Family Educational Rights and Privacy Act are available upon request in the Registrar's Office and the Office of the Dean of Student Affairs Division.

4. Lansing Community College prohibits the release of personally identifiable information other than directory information from educational records without the student's written consent. Exceptions to this statement are listed below:
 - a. Academic and administrative officials, staff, and persons who have entered into a partnership or contract with Lansing Community College and whom the college has determined to have legitimate educational interest. Officials are defined as faculty, administration, support and professional employees, sworn officers of the police and public safety department as part of an investigation and other persons who manage student record information. An official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

- b. Other educational institutions in which the student is enrolled or intends to enroll.
- c. Individuals and organizations who provide financial aid or scholarships to the student.
- d. Authorized representatives of the Comptroller General of the United States, the Secretary of the Department of Health and Human Services, the Department of Veterans Administration, the Department of Education, and administrative heads of state and federal educational agencies authorized by law.
- e. Accrediting organizations to carry out their accrediting functions.
- f. Appropriate authorities in compliance with judicial orders and pursuant to lawfully issued subpoenas. The student shall be notified of any such orders or subpoenas unless the subpoena or order prohibits notification by the College. The College shall comply with the subpoena ten (10) days after an attempt to notify the student of the request.
- g. Appropriate parties in an emergency if knowledge of the information is necessary to protect the health or safety of the student or other individuals.
- h. Parents who have established the student's status as a dependent according to Internal Revenue Code of 1954, Section 152.
- i. An alleged victim of any crime of violence of the results of any disciplinary proceeding conducted by the College against the alleged perpetrator of the crime.
- j. Military recruiters for the purpose of federal military recruiting as stated in Public Law 104-206, Section 509(2).

Lansing Community College will maintain a record of each disclosure of identifiable information from the external individuals or agencies listed above. The record will be maintained in the Registrar's Office and will include the date, the name and address of the requesting party, the information requested, and the reason for requesting the information. The College reserves the right to correct any error made on an academic record or evaluation and will notify the student in writing of any record or evaluation correction. Staff of the college are subject to the requirements of the Family Educational Rights and Privacy Act of 1974, as amended.

Students have the right to request correction or amendment of information on educational records that are inaccurate, misleading or which violate privacy rights. Due process procedures for requesting correction or amendment to educational records are stated in the online College Catalog. Visit the [Catalog Student Appeals webpage](#). Students who feel their rights under the Family Educational Rights and Privacy Act have been abridged may file complaints with the Family Policy and Regulations Office, U.S. Department of Education, Washington, D.C. 20202.

Directory of Campus Services

Various resource, program and service areas at Lansing Community College are listed below. For long distance calls dial 1-800-644-4522. Use area code 517 unless otherwise noted. In addition to calling for assistance, details are available online at lcc.edu. To view more information, go to the keyword search on the LCC home page and

enter the name of the area you're interested in or to view the entire directory enter Service Directory in the keyword search.

Former Academic Resource Center, Math Assistance and Tutorial Services are combined in the Learning Commons.

We're available 24 hours a day, seven days a week.

From any campus phone:

- Non-emergency dial 1800
- Emergency dial 911

From off-campus phones:

- (517) 483-1800

Officers can also be called to escort you to your car or from building to building.

This document is for informational purposes only and is not to be construed as a binding offer or contract between the college and the student. This document is subject to change without prior notice. The listing of the instructors' names in the semester class schedule is for informational purposes only and does not constitute a contract of employment or offer to employ any named instructor. Instructional assignments are subject to change in accordance with college policies as needs of the college may require. The college reserves the right to cancel classes which do not have sufficient enrollment. Students enrolled in classes which are cancelled will have the opportunity to add another class. Classes may be held in a different room at an off-campus location if there is insufficient space on campus. This document is intended to be used with the Catalog, which provides complete information on courses as well as college regulations and more details on the academic calendar and procedures.

Brent Knight,
President, Lansing Community College

Lansing Community College is accredited by the Higher Learning Commission (hlc.commission.org), a regional accreditation agency recognized by the U.S. Department of Education. Lansing Community College does not discriminate against individuals in its programs or activities on the basis of race, color, sex, age, religion or creed, national origin or ancestry, familial status, disability, pregnancy, marital status, height, weight, sexual orientation, gender, gender identity, genetic information, veteran or military status, or any other factor prohibited by law. The college's discrimination and harassment policies are available at tcc.edu/policy.
