

ARTICULATION AGREEMENT BETWEEN
Lansing Community College
AM in Music
and
Eastern Michigan University
BA in Music

Article I
Agreement on Principle

Eastern Michigan University (EMU) and Lansing Community College (LCC) agree that students who choose to begin their studies at a community college and transfer to a university to earn a bachelor's degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, EMU and LCC agree to enter into this articulation agreement to facilitate the completion of the AM in Music at LCC and the BA in Music at EMU. Both parties enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II
Agreement on Program Specifics

EMU and LCC agree that interested students may transfer the course credits indicated on the attached articulation guide toward a BA in Music at EMU. Under this agreement, EMU students may transfer in credits and will be required to complete a minimum of 60 credits at the upper level with a minimum of 30 credit hours must be completed in courses offered by EMU, of which 15 hours must be in major/program requirements at the 300-level or above. A minimum of 120 total credits is required to graduate. Of the last 30 credits completed, a minimum of 10 credits must be completed at EMU.

To use this agreement students must apply and be admitted to EMU and to the School of Music and Dance. LCC students will receive equal consideration with other students seeking admission and financial aid.

The Michigan Transfer Agreement (MTA) requirements may be completed at the most appropriate time for the student whether before or after admission to EMU. If already on the transcript, the MACRAO designation will be accepted at EMU after summer semester 2019. Students who have not satisfied the MTA or MACRAO agreement must complete EMU's General Education Requirements as applied to transfer students. All other EMU graduation and program requirements must be satisfied whether by transferred courses, EMU courses, or approved substitutions or waivers.

For the purpose of this articulation agreement, both LCC and EMU agree to accept transferable courses from each other and from other regionally accredited institutions. Articulation guides will be provided to assist students in completing the articulated program of study. Each institution will determine the satisfaction of their individual program and degree requirements. LCC courses indicated with an * on the articulation guide are required for EMU's program. Any substitutions for these courses must be approved by the EMU program coordinator if not already stated in the agreement. In the case of a student who has accumulated credits before declaring this program, every effort will be made to maximize the use of credits already completed. All students using this agreement will be encouraged to complete an associate degree, although it is not required. Students will be informed of reverse transfer

opportunities. Disputes regarding the transfer of courses may be appealed to the EMU Provost by contacting the Office of Community College Relations 734.487.6577.

Article III

Agreement on Communication

EMU and LCC agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students and both institutions will provide counseling and advising to students and prospective students. EMU will provide transfer student performance data to LCC officials annually through the Community College Transfer Student Report.

Article IV

Maintenance and Review Procedures

At least one administrative or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Associate Vice President of Academic Affairs at LCC and the School Director of Music and Dance at EMU. Both parties agree to communicate annually any changes in their respective programs that may affect this articulation agreement.

Effective Date: September 1, 2022 until August 31, 2025.

This agreement is consistent with the 2022-2023 catalog. Students have until summer 2030 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years, they may be required to have their credits reevaluated using the requirements of the current articulation guide.

Lansing Community College – AM in Music Transfer
Eastern Michigan University – BA in Music

Transferring to EMU Music BA

1. **Apply online:** <http://www.emich.edu/musicdance/apply/>

You will need to apply to the university, and to the School of Music & Dance

2. **Audition information:** <http://www.emich.edu/musicdance/music/application/undergrad.php>

Pro tip: make contact with the EMU professor for your instrument or voice to ask for advice about how to prepare for the audition. The professor can be an advocate for you! Your Audition will determine whether you are both accepted into the School of Music and Dance on your primary instrument and at what level you should be placed. This serves the same function as our gateway jury for current EMU students who must pass their gateway jury to advance to upper-level applied lessons.

3. **Music Theory Entrance Exam:** <http://www.emich.edu/musicdance/apply/musictheoryexam.php>

The faculty have provided lots of tools to help you prepare for this exam.

4. If you have had college-level music theory classes, you may elect to take the **Music Theory Advanced Placement Exam:** <https://www.emich.edu/music-dance/music/apply/theory-exam.php>.

The faculty have provided detailed information about what is covered in each of the four semesters of undergraduate music theory courses. To review, you may want to ask your former music theory teacher for advice.

This exam takes place on School of Music and Dance audition dates. The Music Theory Advanced Placement Examination may be taken only one time. Transfer students who elect not to take the Music Theory Advanced Placement Examination are required to take the Music Literacy Assessment on their Audition Day. The Advanced Placement Examination will be used to place students in the appropriate level of Music Theory/Aural Skills based on the test score.

Your Audition will determine whether you are both accepted into the School of Music and Dance on your primary instrument and at what level you should be placed. This serves the same function as our gateway jury for current EMU students who must pass their gateway jury to advance to upper-level applied lessons.

5. **Piano Placement Exam:** <https://www.emich.edu/music-dance/music/apply/piano-exam.php>

6. If **accepted**, contact the EMU School of Music & Dance advising coordinator for advising & registration help. Send an e-mail to: emu.music@emich.edu or call: 734.487.4380.
