

Lansing Community College Transfer Guide & Articulation Agreement

The Criminal Justice baccalaureate degree prepares students for a professional career in the Criminal Justice system in Michigan and throughout the country. This **Generalist option** prepares the student to seek federal, state and/or local Criminal Justice agency employment or admission to law school or graduate school, and it gives students an education with a broad focus in Criminal Justice. The program offers small class sizes, usually between 15 to 30 students, and our degreed faculty members have extensive Criminal Justice experience and utilize a pragmatic approach to prepare students for a career in Criminal Justice. The most common positions for graduates of this program are: police officer, corrections officer, community correction officer, probation officer, detective, federal agent, and investigator for a multitude of public and private agencies and/or corporations.

General Admission Criteria

To be admitted to this degree program, students must have earned either a completed Associate degree or at least 48 transferable semester credit hours with a 2.0 cumulative grade point average or higher (2.0 on 4.0 scale) from an accredited college or university. Official transcripts from all accredited colleges/universities must be submitted with the Ferris application. Financial aid is available and may include concurrent enrollment at both institutions.

Delivery Locations

This degree and the Ferris courses are offered to students of Lansing Community College at the following locations:

- Lansing Community College University Center, Lansing, MI
- Ferris State University, Big Rapids, MI
- Select courses delivered online and/or in a mixed delivery format (i.e. a mix of online and face-to-face instruction at either Lansing Community College, the Ferris main campus, or at another off-campus location).

Online Orientation

Students who register for a fully online *course* must first demonstrate competency in Ferris Connect skills. This may be done by taking a tutorial and quiz or by submitting a waiver request (for those who have already taken and passed online courses). First check with the department that offers the class to determine their particular needs regarding registration for online course work and/or your Ferris advisor.

Advising Notes

It is recommended that potential applicants meet with an advisor to review the program and course schedule and to have any questions answered prior to completing an application. **Students who are completing the MACRAO Stamp may have different general education course requirements. Meeting with a Ferris advisor prior to the selection of any electives or general education classes shown above could reduce the chance of completing a course that will not transfer or apply toward the degree.** Once admitted, students continue to meet with an advisor as they work toward graduation.

Indemnification

To the extent permitted by law, Ferris State University and Lansing Community College agree to indemnify and hold one another harmless from any and all claims initiated by student participants, their parents, survivors, or agents, arising from any negligent acts or omission on the part of either institution or any of their employees.

Articulation Agreement

This Agreement shall commence as of the 1st day of November, 2013, and shall continue until terminated by either party. Termination by either party requires ninety (90) days prior written notice. Ferris or Lansing Community College may terminate this Agreement by providing the other party with written notice, by first class mail, of the termination of the Agreement.
