

**INSTITUTIONAL ARTICULATION AGREEMENT BETWEEN
Lansing Community College
and
Grand Valley State University**

**Article I
Agreement on Principle**

This agreement is made on August 7, 2023 between Grand Valley State University (GVSU) and Lansing Community College (LCC) (collectively, the "Parties"). The Parties wish to facilitate the transfer of students who complete an Associate Degree at LCC to a degree program at GVSU. The Parties agree to enter into an Institutional Articulation Agreement (Agreement) to assist students who want to transfer with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. GVSU shall seek approval or review of this Agreement from the Higher Learning Commission as appropriate.

**Article II
Agreement on Program Integrity**

The Parties enter into this Agreement as cooperating, equal partners who shall maintain the integrity of their separate programs. Both Parties are accredited by the Higher Learning Commission.

Each institution will determine the satisfaction of its program and degree requirements. Specific course requirements and transfer credits will be set forth in separate academic pathways, called Program Agreements.

**Article III
Agreement on Program Articulation**

This Agreement is designed for students who follow a prescribed plan of study leading to an Associate Degree at LCC. The credits transferred from the Associate Degree Program will be outlined in separate Program Agreements, a sample of which is attached hereto, and will be included in the total credit hours required for the GVSU degree program.

Students must also meet all other standard admission, curriculum, and graduation requirements of LCC and GVSU. Program Agreements are subject to this Agreement but will be separately developed and maintained.

Students who transfer to GVSU with the appropriate number of credit hours at LCC without the Associate's Degree listed on their transcript will receive notice upon completion of the appropriate number of credit hours at GVSU, asking them to opt-in to a reverse transfer agreement. If students opt in, their transcript will be sent to LCC for reverse transfer review. All correspondence regarding the results of the review will be sent directly to the student from LCC.

Article IV
Agreement on Program Specifics

Program specifics will be set forth by the Parties in separate Program Agreements, which shall incorporate the terms and conditions of this Institutional Articulation Agreement. Program Agreements must be signed and dated by authorized representatives of each institution, in accordance with their institutional requirements, in order to be effective.

LCC and GVSU agree to collaborate, via faculty, administrators, and staff at both institutions, toward the goal of facilitating the development of Program Agreements that will be subject to this Institutional Articulation Agreement.

Students applying to GVSU pursuant to this Institutional Articulation Agreement must adhere to the admission policies and process of GVSU. GVSU will give LCC students who receive an Associate Degree from LCC equal consideration for admission and financial aid as other students who have received Associate Degrees from other institutions, in accordance with all applicable requirements and criteria.

Article V
Agreement on Student Support

GVSU, through the college advising offices, identified in each Program Agreement, and LCC have joint responsibility for advising LCC students regarding GVSU's admission and program requirements.

Each Party agrees to track the progress and success of articulation participants. Each Party's responsibility for this tracking rests with the College or Program identified in the applicable Program Agreement. GVSU will track students who have completed an Associate Degree prior to transferring. LCC will track students who reverse transfer and complete a degree, as well as students who indicate their intent to transfer when they apply at LCC to compare with National Student Clearinghouse data.

Article VI
Agreement on Financial Aid

There is no corresponding financial aid consortium agreement for the Agreement. Program Agreements requiring a financial aid consortium will require an addendum to be developed between the financial aid offices of the Parties and those needed to support the programs.

Article VII
Agreement on Communication

The Parties agree to cooperate in communicating with each other concerning the established relationship between the two institutions and for the purpose of monitoring and enhancing student academic success. Communication may include the development of various kinds of publications to inform those who might benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students, and both institutions will provide counseling and advising to students and prospective students.

Any marketing of this Agreement or Program Agreements is subject to the prior approval of both parties and must comply with Higher Learning Commission requirements. Each institution will assume responsibility for appropriate marketing to reach their respective student and faculty populations.

The Parties will abide by confidentiality requirements set forth in the Family Education Rights and Privacy Act (FERPA) and other applicable laws.

Article VIII
Maintenance and Review Procedures

Responsibility for oversight of this agreement rests with the respective Deans of the programs covered by each Program Agreement. Both Parties agree to communicate annually any changes in their respective programs that may affect this Agreement or individual Program Agreements. These changes should be communicated by January of each calendar year to the respective Deans, LCC 's Registrar's Office, GVSU Registrar's Office, and GVSU's Admissions Office. This will allow LCC to meet annual catalog deadlines and GVSU to update websites accordingly. Each institution retains control over its curriculum, course requirements, program requirements, and degree requirements. Each institution will notify the other of any curricular changes that would affect the courses in an associated Program Agreement or that could affect the future of this agreement.

Article IX
Agreement Regarding Independent Relationship & Indemnification

In the performance of their respective duties and obligations under this Agreement, each party is an independent contractor, and neither is the agent, employee, or servant of the other, and each is responsible only for its own conduct. Each institution is solely responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate a review of this document.

To the extent permitted by law, Grand Valley State University and the Community College agree to indemnify and hold one another harmless from any and all claims initiated by student participants, their parents, survivors, or agents, arising from any negligent acts or omission on the part of either institution or any of their employees.
