Siena Heights Drive, Adrian, MI 49221, with several Michigan degree completion centers and an online center, and **Lansing Community College** located at 409 N Washington Square, Lansing MI, 48933, believe that collaborative programs benefit the community, employers, and students in their regions. 6. SHU and LCC will ensure that they maintain accreditation with the appropriate regional accrediting body and ensure that all operations will be in keeping with accreditation requirements of the two institutions.
7. This agreement will automatically renew unless personnel from LCC and SHU determine that a meeting is necessary to review and/or amend this agreement. Either institution may terminate this agreement at any time by written notice of at least one (1) year in advance of the effective date of termination. Students will be permitted to complete their LCC program and then transfer.
8. SHU and LCC agree to the development of joint promotional and communications efforts to graduates and current students. This may include mailing and email lists as well as on site visits/promotions. Ongoing promotional opportunities will be reviewed and determined periodically as approved between the appropriate representatives at each institution.
