Important Information

The Sallie Mae Parent Private/Alternative Loan is a credit-based loan that parents, family members or other creditworthy individuals borrow to assist students with educational expenses. Sallie Mae will perform final eligibility checks and EFT funds to LCC, if the loan is approved. Students are responsible for their tuition and fees until the funds are received and disbursed to the student account.

Prior to borrowing a Private/Alternative Loan, you should apply for free or lower-cost federal, state, or institutional student financial aid by completing the Free Application for Federal Student Aid (FAFSA). The amount of free or low-cost funds may be reduced if you apply after receiving your Private (Alternative) Loan.

Any balance incurred due to a cancelled Private or Alternative Loan, or failure to endorse your Private or Alternative Loan check will result in a hold being placed on your student account, which will prevent registration for future semesters. It is your responsibility to endorse your check, if required by the lender, even if your loan funds have already been put on your student account.

You may view the status of your Private or Alternative Loan through myLCC.
