Financial Aid Terms and Conditions

As a financial aid recipient, I am responsible for the information contained in this document and on the Financial Aid web pages such as the Consumer Information and Financial Aid Policies. As a financial aid student, I will:

- Monitor myLCC, Banner, and LCC student email account weekly.
- Understand that I consent to using electronic processes to communicate, submit forms and accept or decline loan offers. If I do not wish to use electronic processes, I will notify the Financial Aid Office in writing. If I do this, all documentation must be delivered in person or by mail and I understand I may not fax, email, or use online forms.
- Meet Satisfactory Academic Progress standards to retain my financial aid eligibility.
- Budget financial aid funds, borrow responsibly, and understand my repayment options.
- Be admitted and pursuing an eligible certificate or associate’s degree at LCC. Understand that only courses required for the completion of my program of study are used to calculate my Enrollment Level, which may impact the amount of financial aid received.
- Understand Enrollment Level definitions for financial aid and know that I can review the enrollment requirements for most of my awards by accessing Banner Self Service and clicking on the name of the award on the Award Offers and the Award Overview tabs. Understand that financial aid is only calculated based on credit hours, billing hours cannot be used in determining Enrollment Level.

</table>

- Understand that each semester I must confirm, by accessing TouchNet, that my tuition and fees are covered by my financial aid prior to my payment due date and if I still owe a balance, I must choose a payment plan or pay the remaining balance before my payment due date or risk being dropped.
- Understand how repeated courses, remedial courses and enrollment level changes affect my financial aid eligibility.
  - Attendance: To receive my financial aid, I must begin attendance, continue and successfully complete all coursework. If I fail to begin attendance or successfully complete all courses, I understand that I may be required to repay all or part of the aid received.
  - Repeated Coursework: These are courses that are taken more than once and may not be covered by financial aid.
  - Remedial Coursework: These are courses at the high school level. Financial aid can only cover the first 30 attempted remedial credits.
  - Adding Courses after the Pell Census Date: Regulations require that the enrollment level be locked on the Census Date for Federal Pell Grant recipients. Adding courses on or after this date will NOT increase the Federal Pell Grant amount for the semester.
  - Dropped/Cancelled Courses: Enrollment levels are monitored throughout the semester. If I drop a course or a course is cancelled and my enrollment level falls below the minimum required for each type of award, I may be required to repay all or part of the aid received. It is important to discuss my situation with a representative from Financial Aid and/or StarZone prior to dropping a course.
  - Official or Unofficial Withdrawal: If I withdraw from all of my courses or do not earn at least one passing grade in a semester, my aid will be recalculated. Depending when I withdraw or stop attending, I may be required to repay all or part of the aid received.
- Be aware of the information on the Academic Calendar including LCC’s Residency and Tuition & Fees Refund policies.
- Understand the Disbursement and Refunds process, how eligible students receive a book voucher and supply advance, and that I must select where my financial aid refund will be deposited by choosing my Refund Preference.
- Grant LCC authorization to use my current financial aid funds (grants, scholarships and loans) to pay charges (tuition and fees, book voucher, and supply advance) on my account.
- Agree that financial aid can be used to cover a prior semester’s outstanding charges within the same academic year or up to $200 of the prior academic year’s outstanding charges. If I do not wish this to occur, I must decline in writing to the Student Finance Office ten days before the start of the semester.
- Understand that I must repay LCC for any funds disbursed in error. If a mistake was made, whether by myself, the College, or another agency, federal regulations require that the mistake be corrected.
- Understand that I may only receive financial aid funds from one institution at a time and that if enrolled at two institutions for the same semester, I must inform the Financial Aid Office.
- Notify the Financial Aid Office if I become incarcerated.
- Report additional financial resource(s) not listed on my award letter to the Financial Aid Office.
- Comply with all financial aid policies and signed agreements related to financial aid funds.
