INTRODUCTION
Lansing Community College (“LCC” or the “College”), in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (also referred to as the “Clery Act”), has published this document to provide its current and prospective students and employees with an overview of the College’s resources, current policies, and procedures regarding campus safety and reporting crime that occurs on or near LCC campuses.

A hard copy of this document may be obtained by contacting the LCC Police Department (LCCPD) at 517-483-1800, or in person at the LCCPD Office located at 411 N. Grand Ave., Lansing, MI 48933 in the Gannon Building, Room 2110, at the Downtown Campus. An electronic version of Annual Security Report can be downloaded from the College website.

The College also reports the annual crime statistics contained in this report to the U.S. Department of Education. A searchable database containing those statistics can be found at US Department of Education Campus Safety and Security.

As part of Clery Act Compliance, LCCPD Office maintains a Daily Crime Log. An electronic version of the Crime Log can be downloaded from the College website. A paper copy can be obtained upon request at the LCCPD Office located at 411 N. Grand Ave., Lansing, MI 48933 in the Gannon Building, Room 2110, on the Downtown Campus.

THE CAMPUS
Lansing Community College is a large community college in Michigan, serving more than 14,500 students each year. It offers more than 200 associate degree and certificate programs in addition to career and workforce development and personal enrichment options. The college was founded in 1957 and has since grown from its flagship campus in downtown Lansing to include locations in Delta Township, East Lansing, Mason and Livingston County. LCC is consistently named one of Michigan’s best community colleges, and students enjoy unsurpassed instruction, beautiful facilities, cutting-edge technology and comprehensive support services to help students succeed.

CAMPUS SECURITY & CRIME AWARENESS

LCC POLICE DEPARTMENT & OTHER AGENCIES
Police Enforcement & Authority
LCCPD exists and operates under the laws, rules and regulations of the State of Michigan. LCCPD is the principal provider of safety and security for students, staff, and visitors. It operates 24 hours a day, 7 days a week, 365 days a year, and is committed to providing a safe place to learn and work.

LCCPD consists of police officers, dispatchers, cadets/auxiliary employees, and contracted security.

The Board of Trustees of the College granted the police officers of the College the powers and authority of peace or law enforcement officers pursuant to section 128 of the Community College Act, 331 PA 1966. LCC police officers are certified through the Michigan Commission on Law Enforcement Standards. They are sworn officers and have full arrest powers. They are deputized by the Ingham County Sheriff with full law enforcement authority, on or off college property and within the boundaries of the
Counties of Ingham. They enforce applicable city ordinances, state and federal laws, as well as College policies and procedures.

LCC police officers are charged with public protection. They are also assigned safety inspection of premises such as defective lighting, inoperative doors or locks, broken sidewalks, steps and handrails, and any conditions that might negatively affect one’s personal well-being. Most often, they assist with battery jump starts, vehicle unlocks, parking assistance, escorts, room unlocks, after-hours building access, accidents, injuries, medical emergencies, concerning behaviors, select college policy violations, campus related crimes, and general requests for assistance from students, employees and guests. Major offenses, such as, but not limited to rape, murder, and robbery are handled by LCCPD, unless mutual aid is requested.

A dispatcher or LCC Police Officer is available 24 hours a day to answer emergency and non-emergency phone calls to coordinate the response of LCC police officers or those of other law enforcement agencies to reported incidents. Dispatchers do not have arrest authority.

Cadets/Auxiliary employees are part-time employees of LCCPD. They patrol the Downtown Campus and have direct interaction with students, employees, and visitors. They assist with surveillance and patrol campus grounds and provide customer service to students, employees and the general public. They report incidents to a sworn police officer and the sworn police officer will take appropriate police action. They do not have arrest or enforcement authority.

Additionally, LCC has contracted Uniform Security Officers. The primary purpose of the Uniform Security Officers presence is to provide a visual deterrence against any criminal activity, damage, vandalism, or theft. Uniform Security Officers do not have arrest or enforcement authority.

**JURISDICTIONS OF LCC CAMPUSES**
For the purposes of the Clery Act, the patrol jurisdiction of the LCCPD consists of all property owned, leased, operated, or under the control of the College. The jurisdiction also includes all public property immediately adjacent to LCC campuses. LCC police officers have authority and the responsibility of being the primary policing agency for the Downtown Campus and West Campus.

The following campus locations are policed by the local police jurisdictions listed below.

WORKING RELATIONSHIPS WITH LAW ENFORCEMENT & MEMORANDUM OF UNDERSTANDING

LCCPD maintains direct radio communication with all law enforcement agencies in the Tri-County Area (Ingham, Eaton and Clinton Counties). The LCCPD maintains a strong working relationship with state and local police agencies, including Lansing Police Department, Eaton County Sheriff, Meridian Township Police Department, Livingston County Sheriff, and Ingham County Sheriff.

LCCPD has access to the Law Enforcement Information Network (LEIN) and National Law Enforcement Telecommunications Network (NLETS) terminals. Through the use of these computer database systems, police personnel can access information on criminal history, nationwide police records, driver license, vehicle information number (VIN), and firearm licenses and permits. These systems also provide LCC Police with access to important broadcasts on issues such as stolen vehicles, as well as other local, state, and federal law enforcement information. LCC Police monitors radio communications of law enforcement agencies whose jurisdictions are adjacent to our campuses for information about incidents that affect the College. LCC Police will investigate any such incidents.

LCCPD sends requests to all law enforcement agencies that have jurisdiction for the non-campus properties for information about any reported crimes at those locations. If information is provided by another jurisdiction, an assessment is performed to ascertain the need to issue a timely warning.

LCCPD maintains a cooperative relationship with other law enforcement agencies. LCCPD assists other law enforcement agencies when mutual aid is requested. Through coordination with these law enforcement agencies, the criminal activities of students at off-campus events or locations are monitored.

Meetings are held with local law enforcement agencies on a formal and informal basis and as needed. In some instances, LCCPD may request mutual aid assistance from other law enforcement agencies that are better equipped to handle the investigation of certain crimes.

LCCPD does not have a written Memoranda of Understanding pertaining to the investigation of criminal incidents, with other local law enforcement agencies; nonetheless, the department maintains a strong relationship with law enforcement agencies for response to or investigation of crimes.
RECOGNIZED STUDENT ORGANIZATIONS & MONITORING OF ACTIVITIES
LCC has Recognized Student Organizations (RSO) but does not own or control housing facilities or other property outside of the LCC campuses. Therefore, local law enforcement and LCCPD do not monitor and record criminal activity of RSO at non-campus locations.

RESIDENTIAL FACILITIES
With the exception of the residence of the President of the College located on LCC Downtown campus, the College does not have other residential housing or residential facilities.

CAMPUS FACILITIES – ACCESS & SECURITY
LCC is a public college and its facilities are accessible to the community subject to certain restrictions detailed below. The College is an open environment with limited constraints to ensure reasonable protections of all members of the community. All buildings with the exception of Livingston Center, are equipped with an automated card access control system on the exterior doors that are used by employees and students with specific access to buildings. The academic and administrative buildings can be accessed during open hours by using student or employee ID cards. Individuals without authorized cards can contact LCCPD for access. Facilities have individual hours that vary at different times of the year. For public events such as athletic events, orientations, etc., access points are monitored by contracted security officers or LCCPD. During non-business hours, access to all College facilities is controlled by key access or by LCCPD admittance.

SECURITY CONSIDERATIONS USED IN THE MAINTENANCE OF CAMPUS FACILITIES
LCCPD reviews and improves its security and safety policies and procedures on a regular basis. Annually, the College completes a facilities assessment as a part of the 5-year capital outlay plan submitted to the State of Michigan. The assessment is reviewed and revised with attention paid to physical security as well as the personal security of students, employees, and visitors.

LCC maintains campus facilities in a manner that minimizes hazardous and unsafe conditions. Parking lots and pathways are illuminated with lighting. LCCPD works closely with facilities to address burned out lights promptly as well as malfunctioning door locks or other physical conditions that enhance security. Reporting equipment problems to LCCPD or to facilities is encouraged by all members of the LCC community.

Police officers patrol the Downtown and West campuses and perform security checks and foot patrols at East and Mason Aviation and Livingston campuses. Officers look for safety problems such as defective lighting, inoperative doors or locks, acts of vandalism, broken sidewalks, steps and handrails, and any other conditions that might impact security and safety. Safety and security related maintenance work orders are given the highest priority.

CAMPUS SECURITY AUTHORITIES
Campus Security Authorities (CSA) as defined under the Clery Act are individuals to whom students and staff may also report alleged criminal activities. CSA’s have an obligation to report allegations of crimes that are defined under the Clery Act to LCC Police Department or other law enforcement agencies mentioned in this report. In addition to LCC police officers, CSAs include any LCC official who has
significant responsibility for student and campus activities, including but not limited to student discipline, and campus judicial proceedings.

The intent for including non-law enforcement personnel as CSAs is to acknowledge that many individuals, and students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus affiliated individuals. Individuals should report crimes to LCCPD or CSAs for the purposes of having the incident assessed for a timely warning notice and for the purpose of annual statistical disclosure. Crimes may be reported confidentially to CSAs for inclusion in the Annual Security report. CSA’s will then transmit the information to LCCPD for inclusion in the crime log. Any crime that occurred on or around College property may be reported to the following CSA’s:

- LCC Police Department Office: 517-483-1800
- Dean and Associate Deans of Student Affairs: 517-483-1452

- Human Resources Department: 517-483-1870

The above is not an exhaustive list of all CSAs of the College.

REPORTING CRIMINAL ACTIVITY & EMERGENCIES

To facilitate the College’s commitment in maintaining a secure and positive learning environment, students, staff, and visitors are encouraged to accurately and promptly report to LCCPD or other law enforcement agency all crimes, suspicious activities, emergencies, and public safety incidents, including when the victim of a crime elects to, or is unable to make such report.

To report a crime or an emergency call LCCPD at 517-483-1800 or dial 911 from a campus telephone. Dispatchers or LCC Police Officers at LCCPD Office are available 24 hours/day, seven days/week to answer calls. Calls made to 911 from a cellular telephone or non-campus phone will be sent to the local 911 dispatch center. The 911 dispatch will then relay the information to the LCC Police.

To report a non-emergency, contact LCCPD at 517-483-1800.

RESPONSE TO REPORTS

Crimes should be reported to LCPD, Title IX Coordinator, or Campus Security Authorities (CSA) to ensure inclusion in the annual crime statistics and, when appropriate, to provide timely warning notices to the community.

LCC Police Department Response:

In response to a call, LCCPD will take the required action based on the situation. LCCPD will either dispatch an officer to scene, or will explain to the complainant how to file an incident report. LCC officers will investigate a report when it is deemed appropriate. If assistance is required from other law enforcement agencies or fire/EMS department, LCCPD will contact the necessary unit. Criminal offenses are referred to the Prosecutor’s Office and/or City Attorney’s Office for disposition as deemed appropriate.

LCC Police reports involving students and relative to student violations of Title IX, Student Code of Conduct, and Behavioral Intervention are forwarded to the Office of Student Compliance for review and potential action. LCC police officers will initiate an investigation when it is deemed appropriate. Additional information obtained through an investigation will also be forwarded to the Office of Student Compliance.

In response to a report, a CSA will report Clery crimes to the LCCPD by using the CSA Incident Report located at on the College website or by calling 517-483-1800 for timely inclusion in the crime log and to be evaluated for timely warning notifications.

If a sexual assault occurs, LCCPD will inform the complainant and the respondent of available support services. LCC has counselors on staff for students and an Employment Assistance Program (EAP) for employees.

Crimes should be reported to LCCPD, Title IX Coordinator, or primary Campus Security Authorities (CSA) to ensure inclusion in the annual crime statistics and, when appropriate, to provide timely warning notices to the community.

LIMITED VOLUNTARY CONFIDENTIAL REPORTING & CONFIDENTIAL REPORTING

Confidential Reporting – Anyone who is a victim of a crime and does not want to be identified may make a confidential report with LCCPD. LCCPD will take a report of the details of the incident without revealing the identity of the reporter. The purpose of the confidential report is to comply with the wish of the reporter to keep the matter confidential, while taking steps to ensure the future safety of the College community. With such information, the College can keep an accurate record of the number of incidents involving students and employees; determine where there is a pattern of crime regarding a particular location, method, or assailant; and alert the campus community to potential danger. Reports of crimes are filed in this manner are counted and disclosed in the annual crime statistics for the College. To report a crime, call 517-483-1800.

Limited Voluntary Confidential Reporting – Unlike confidential reporting where LCCPD acts as the reporter, under the limited confidential reporting mechanism the victim and witness information is withheld from the public domain of police reports. With such information, the College can keep an accurate record of the number of incidents involving students and employees; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports of crimes are filed in this manner are counted and disclosed in the annual crime statistics for the College. To report a crime, call 517-483-1800. It is important to understand the College may be required to investigate and take reasonable action in response to the information provided. It is also important to understand that filing a report confidentially may limit the College's ability to respond to a complaint.

It is noteworthy that under certain circumstances LCC Police cannot legally withhold reports of crime on the basis of confidentiality. An example of such a situation is for a crime involving sexual violence where the College is required to report the information to the Title IX Coordinator.

PROFESSIONAL COUNSELORS & PASTORAL COUNSELORS

The Clery regulations clarify those considered to be Campus Security Authorities. Campus “Pastoral Counselors” and campus “Professional Counselors,” when acting as such are not considered to be Campus Security Authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics.

The Clery Regulations define “counselors” as the following:
Pastoral Counselor
A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor. LCC does not employ Pastoral Counselors.

Professional Counselor
A person whose official responsibilities include providing mental health counseling to members of the institution’s community and who is functioning within the scope of their license or certification. Professional Counselors are required to inform those they counsel of the procedures for reporting crimes voluntarily and confidentially for inclusion in the College’s annual crime statistics.

LCC counseling services are free to all currently enrolled students. LCC state-licensed, professional counselors help students manage stress, personal loss, relationships, substance abuse, family matters, and provide support for all circumstances and stressors that affect a student’s academic performance. The information counselors receive is considered privileged. The only exception of confidentiality is if an individual discloses, they are in imminent danger to themselves or threatening to harm someone else. In these cases, a report will be filed with the Behavior Intervention Team (BIT), which includes members of the LCCPD.

If and when they deem it appropriate, counselors inform students of the procedure to report crimes on a voluntary, confidential basis. Additionally, students who work with the professional counseling staff are required to sign an informed consent document that explains: “LCC counselors are not required to file a police report if we become aware that you have been a victim of sexual assault, domestic violence, or any crime, however you certainly have the right to file one yourself and may request assistance in doing so with LCC’s Police Department (517-483-1800).”

DAILY CRIME LOG
The LCC Police Office maintains a Daily Crime Log for the purpose of recording criminal incidents. Reported crimes are placed into the Daily Crime Log within two business days after the crime has been reported to LCCPD. The Daily Crime log contains the date/time the crime occurred, the date/time the crime was reported, the nature of the crime, the general location of the crime, and the status/disposition of the complaint, if the disposition is known at the time the log is created. The log for the most recent 60-day period is available on the LCCPD website. Additionally, the log is open to public inspection, upon request, during normal business hours at the LCCPD Office (Gannon Building Room 2110, 411 N Grand Ave, Lansing, MI 48933). Any portion of the log within the last seven years that is older than 60 days can be made available within two business days of a request for public inspection.

Information may temporarily be withheld from the Daily Crime Log if there is clear and convincing evidence that the release of the information would jeopardize an ongoing investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence. The information must be disclosed once any of the adverse effects described above are no longer likely to occur.
Communication Regarding Campus Crimes & Safety

ALERT SYSTEMS

To keep the College community informed of emergency situations the College employs several alert systems listed below. These methods of communication allow LCC to send out information like timely warnings, emergency notifications, and public safety notices. Please see the emergency communications webpage for the most recent information.

Public Address Systems:

Systems contain automated emergency notification messaging for a fire or evacuation, and some systems also support spoken, unscripted messaging.

- Downtown and West campuses - The College utilizes the Siemen’s Fire system, which includes a public address (PA) feature. The public address system is accessible to the LCCPD via the Dispatch center. The LCCPD dispatcher is able to send an “all campus” PA announcement to the West and Downtown campuses, separately or simultaneously. It is also possible to use the PA system to separately address individual buildings on the Downtown Campus. The PA system will automatically announce a prerecorded fire evacuation message whenever the fire alarm is activated. The evacuation message can be overridden by LCCPD dispatch with a live PA announcement when needed. West Campus also has an external “Big Voice” PA system initiated within the LCCPD office on the West Campus. There are pre-recorded announcements available and the capability for live emergency notifications with the ability to reach the entire outdoor campus property and beyond when necessary. This capability was recovered and tested in the past year-academic year.
- The Downtown Campus has an outdoor bell tower with PA announcement capabilities which ties into the Siemens PA system at the push of a button.
- Mason Aviation Campus - The Deputy Incident Commander or designee, is charged with using the building PA system (Siemen’s Fire Systems) to broadcast notification to the Mason Aviation Campus. If the fire pull is activated, the PA system automatically sounds and signals.
- East and Livingston Center campuses - East and Livingston Center Campuses use SA Announce to provide PA announcements from and to the Cisco VoIP telephone system.

LCC Emergency Alert System (LCC-EAS), driven by RAVE Mobile Safety

- The LCC-EAS is used to alert people to a current or imminent threat, emergency incident, or urgent situation (e.g., power outage in a building, criminal incidents or activity, weather emergencies.
- A notification can be sent to any designated email, any text capable cell phone, and/or text-to-voice audio. LCC students and employees are automatically opted-in to receive alerts. Student and employee contact information is updated daily from the Banner ERP System. If there is a problem with receipt of messages, employees and students are encouraged to contact the Help Desk (517-483-5221 or lcc1@lcc.edu) for resolution or check their current profile details at http://www.getrave.com/.
- Anyone in the community can register for LCC-EAS, by accessing RAVE at http://www.getrave.com/ and specifying Lansing Community College.
- Notifications can target selected groups.
- LCC scripted emergency notifications for the most-urgent situations, such as active violence, immediate evacuation, or-tornado warning are available to be sent via text, email, and text-to-voice. The same templates can also be used as live PA message scripts.
College Website/Digital Signs/Social Media

It is possible to extend messaging to the LCC website, to College-wide digital signs, and to the LCC Twitter and Facebook accounts when the situation warrants. The Director of Public Relations, as a part of the Incident Command Team, works closely with the LCC Webmaster and Information Technology Services (ITS) to activate these methods when determined necessary by severity or urgency of the incident.

Public Relations – college external communications

- If notification needs to be made to individuals and/or organizations outside the College community such as local media outlets, communication will be made via Public Relations, as a part of the Incident Command Team, as deemed appropriate.

College internal email and newsletters

- Emails
- The college uses its weekly or special operations email to all employees.
- The Star is a news webpage for employees, with a weekly, newsletter component that is emailed to employees. It contains general college announcements, including emergency preparedness messaging, safety reminders and upcoming related events.
- The Top 10 is a monthly, official newsletter emailed to students. It captures important news including emergency preparedness and safety information. It also has a presence at lcc.edu/students, under “News You Can Use.”

Face-to-Face

Face-to-face notification is possible. If any alert system fails or the College deems it appropriate, in person communication may be used to communicate an emergency.

All members of the College community are reminded through this Annual Security Report that they are required to notify LCC Police by calling 517-483-1800 of any situation or incident on campus that involves a significant emergency or dangerous situation which may involve an immediate or ongoing threat to the health and safety of students and employees while on campus, even if they have already reported it to a local law enforcement agency.

The purpose of an emergency notification is to provide timely urgent notification to all students, employees, and visitors of a threat, occurring or imminent that poses an immediate danger to their health, safety, or general welfare while on campus. LCC will notify the campus community without delay upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to health or safety of students or staff occurring on campus.

The process of issuing an emergency notification begins by confirming there is a significant emergency or dangerous situation is currently occurring on or imminently threatening the campus. LCCPD may receive information from various sources including from the public, campus security authorities, security technologies, and local law enforcement agencies. When there is confirmation of an immediate threat affecting the health and safety of the campus community, LCCPD consults with Incident Command Group (ICG) to issue an emergency notification without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system; unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or contain, responded to, or otherwise mitigate the emergency.

Emergency Notifications will be sent for situations including, but not limited to:

- Active Violence
- Fire on Campus
- Explosion/Gas Leak
- Tornado Warning
- Credible Threat (Bomb or other)
- Hazardous Material Spill
- Suspicious Death
- Serious Disease Outbreak

The Emergency Notifications are composed and issued by a member of the ICG: Incident Command (Executive Director of Administrative Services, Emergency Management Director, and/or Remote Campus Coordinator), Public Information Officer, and/or the LCC PD. Depending on the circumstances the Safety Officer may participate in decision making process. There are scenarios where an immediate alert is necessary, and consultation with the ICG may not occur. In these cases, Police Dispatch and on
duty Police command staff have the authority and capability to send emergency notifications. Orders to evacuate, lock-down, shelter in place, etc. may need to go out urgently.

The content of the Emergency Notification is based on the information available at the time of the issuance. The message will be developed to ensure that the following are considered and communicated:

- nature of the incident
- location
- protective measures to take
- names of individuals involved will be withheld from these notifications

As more information becomes available, and/or when the emergency is over, follow up messages will be issued.

Emergency Notifications will be issued via the College’s Emergency Alert System (EAS). These EAS notifications are sent by email, text message, and text-to-voice. The College community may also be notified using the Public Address Systems, the College website, social media, local media outlets, and face-to-face communication. In some cases, a Public Address (PA) announcement will follow or take place prior to the emergency notification. If a fire alarm pull is activated the automated PA announcement will play immediately and automatically.

The LCCPD and ICG will determine who will receive an Emergency Notification. The entire College will be notified when there is at least a potential that a very large segment of the College community will be affected by a situation, or when a situation threatens the operation of the College as a whole. The College has the ability to send segmented emergency notifications for cases where the situation is geographically localized to only users on a particular campus, through the EAS. In the case of an EAS outage, all efforts will be made using other available resources such as: reaching out to local and state emergency alert systems.

If notification needs to be made to individuals and/or organizations outside of the College community then communication will be initiated by the Public Information Office, in coordination with ICG, as deemed appropriate using the website, digital signs, news releases and/or press conferences.

If an emergency notification is sent that also qualifies as a timely warning, a separate timely warning alert will not be sent since the emergency notification will suffice.

**Timely Warning**

Email banner for LCC Timely Warnings

A timely warning is an alert to be sent when Clery crimes have been reported to a campus security authority or law enforcement and the crime(s) pose a serious or ongoing threat to the campus.
community. Timely warnings decisions are sent out for these crimes occurring on LCC designated Clery geography.

The LCC PD is responsible for corroborating all Clery crime reports and monitoring for patterns in crimes that would warrant issuing a Timely Warning. Timely Warnings are issued for the following crime classifications:

- Criminal Homicide
- Sexual Assault
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson

If the crime is determined to be a Hate Crime, Timely warnings will be issued for all of the crimes listed above, and:

- Larceny/Theft
- Simple Assault
- Intimidation
- Destruction/damage/vandalism of property

The LCCPD Chief of Police and/or designee will notify the ICG of any of the above crimes. The decision to issue a Timely Warning will be made by LCCPD in consultation with the ICG, the President and/or Senior Vice Presidents. LCCPD and ICG also determine the message content. These alerts will include nature of the incident, timeframe of occurrence, location, and protective measures to take. Other information may be included such as prevention tips and how to report similar occurrences. In all cases, the names of any and all victims will be kept strictly confidential.

Timely Warnings are composed and sent by a member of the ICG: Incident Command (Executive Director of Administrative Services, Emergency Management Director, and/or Remote Campus Coordinator), Public Information Officer, and/or the LCCPD. Depending on the circumstances the Safety Officer may participate in decision making process.

The issuance of a timely warning is considered on a case-by-case basis in light of all the known facts surrounding the crime, including nature of the crime, danger to the community, and the possible risk of compromising law enforcement efforts.

Timely warnings will be sent via the College’s Emergency Alert System (EAS) to everyone on the distribution – students, employees, others who have signed up to receive alerts from LCC. Emergency notification will be issued by email, text message, text-to-voice. Alerts may also be posted on social media.

If notification needs to be made to individuals and/or organizations outside of the College community then communication will be initiated by the Public Information Office, in coordination with ICG, as deemed appropriate using the website, digital signs, news releases and/or press conferences.
If an emergency notification is sent that also qualifies as a timely warning, a separate timely warning alert will not be sent since the emergency notification will suffice.

The College is not required to issue a timely warning with respect to the crimes reported to a pastoral or professional counselor.

Public Safety Notice

If an alert needs to be sent out to the campus community that does not warrant an Emergency Notification or Timely Warning, LCC will issue Public Safety Notice. A Public Safety Notice is an alert of situation that is often related to health and safety that affects routine operations. This may be a notice of nearby situation(s) to avoid or on-campus issues or changes related to health, safety, facilities, and normal operations that are not necessarily urgent but are very important to be aware of. The information will be confirmed by subject matter experts concerning the situation. These may be sent using the EAS, or using the LCC Operations email.

Emergency Response Plans

Emergency Operations Plan

LCC is dedicated to providing a safe and secure environment. The College has a Board of Trustees Policy called Emergency Management and Preparedness. The College’s Emergency Operations Plan (EOP) describes the College’s emergency management organization, policies, and response plans/guidelines for the campus. The EOP contains 2 types of annexes:

- The Functional annexes such as the Evacuation Response Procedure.
- Hazard or threat-specific response annexes as determined by the LCC Threat-Hazard Vulnerability Risk Assessment.

Building Emergency Response Team (BERT)

Each occupied College building has designated employee(s) that are members of the BERT. BERT members are responsible for leading emergency response during all drills and actual emergencies. They are responsible for the development and maintenance of Building Action Plans. They coordinate communication with Police and Dispatch regarding building status during an emergency. They communicate with building occupants to provide direction and assistance during an emergency. They are trained in CPR, AED use, First Aid, Fire Extinguisher Use, First Aid, and basic triage.

Emergency Response Guide

The Emergency Response Guide (ERG) is an emergency procedure reference guide that are used to train employees, students, and others on campus regarding what to do in an emergency. It includes medical emergencies, evacuation, tornado shelter, utility emergency, and active violence.
Emergency response and evacuation procedures are identified in the ERG. Color-coded Emergency Response Guide (ERG) poster and maps, displayed in every classroom and in strategic high traffic areas in every building on every floor. Maps provide individuals with information about their location in the building, the closest exits, and the location of tornado shelters. At least annually, an emergency preparedness message is sent, via newsletters, to both employees and students directing them to the information on the website.

Several newsletter reminders and a required online training reminder is provided to all each year to reinforce this theme and common understanding. The information on the following two pages is shared widely on posters throughout campus:
EMERGENCY-Call 911
LCC Police Department
517-483-1800
Ext 1800 or 911 from any campus phone

Medical Emergency
Call 911, tell dispatcher:

- WHO you are and WHO (i.e., name, age, gender) needs help
- WHAT happened
- WHERE you are, building physical address and room
- Retrieve Automated External Defibrillator (AED) if necessary (see building maps for location)

Active Violence

Run
- Get away if possible
- Put distance between you and the threat

- If exiting is not possible
  - Create barriers to prevent or slow down the threat
  - Turn off light, hide quietly and silence cell phones

Fight
- If Confronted:
  - Be prepared to defend yourself
  - Be aggressive and committed to your actions
Lansing Community College tests the emergency response and evacuation procedures on an annual basis (a test is defined as a regularly scheduled drill or exercise with appropriate follow-through activities, designed to assess and evaluate effectiveness of emergency plans and capabilities.) Tests and drills may be announced or unannounced, and may involve the entire campus, or focus on smaller areas. Each test is documented and includes a description of the exercise, the date and time of the exercise, and whether it was announced or unannounced. This is coordinated by the Director of Emergency Management.

Evacuation exercises are held annually. The purpose of evacuation drills is to familiarize the campus community with the sound of alarms, fire strobes, locations of emergency exits within the buildings, location of designated meeting or shelter areas, testing of various notification systems such as the public address system(s), emergency notifications, and to provide guidance about exiting the facility for an emergency evacuation. If an unexpected alarm sounds, all building occupants are expected to evacuate and treat the alarm as if it is a real emergency until an all clear is given by Police Dispatch. Each building has designated employees that receive more detailed training during workshops regarding sweeping buildings and sheltering as they are expected to be the leaders for their building during these events.

Additionally, the Executive Leadership Team and the Incident Management Team participate in an emergency response and evacuation Table Top Exercise annually that is developed and conducted by the Director of Emergency Management to ensure understanding and awareness LCC emergency response plans and procedures.

After all exercises are complete, feedback is collected from all participants and exercise evaluators who were posted to observe and take notes during the process. This information is collected and used to build and After-Action Report (AAR). The AAR is used to identify what process, procedures, and capabilities worked well and which need improvement so that recommendations can be made, and corrective action(s) taken by the appropriate departments. The report describes the test, the date the test was conducted, the start and end time of the test, whether the test was announced or unannounced, and recommendations for improvement. The Director of Emergency Management develops the AAR and maintains the records.

The College publicizes a summary of the emergency response and evacuation procedures via student and employee newsletter at least annually in conjunction with a test (exercise and drill) that meets the requirements of the Higher Education Opportunity Act.

**Training and Exercise Plan and Calendar**

Annual online Learning Management System (LMS) training is required for employees for both “Emergency Evacuation” and “Violence-Free Campus/Workplace”. The “Violence-Free Campus” training is recommended for students.

Annually, a discussion-based ELT/IMT Table Top Exercise (TTX) is developed and conducted by the Director of Emergency Management to ensure understanding and awareness of LCC plans and procedures.
Each year, evacuation exercises are held. The schedule and timing are coordinated with important activities and events considered; but a goal is also to have the exercise at a time when the campus has people participating in normal activities to ensure the exercise is as value and as real as possible.

Prior to the exercise (or test), the newsletters to both students and employees remind everyone that the exercises are up and coming and also provides and awareness reminder of what is expected of all.

The table below is taken from the Exercise Plan document used for evacuation exercise planning and documentation. This table shows the full schedule by campus.

After the evacuation exercise is complete, feedback is collected from BERT members and exercise evaluators who were posted to observe and take notes during the evacuation process. This information is collected and used to build and After-Action Report (AAR) is help improve our processes and tracked as corrective actions for future improvements to be implemented as a result of the test. The Director of Emergency Management develops and maintains these records.

BERT members receive more detailed training during their workshops (held 3 times each year) regarding sweeping buildings and sheltering since they are expected to be the leaders for their building during these events.

If an unexpected alarm sounds, all building occupants are expected to evacuate and treat it the alarm as if it is a real emergency until an all clear is given by Police Dispatch. In this way, building occupants do not get in the habit of partially evacuating or wondering if the alarm is real or a test. All must evacuate no matter what. This has been determined to be good practice for all which leads to less questioning and confusion.

FIRE SAFETY REPORT & MISSING STUDENT NOTIFICATION PROCEDURES
LCC is a commuter (non-residential) College. Therefore, these statistics and procedures are not collected or in existence. This only applies if a College maintains student housing.

CRIME PREVENTION & SECURITY AWARENESS PROGRAMS
LCCPD, in cooperation with other departments of the College, offers programs and materials to employees and students on the following topics: safety, security, and crime prevention. LCCPD
distributes a variety of safety brochures and makes presentations about campus security and crime prevention at student and employee fairs, and upon request. Security and crime prevention information is also sent periodically via email to employees and students. Pamphlets and other materials are available in hard copies at the LCCPD offices at the Downtown and West Campuses. LCCPD conducts events and presentations, and staffed crime prevention display tables, and the Office of Student Compliance conducted a number of awareness and prevention programs regarding alcohol, drugs, domestic violence, sexual assault, and personal safety for the LCC community.

2022 Crime Prevention and Security Awareness Programs activities include the following LCCPD and Emergency Management Department preparedness training:

- **LCCPD provided 11 Active Violence/Active Shooter awareness and response training** in person in 2022.
- **Annual Violence-Free Campus/Workplace Training** is required for all employees. This training covers related policies, what LCC does to ensure campus safety, encourages students and employees to be responsible for their own safety and security and to be observant regarding their surroundings and the actions of others. This is done by every employee at LCC once a year.
- **Annual Evacuation Procedure Training** is required for all employees once a year via the HR employee Learning Management System. This training informs employees of how to evacuate if there is a real emergency.
- **Building Emergency Response Team (BERT) training** (approximately 135 members, located on every campus) included:
  - A review of Evacuation, Lockdown, Shelter, and Active Violence—Run-Hide-Fight protocols provided in six sessions (62 employees trained) in July and August.
  - De-escalation training during the workshop (5 sessions – 74 employees trained) in December. This training was developed by the EMD and LCCPD. Various scenarios were presented to the group to work through and discuss.
- **Monthly preparedness messages** sent to all students and employees via email newsletters included:
  - LCC Active Violence Procedure (RUN-HIDE-FIGHT) message in January
  - LCC Emergency Notification Methods in May
  - LCC’s Emergency Response Guide – 5 things you need to know (including Active Violence and Evacuation) in July
  - Focus on National Preparedness Month in September
  - LCC’s evacuation procedure and notice of upcoming evacuation exercises in October.
- **Emergency Notification test** sent to all those enrolled (students and employees are automatically enrolled) in the fall.
- LCCPD spoke to the “Men About Progress” group on 3 separate occasions about public safety, active violence and prevention. That group consists of LCC students and employees and regular community members.
- LCCPD hosted one “Coffee with Cops” to meet and speak with members of both the LCC campus and the surrounding community about public safety and prevention on campus and the immediate surrounding area.
- **“See Something, Say Something”** is a national awareness campaign that raises public awareness of the indicators or terrorism or terror related crimes. Additionally, it
emphasizes the importance of reporting suspicious activity to authorities. This is also promoted by LCC for students and employees.

The following is a list of campus crime prevention tactics that may reduce the risk of becoming a reporting party:

- Walk on established walkways. At night, walk on lighted walkways.
- Always lock your vehicle.
- If on campus in the evening, park close to the building in lighted areas and walk with others.
- Items of value left in vehicles should be placed out of sight.
- Never leave items of value unattended.
- Promptly report any suspicious behavior to LCCPD.
- Do not leave keys, access cards, or valuables unattended.
- Always lock doors in unattended office areas.
- Never give out computer passwords.
- Do not click on attachments or hyperlinks in emails that are unfamiliar to you.
- When working during non-business hours, inform family and colleagues of your location and schedule.
- Contact LCCPD for an escort to/from your vehicle or building.

Additionally, the College offers several services and security features designed to prevent crime and assist campus community members. Some of these services and security features include:

- **Escort Service** – LCCPD provides escort services to students, employees, and members of the College community who feel uncomfortable walking to or from their vehicle or between facilities. They may contact LCCPD Office at 517-483-1800 for a police or cadet/auxiliary patrol and auxiliary dispatch employee escort. This service is available at the Downtown campus 24 hours a day, seven days a week and at West Campus during normal hours of operation.

- **Routine Patrols** - are performed by LCCPD on Downtown and West campuses.

- **RAVE Guardian** - Police Dispatch monitors RAVE Guardian, a cell phone app, available to download for free from iTunes and Google Play. RAVE Guardian provides several features including:
  - Personal safety timer: Never walk alone! This “virtual escort” allows you to set a fixed time for your departure and arrival – say, when walking to your car in the dark. Your pre-selected “guardian,” often a friend or family member, will receive a notification when you arrive safely, or when you don’t arrive at the expected time.
  - LCCPD direct chat: Text with LCC’s Police Department, allowing you to report suspicious activity or get help discreetly.
  - LCCPD direct call: Call LCC’s Police Department with the push of a button.
  - LCC Alert Notification direct to app: Get push alerts when LCC sends an emergency alert.
  - Local 911 direct call: Call 911 from any location.
  - Help/tip lines: A directory of important phone numbers, like to LCC Facilities, the National Suicide Prevention Lifeline and the Michigan Poison Control.
LCC web resource link: Connect with important LCC safety resources, like the Emergency Management Department.

- **Whistles** - LCCPD provides free whistles to students and employees. Whistle recipients are asked to only use in case of emergency and to contact LCCPD immediately if they hear the sound of a whistle on campus.

- **Security Cameras** - LCC has installed numerous cameras at all campuses, with the exception of Livingston Center. Due to the large number of cameras, many but not all can be monitored in real time. All cameras have recording functions. In the event of an incident, cameras can be reviewed for information that will aid in an investigation.

- **Emergency Phones** - The College also has emergency “blue light” phones located throughout the Downtown Campus and West Campus.

**SEXUAL VIOLENCE PREVENTION & RESPONSE**

Consensual or non-consensual sexual activities are prohibited in non-residential areas of the College. All members of the LCC community are required to conduct themselves in a manner that does not infringe upon the rights of others. The Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct policy can be viewed on the website.
The specific information regarding the Employee Title IX procedure and the Student Title IX grievance procedure can be viewed on the [website](#).

**DEFINING SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING**

**FEDERAL & LCC DEFINITIONS OF SEXUAL HARASSMENT, SEXUAL ASSAULT, DATING OR DOMESTIC VIOLENCE, STALKING AND SEXUAL EXPLOITATION**

**Sexual Harassment**

Sexual Harassment is unwelcomed, sexual, sex-based, and/or gender-based verbal, non-verbal, written, electronic, online, and/or physical conduct which is so severe or pervasive that it unreasonably interferes with a person’s College employment, academic performance, or participation in College programs or activities and creates a working, learning, program, or activity environment that a reasonable person would find intimidating, hostile, or offensive. Sexual harassment may include, for example, unwelcome sexual advances, requests for sexual favors, acts of sexual violence, physical contact of a sexual nature, or verbal or non-verbal conduct of a sexual nature.

A hostile work/educational environment is created when sexual harassment is sufficiently severe, persistent, or pervasive, and objectively offensive that it unreasonably interferes with, denies, or limits someone’s ability to participate in or benefit from the College’s educational or employment programs or activities.

Quid Pro Quo Harassment is (1) unwelcome sexual advances, (2) requests for sexual favors, and (3) other verbal or physical conduct of a sexual nature by a person having power or authority over another when submission to such sexual conduct is made either explicitly or implicitly a term or condition of (a) employment or educational opportunities, or (b) receiving the benefits of any educational or employment program or activity, or (c) rating or evaluating an individual’s education or employment progress, development, or performance.

For Title IX purposes sexual harassment is conduct on the basis of sex that satisfies one or more of the following: (1) An employee of Lansing Community College conditioning the provision of an aid, benefit, or service of Lansing Community College on an individual’s participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to Lansing Community College’s education program or activity; or (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30). All sexual harassment is prohibited by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy.

Examples of such actions include physical abuse (hitting, slapping, shoving, grabbing, biting, hair pulling, etc.); sexual abuse (marital rape, treating one in a sexually demeaning manner, coercing or attempting to coerce sexual contact without consent, etc.); and psychological or emotional abuse (name calling, persistently undermining an individual’s sense of self-worth or self-esteem, intentionally damaging one’s relationships with others, etc.).

Dating Violence
Dating violence is committed by a person who has been in a dating relationship or a social relationship of a romantic or intimate nature with another person. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

For Clery Act (VAWA) & Title IX purposes, the following definition applies:

Dating Violence is violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant. The existence of such a relationship shall be determined based on the complainant or reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For purposes of this definition:

- Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

To categorize an incident as Domestic Violence, the relationship between the respondent and the complainant must be more than just two people living together as roommates. The people cohabitating must be current or former spouses or have an intimate relationship.

All domestic violence is prohibited by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy.

- Monitoring, observing, or conducting surveillance of a person;
- Threatening (directly or indirectly) a person;
- Communicating with a person by telephone, mail, or electronic communications;
- Placing an object on or delivering an object to a place owned, leased, or occupied by a person;
- Interfering with or damaging a person’s property (including pets).

For Clery Act (VAWA) & Title IX purposes, the following definition applies:

- Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others or suffer substantial emotional distress. For the purposes of this definition: Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the complainant.
- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

All stalking is prohibited by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy.
Economic Abuse

Economic abuse, in the context of domestic violence, dating violence, and abuse in later life, is behavior that is coercive, deceptive, or unreasonably controls or restrains a person’s ability to acquire, use, or maintain economic resources to which they are entitled, including using coercion, fraud, or manipulation to:

- Restrict a person’s access to money, assets, credit, or financial information;
- Unfairly use a person’s personal economic resources, including money, assets, and credit, for one’s own advantage; or
- Exert undue influence over a person’s financial and economic behavior or decisions, including forcing default on joint or other financial obligations, exploiting powers of attorney, guardianship, or conservatorship, or failing or neglecting to act in the best interests of a person to whom one has a fiduciary duty.

Technological Abuse

Technological abuse is an act or pattern of behavior that occurs within domestic violence, sexual assault, dating violence, or stalking and is intended to harm, threaten, intimidate, control, stalk, harass, impersonate, exploit, extort, or monitor, except as otherwise permitted by law, another person, that occurs using any form of technology, including but not limited to:

- Internet-enabled devices;
- online spaces and platforms;
- computers;
- mobile devices;
- cameras and imaging programs;
- apps;
- location tracking devices;
- or communication technologies;
- or any other emerging technologies

Sexual Exploitation

Sexual Exploitation occurs when one person takes non-consensual or abusive sexual advantage of another for the advantage or benefit of oneself or a third party. This includes, but is not limited to, the following actions (including when they are done by electronic means, methods or devices):

- Invasion of sexual privacy (e.g., engaging in sexual voyeurism or permitting others to witness or observe the nudity or sexual or intimate activity of another person) without that person’s consent;
- Indecent or lewd exposure or inducing others to expose themselves when consent is not present;
- Recording any person’s nudity or sexual or intimate activity in a private space without that person’s consent;
• Sharing or distributing sexual information, or images or recordings of a person’s nudity or sexual activity, without that person’s consent;
• Recruiting, harboring, transporting, providing, or obtaining another person for the purpose of sexual exploitation, such as prostitution;
• Knowingly exposing someone to or transmitting HIV or an STI/STD to another person;
• Inducing incapacitation in another person with the intent to engage in sexual conduct, regardless of whether prohibited sexual conduct actually occurs.

All sexual exploitation is prohibited by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy.

JURISDICTIONAL DEFINITIONS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING

Sexual Assault, Domestic Violence, Dating Violence and Stalking¹

LCC prohibits the crimes of sexual assault, domestic violence, dating violence and stalking. These terms are defined per Michigan Compiled Laws (MCL) as follows:

**Sexual Assault**

Michigan law categorizes sexual assault into 4 degrees. 1ˢᵗ and 3ʳᵈ degree involve nonconsensual penetration,[²] where 2ⁿᵈ and 4ᵗʰ degree involve nonconsensual contact.[³]

Nonconsensual sexual penetration

"Sexual penetration" means sexual intercourse, cunnilingus, fellatio, anal intercourse, or any other intrusion, however slight, of any part of a person’s body or of any object into the genital or anal openings of another person’s body, but emission of semen is not required.

The provision in the criminal sexual conduct statute which permits elevation of a criminal sexual conduct offense from a lesser to a higher degree on the basis of proof of personal injury to the victim in the form of mental anguish is not unconstitutionally vague.[⁴]

Nonconsensual sexual contact

“Sexual contact” includes the intentional touching of the victim's or actor's intimate parts or the intentional touching of the clothing covering the immediate area of the victim's or actor's intimate parts, if that intentional touching can reasonably be construed as being for the purpose of sexual arousal or gratification, done for a sexual purpose, or in a sexual manner for:

(i) Revenge

(ii) To inflict humiliation

(iii) Out of anger[⁵]

---

² 34 USC 12291(a)(29)

[4] MCL 750.520a
"Intimate parts" includes the primary genital area, groin, inner thigh, buttock, or breast of a human being. “The provision in the criminal sexual conduct statute which permits elevation of a criminal sexual conduct offense from a lesser to a higher degree on the basis of proof of personal injury to the victim in the form of mental anguish is not unconstitutionally vague” [5]

In addition, sexual assaults may include, but is not limited to: sex assaults with a victim who is mentally incapable, mentally incapacitated, or physically helpless; penetration involving threats or coercion.[6]

**Consent**

In Michigan, consent is not specifically defined. The standard used in the sexual assault statutes is whether the accused “caused a personal injury to the victim and force or coercion is used to accomplish the sexual contact”. [7]

Lansing Community College defines “Consent” as words or actions that show a knowing and voluntary agreement to engage in mutually agreed-upon sexual activity. Effective consent cannot be gained by force, by ignoring or acting in spite of the objections of another, or by taking advantage of the incapacitation of another, where the accused student knows or reasonably should have known of such incapacitation.

Effective consent is also absent when the activity in question exceeds the scope of effective consent previously given. In addition, for the purposes of criminal sexual conduct, in Michigan, a person under the age of 16 cannot give "effective consent."[8]

**Domestic Violence**

Domestic violence” means violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant

[6] MCL 750.520c

[7] MCL 750.520b

[8] MCL 750.520d(1)(a) states that a person is guilty of third-degree criminal sexual conduct if the person engages in sexual penetration with another person and that person is at least thirteen but younger than sixteen years old. Accordingly, a thirteen-year-old child cannot legally consent to sexual penetration with another person because sexual penetration of a thirteen-year-old child is automatically third-degree criminal sexual conduct. monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction. [9]

Michigan law states an individual who assaults or assaults and batters their spouse or former spouse, an individual with whom he or she has or has had a dating relationship, an individual with whom he or she has had a child in common, or a resident or former resident of their household, is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than $500.00, or both. [10]

**Dating Violence**

Dating violence is a form of domestic violence under the state of Michigan law. In determining whether a dating relationship exists, the length of the relationship, the type of relationship (primarily characterized by the expectation of affectional involvement) and the frequency of interaction between the persons involved in the relationship will be considered. [12] "Dating relationship" means frequent, intimate associations primarily characterized by the expectation of affectional involvement. Dating relationship does not include a casual relationship or an ordinary fraternization between 2 individuals in a business or social context. [2]

**Stalking**

“Stalking” means a pattern of behavior made up of a series of two or more separate non-continuous acts which shares the same purpose, and causes a reasonable person to feel emotionally distressed, terrorized, frightened, intimidated, threatened, harassed or molested, and that actually causes the victim to feel terrorized, frightened, intimidated, threatened, harassed or molested. Cyber stalking is a form of stalking that is accomplished through electronic communications (e.g., email, discussion boards, or social media). [13]

**LANSING COMMUNITY COLLEGE DEFINITION OF CONSENT**

As defined in LCC’s Prohibited Sex or Gender Based Discrimination, Harassment and Sexual Misconduct Policy, consent is the cornerstone of respectful, responsible, and healthy relationships. Conduct that is welcome and occurs with the consent of everyone involved does not constitute sexual harassment.

For purposes of this Policy, it is important to understand the difference between conduct or comments that are welcome and those that are merely tolerated. Conduct or comments are considered welcome if they are received with pleasure or gladness by everyone involved. If two people are engaged in consensual conduct in private, that conduct is welcome to them. In such cases, the conduct or

comments will not be deemed to violate the College Policy against sexual harassment (although they may violate other parts of this or other College policies).

In contrast, conduct or comments may be accepted or endured without objection, but still, be unwelcome. They are merely tolerated. People frequently tolerate unlawful harassment silently, or with only weak protests, because they are afraid of losing their job or they just want to “fit in” or “get along,” etc. A person’s decision to tolerate abusive or harassing comments or conduct does not make them welcome. The only way to be certain that comments or conduct are welcome is to obtain a person’s consent to the comments or conduct.

Consent is the most critical element in any healthy and responsible intimate or sexual relationship. Any sexual activity within the scope of this Policy that occurs without consent is an extremely serious violation.

For purposes of this Policy, consent is present when clearly understandable words or actions manifest a knowing, active, voluntary, and present and ongoing agreement to engage in specific sexual or intimate conduct. Consent must be all of the following:

- **Knowing**: Consent must demonstrate that the individuals involved understand, are aware of, and agree to everything about the “who” (partners), “what” (acts), “where” (location), “when” (time), and “how” (conditions) of the sexual activity.

- **Active**: Consent must take the form of “clearly understandable words or actions” that reveal one’s expectations and agreement to engage in specific sexual activity. This means that silence, passivity, submission, or the lack of verbal or physical resistance (including the lack of a “no”) should not, in and of themselves, be understood as consent. Consent cannot be inferred by an individual’s manner of dress, the giving or acceptance of gifts, the extension or acceptance of an invitation to go to a private room or location, or going on a date.

- **Voluntary**: Consent must be freely given and cannot be the result of external pressures such as force (violence, physical restraint, or the presence of a weapon), threats (indications of intent to harm, whether direct or indirect), intimidation (extortion, menacing behavior, bullying), coercion (undue pressure, hazing) or fraud (misrepresentation or material omission about oneself or the present situation in order to gain permission for sexual or intimate activity).

- **Present and ongoing**: Consent must exist at the time of the sexual activity. Consent to previous sexual activity does not imply consent to later sexual acts; similarly, consent to one type of sexual activity does not imply consent to other sexual acts. Consent may also be withdrawn at any time, provided the person withdrawing consent makes that known in clearly understandable words or actions.

Consent is never present when an individual does not have the capacity to give consent due to age, mental or physical condition, or disability that impairs the individual’s ability to understand and give a knowing, active, voluntary, present, and ongoing agreement to engage in specific sexual or intimate conduct. A person does not have the capacity to give consent if their judgment or awareness is impaired due to consumption of alcohol, drugs, or inhalants (voluntarily or involuntarily), or being in a state of unconsciousness, sleep, or another state in which the person is unaware that sexual activity is occurring. Signs of incapacitation include when an individual demonstrates that they are unaware of where they are, how they got there, or why or how they became engaged in a sexual interaction.
Some indicators of a lack of capacity to give consent due to consumption of alcohol, drugs, or inhalants may include, but are not limited to:

- Lack of full control over physical movements (for example, difficulty walking or standing without stumbling or assistance);
- Lack of awareness of circumstances or surroundings (for example, lack of awareness of where one is, how one got there, who one is with, or how or why one became engaged in sexual interaction);
- Inability to effectively communicate for any reason (for example, slurring speech, difficulty finding words, etc.).

If a person appears to be giving consent but may not have the capacity to do so, the apparent consent is not effective. If there is any doubt as to a person’s capacity to give consent, it should be assumed that the person does not have the capacity to give consent and that any sexual activity will constitute sexual misconduct.

Being intoxicated or impaired by drugs or alcohol does not excuse one from the responsibility to obtain consent. Being intoxicated or impaired by drugs or alcohol is never an excuse for committing sexual misconduct.

**Bystander Intervention**

Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking.

Bystander intervention includes:

- Recognizing situations of potential harm
- Understanding institutional structures and cultural conditions that facilitate violence
- Overcoming barriers to intervening;
- Identifying safe and effective intervention options and
- Taking action to intervene

Bystanders play a critical role in the prevention of sexual and relationship violence. The College wants to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found by clicking on the following resource: Bystander Tips & Scenarios. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

RISK REDUCTION
Risk reduction is defined as options designed to:

- Decrease perpetration and bystander inaction
- Increase empowerment for victims in order to promote safety and
- Help individuals and communities address conditions that facilitate violence

LCC fully recognizes and understands that victims are not to be blamed, with no intent to victim blame and recognizing that only abusers are responsible for their abuse. The following are some strategies to reduce one’s risk of sexual assault or harassment:

1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to avoid isolated areas. It is more difficult to get help if no one is around.
3. Walk with purpose. Even if you don’t know where you are going, act like you do.
4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn’t the best place to be.
5. Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
6. Make sure your cell phone is with you and charged and that you have cab money.
7. Don’t allow yourself to be isolated with someone you don’t trust or someone you don’t know.
8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. Don’t leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you’ve left your drink alone, just get a new one.
12. Don’t accept drinks from people you don’t know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don’t drink from the punch bowls or other large, common open containers.
13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they’ve had, or is acting out of character, get him or her to a safe place immediately.
14. If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
   a. Remember that being in this situation is not your fault. You did not do anything wrong; it is the person who is making you uncomfortable that is to blame.
   b. Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
   c. Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
   d. Lie. If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.

16. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?

17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

Bystander intervention and risk reduction programs are for students and employees, both new and current. These programs are designed to promote positive options for bystander intervention and information on risk reduction strategies.

In 2022, LCC bystander intervention programming included specialized trainings for student groups such as student athletes; specialized trainings for employee groups such as the Eaton County RESA faculty and staff; and required online training for all new and current students and employees. In addition, bystander intervention education is provided in the required new student orientation program as well as in specialized orientation programs such as new student athletes and fire academy students as outlined in the chart in the next section.

Risk reduction efforts at LCC include: general crime prevention education, campus escort programs, the RAVE Guardian app, and awareness of LCC Behavioral Intervention Team (BIT). An online Student Title IX and Sexual Misconduct training course is in the student course management system and is a required training for all new students and annually for all returning students. The training includes information on sexual harassment and misconduct, dating and domestic violence, sexual assault, stalking, consent, safety, bystander intervention, and drug and alcohol awareness related to sexual misconduct topics. All
new employees are required to complete the Title IX training course, One Voice, in the Talent Management System as well as continuing employees on an annual basis.

PRIMARY PREVENTION & AWARENESS PROGRAMS

Primary prevention programs

Primary prevention programs are defined as programming initiatives and strategies intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourages safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The College also distributes information on sexual assault, dating violence, domestic violence, stalking, consent, and bystander intervention to new students at orientation and in required online student and employee trainings. In 2022, LCC primary prevention programs included resource websites and handouts; new student orientation; specialized new student orientations for student groups such as
student athletes and the Fire Academy; required online training for students and employees; safety forums for employees, and multiple and ongoing student online messaging campaigns and events throughout the year as outlined in the chart in the next section.

**Awareness programs**

Awareness programs are defined as community-wide or audience-specific programming, initiatives and strategies that increase audience knowledge, and share information and resources to prevent violence, promote safety and reduce perpetration.

Examples of LCC awareness programs that focus on sharing resources and information to prevent violence, promote safety and reduce perpetration are: awareness month campaigns; informational online campaigns; resources websites; and educational programming for students, faculty, and staff. In 2022, LCC awareness programming included; specialized trainings for employees; and ongoing employee and student online messaging campaigns focused on sexual assault, dating violence, domestic violence, stalking, consent, and bystander intervention such as Denim Day; and online events such as Facebook Live events focused on Healthy Relationships; and educational activities during the fall Welcome Week Resource Fair and spring Fling event, throughout the year as outlined in the chart in the next section.

**Ongoing Prevention and Awareness Campaigns**

Ongoing awareness and prevention campaigns refers to programming initiatives and strategies that are sustained over time focusing on increasing the understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the College. Ongoing prevention and awareness campaigns are for current students, employees, and the College community. They also cover topics on diversity, equity and inclusion, drug and alcohol abuse, drug and alcohol survey, mental health and suicide prevention, and crime prevention.

The Office of Diversity, Equity, and Inclusion provides resources that foster awareness as well as empower students with knowledge, tools and experiences that promote global citizenship and a more inclusive campus. We embrace an inclusive community that brings together students, faculty, and staff of different racial and multi-racial, ethnic and multi-ethnic, gender and sexually diverse, economic, religious, and national identities and ages. Awareness programs are focused on the building of an equitable and inclusive community where students, faculty, and staff feel safe and supported by providing training and programming that brings diverse perspectives to campus through intellectual exploration and collaboration. Initiatives include the Centre for Engaged Inclusion, Cultural Awareness Committees, Courageous Conversations, Preferred Name and Chosen Pronoun, and SafeZone Training.

Additional ongoing awareness and prevention campaigns promote awareness of the College services and programming available to students and employees include pamphlets and handouts that focus on awareness, prevention, and reporting of sexual assault, dating violence, domestic violence, consent, stalking, and bystander intervention; resource websites and educational programming for students, faculty, and staff. In 2022, LCCs ongoing prevention and awareness campaigns included ongoing resource websites and handouts, online awareness campaigns, annual Welcome Week Resource Fair and spring Fling event, and trainings for employees and student groups such as student athletes, ongoing access to the College Prohibited Sex or Gender Based Discrimination, Harassment, and Sexual Misconduct Policy and other resources on the LCC Title IX and Sexual Misconduct website. There were
substance abuse awareness events, and ongoing online messaging campaigns and events throughout the year as outlined in the chart in the next section.

PROCEDURES VICTIMS SHOULD FOLLOW IF A CRIME OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT & STALKING OCCURS

After an incident of sexual assault, dating violence or domestic violence, the victim should consider seeking medical attention as soon as possible at Sparrow Hospital - Forensic Nurse Examiner Program and MSU Sexual Assault Health Care Program, or to find a local Sexual Assault Nurse Examiner Program (SANE) call the RAINN hotline 1-800-656-HOPE(4673). In Michigan, evidence may be collected even if you chose not to make a report to law enforcement.

Sexual assault medical forensic examination
Michigan law requires healthcare providers to provide a medical forensic examination to any person indicating that they have been sexually assaulted in the previous five days. MCL 333.21527. Victims cannot be required to file a police report or participate in a criminal investigation in order to have this examination and evidence collected. Victims cannot be charged for the medical forensic examination and evidence collection. MCL 18.355a.

Kit testing
If the victim agrees to release the sexual assault kit evidence, the Sexual Assault Evidence Kit Submission Act requires the police to pick up the kit and submit it to the crime lab for forensic testing. MCL 752.931.

Right to be notified of perpetrator arrest or release
If a police report has been filed, the victim has the right to call the police and ask to be notified of an arrest or the release of the arrested person, or both. MCL 780.753.

Right to information about status of the criminal case
If a police report has been filed, the victim has the right to ask about the status of the case, including: the name of the detective or investigating officer assigned to the case; whether the case has been submitted to the prosecuting attorney for review; and whether the case has been closed and the reason for closure. MCL 752.955.

Right to evidence kit testing results
If a sexual assault evidence kit was collected and released to the police, a victim has the right to ask the police for information about evidence testing results, including: when the evidence kit was delivered to a crime lab for testing; whether DNA evidence was found; whether a DNA profile was entered into Combined DNA Index System (CODIS); and whether a DNA profile resulted in a CODIS match. MCL 752.956. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs.
or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with LCCPD or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the University at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

**REPORTING OR COMPLAINING ABOUT A VIOLATION**

Any student, employee, visitor, or other members of the LCC Community who experiences any suspected violation of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy has options for reporting or filing a complaint about it. A complainant may choose to report a violation to the College, to law enforcement, to both, or neither. At the complainant’s election, campus authorities may assist in notifying law enforcement. LCC strongly encourages anyone who has experienced any form of violence or sexual misconduct to immediately notify law enforcement. Such persons are also strongly encouraged to seek immediate medical assistance in order to obtain treatment for injuries, obtain preventative treatment for sexually transmitted diseases, and to preserve evidence, among other things. For sexual assaults, in particular, immediate treatment and the preservation of evidence are important for many reasons, including facilitating a criminal investigation. In addition, individuals who have experienced or witnessed sexual violence are encouraged to seek emotional support as soon as possible. Once notified, the College will support affected individuals in understanding and pursuing available options.

**REPORTING TO LAW ENFORCEMENT**

A complainant has the right to notify (or decline to notify) law enforcement of any act of violence, sexual misconduct, stalking, or other criminal activity. At the complainant’s election, campus authorities (Official with Authority (OWA) includes the Executive Director of Human Resources, a member of the Executive Leadership Team, Student Title IX Coordinator or Employee Title IX Coordinator) may assist in notifying law enforcement. LCC urges complainants to report any such activity immediately by contacting local law enforcement, with local numbers listed below:

LCCPD (517) 483-1800

Law enforcement agencies have legal authority, including the power to seek and execute search warrants, collect forensic evidence, make arrests, and assist in seeking Personal Protection Orders. Although a police report may be made at any time, delay in making a report can result in loss of important evidence, and, in some cases, extended delay may prevent law enforcement from taking action due to statutes of limitations.

In response to a call, LCCPD will take the required action by either dispatching an officer, or asking the complainant to report to the LCCPD to file an incident report. LCC officers will investigate a report when it is deemed appropriate. If assistance is required from other law enforcement agencies or fire/EMS department, LCCPD will contact the necessary unit. Criminal offenses are referred to the appropriate Prosecutor’s Office for disposition as deemed appropriate.

LCC Police reports involving students and relative to student violations of Title IX, Student Code of Conduct, and Behavioral Intervention are forwarded to the Office of Student Compliance for review and potential action. LCC police officers will initiate an investigation when it is deemed appropriate. Additional information obtained through an investigation will also be forwarded to the Office of Student Compliance.

LCC Police reports involving alleged employee violations of Title IX, Ethics and Standards of Conduct for Employees policy and Employee Behavioral Intervention are forwarded to the Human Resources Department for review and potential action. LCC police officers will initiate an investigation when it is deemed appropriate. Additional information obtained through an investigation will also be forwarded to the Human Resources Department.
If a sexual assault occurs, LCC Police, will inform the complainant and the respondent of available support services.

REPORTING TO LCC

Whether or not a police report is filed, the College urges anyone who becomes aware of any apparent violation of the Prohibited Sex or Gender Based Discrimination, Harassment and Sexual Misconduct Policy to report the incident(s) immediately to the College. A complainant is not obligated to report an incident to College personnel, but the College can only take corrective action when it becomes aware of such incidents. Reports alleging any form of prohibited discrimination or harassment may be made in person, in writing, (preferred), or orally. For Title IX purposes, reports alleging any form of sexual harassment may be made in person, by phone, by mail, by electronic mail, or through the electronic form. A written formal complaint alleging sexual misconduct/harassment must be made to the Title IX Coordinators listed below. The formal complaint made under Title IX should also include a statement on the part of the complainant as to whether the complainant requests the College to commence an investigation into the alleged matter.

Procedures and complaint forms can be found on the Title IX and Sexual Misconduct website.

Reports or complaints about misconduct should be given to one of the following:

1. **To report a student**: Any claim that a student engaged in sex discrimination (including pregnancy-based discrimination) or sexual misconduct (including sexual harassment) should be reported to:

   Christine Thompson, Director of Student Compliance
   Student Title IX Coordinator
   Office of Student Compliance
   Location: 411 N. Grand Avenue Gannon Building 1204
   Lansing, MI 48933
   Phone: (517) 483-9632
   Email: thompsc@lcc.edu

   Greg Lattig, Athletic Director
   Deputy Title IX Coordinator
   Location: 411 N. Grand Avenue Gannon Building 4147
   Lansing, MI 48933
   Phone: (517) 483-1622
   Email: lattigg@lcc.edu

2. **To report an employee, guest, or vendor**: Any claim that a member of the LCC Community other than a student (employees, visitors, etc.) engaged in sex discrimination (including pregnancy-based discrimination) or sexual misconduct (including sexual harassment) should be reported to:
3. **To file an EEO complaint** Any incident involving any other form of prohibited discrimination or harassment based on race, religion, disability, or other non-gender-based issues should be reported to:

JR Beauboeuf  
Director of Risk Management and Legal Services  
Location: 309 Washington Square  
Suite 150  
Lansing, MI 48933  
Phone: (517) 483-1730  
Email: beauboej@lcc.edu

Reports of alleged violations of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy can also be made to Officials with Authority (OWA). An OWA is an employee who has the authority to institute immediate corrective measures on behalf of the College. For the purpose of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy, an OWA is the Executive Director of Human Resources or any member of the Executive Leadership Team. OWA’s are required to immediately report any allegations of sexual misconduct or sexual harassment to the appropriate Title IX Coordinator.

Additionally, reports of alleged violations of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy can be made to any employees of the College who are mandated reporters. Mandated reporters do not include student employees and Licensed Professional Counselors serving in a Counselor role at the College. Mandated reporters are required to immediately report any allegations of sexual misconduct or sexual harassment to the appropriate Title IX Coordinator.

Reports of alleged violations of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy may trigger an investigation. There is no guarantee that confidentiality can be maintained concerning any reported incident, although the College will strive to keep matters as confidential as possible.

Reports concerning alleged violations of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy can also be made to one of the College’s Licensed Professional Counselors. Counselors can talk with a complainant in confidence, and if requested, they will only report that a prohibited incident has occurred without revealing any personally identifiable information about the incident. If a complainant wants a counselor to maintain confidentiality, the College will be unable to conduct an investigation or pursue disciplinary action. If a Licensed Professional
Counselor learns of an allegation of sexual misconduct or sexual harassment outside of their counselor/client relationship, they are required to make a report with the appropriate Title IX Coordinator. Further, anyone who is a Licensed Professional Counselor but is employed in a role other than a counselor working for the College, is required to make a report of alleged sexual misconduct or sexual harassment with the appropriate Title IX Coordinator.

Another option is for a complainant or witness to report an incident anonymously. Anonymous complaints regarding a student should be submitted through the form on the Title IX and Sexual Misconduct website. Anonymous complaints regarding an employee, guest, or vendor should be completed by calling the Human Resources direct line at (517) 483-1870 or by emailing LCC-TitleIX@lcc.edu. Anonymous reports may result in the College conducting an investigation, but the College’s ability to deal with an incident may be limited by a lack of necessary information.

There is no time limit for reporting alleged violations of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy to the College; however, the College’s ability to respond may diminish over time, as evidence may disappear or erode, memories may fade, and respondents (alleged perpetrators) may no longer be affiliated with the College. Even if a respondent is no longer a student or an employee, the College will provide reasonably appropriate remedial measures, assist the complainant in identifying external reporting options, investigate any alleged violation of the Prohibited Sex or Gender Based Discrimination, Harassment and Sexual Misconduct Policy, and take reasonable steps to end any violation of the Policy, prevent its recurrence, and remedy its effects.

**Reporting to other agencies.** Anyone experiencing unlawful discrimination or harassment can also file a complaint with other agencies, whether or not they have chosen to do so with the College or with law enforcement. Government agencies that accept complaints, conduct investigations, and enforce the laws against unlawful discrimination and harassment include:

ASSISTANCE FOR COMPLAINANTS: RIGHTS & OPTIONS

Such written information will include:

- The procedures complainants should follow if a crime of dating violence, domestic violence, sexual assault or stalking has occurred;
- Information about how the College will protect the confidentiality of complainants and other necessary parties;
- A statement that the College will provide notification to students and employees about complainant services within the College and in the community;
- A statement regarding the College’s provisions about options for, available assistance in, and how to request accommodations and protective measures; and
- An explanation of the procedures for College disciplinary action.

ORDERS OF PROTECTION

A PPO is issued by the state court system – not by the College. A PPO is an order that forbids an individual from doing something or requires an individual to do something. A PPO is enforced by the police. Title IX Coordinators and/or LCCPD can assist in providing contact information for those that seek a PPO. The Personal Protection Order Office contact information for LCC various campuses is below:

LCC complies with Michigan’s State law in recognizing orders of protection any person who obtains an order of protection from Michigan or any reciprocal state, should provide a copy to Campus Police and the Office of the Title IX Coordinator. A complainant may then meet with Campus Police to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but in not limited to: escorts, special parking arrangements, changing classroom location or allowing a student to complete assignments from home, etc. LCC cannot apply for a legal order of protection, no contact order or restraining order for a victim from the applicable jurisdiction(s).

The College may issue an institutional no contact order if deemed appropriate or at the request of the victim or accused. If the College receives a report that such an institutional no contact order has been violated, the College will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no contact order. If the crime of domestic violence, dating violence, sexual assault or stalking has
occurred, the victim is encouraged to contact the local authorities (law enforcement agency) and file a complaint.

**ACCOMMODATIONS & PROTECTIVE MEASURES AVAILABLE**

Supportive measures, interim measures, protective measures, and accommodations can be made available whether or not an individual chooses to pursue a formal complaint through law enforcement agencies or College disciplinary procedures and will be offered to both the complainant and the respondent. The Title IX Coordinator will determine whether supportive measures, interim measures, protective measures, or accommodations are reasonable and appropriate and if so, will work to ensure that interim protective measures or accommodations are implemented as soon as possible. There is no cost to a complainant or respondent for supportive measures, interim measures, protective measures, or accommodations. The College will keep any supportive measures, interim measures, protective measures, and accommodations, or protective measures provided as confidential as practicable.

Any violation of a directive related to supportive measures, interim measures, protective measures, or accommodations may result in disciplinary action which may include, but is not limited to, suspension, or expulsion from the College or suspension or termination of employment.

Upon receipt of a report of domestic violence, dating violence, sexual assault or stalking, LCC will provide written notification to students and employees about accommodations available to them, including academic, living, transportation, protective orders and working situations. The written notification will include information regarding the accommodation options, available assistance in requesting accommodations, and how to request accommodations and protective measures (i.e., the notification will include the name and contact information for the individual or office that should be contacted to request the accommodations).

At the victim’s request, and to the extent of the victim’s cooperation and consent, LCC offices will work cooperatively to assist the victim in obtaining accommodations. If reasonably available, a victim may be offered assistance with changes to academic schedule, working, living arrangements, protective measures or transportation situations regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Examples of options for a potential change to the academic situation may be to transfer to a different section of a class, withdraw and take a class at another time if there is no option for moving to a different section, etc. Possible changes to work situations may include changing working hours. Possible changes in transportation may include having the student or employee park in a different location, assisting the student or employee with a safety escort, etc.

To request changes and/or assistance with requesting changes to academic, transportation and/or working situations or protective measures, a victim should contact the Student Title IX Coordinator at 517-483-9632 or thompsc@lcc.edu, and employees should contact the Employee Title IX Coordinator at 517-483-1879 or thomaL32@lcc.edu for accommodations.

**GETTING HELP**

Internal and external resources
can be found on the [Title IX and Sexual Misconduct website](#). The College strongly encourages people to utilize these resources as soon as possible.

Confidential resources can provide individuals with information about support services and their options. Because of the confidential nature of these resources, disclosing information to or seeking advice from a confidential counselor does not constitute a report or complaint to the College and will not result in a response or intervention by the College except in extreme circumstances.

### CONFIDENTIALITY

The College has a strong desire to assist members of the LCC Community who have been subjected to conduct or comments that violate the Prohibited Sex or Gender Based Discrimination, Harassment and Sexual Misconduct Policy and strongly encourages them to report any such incidents. The College will make every reasonable effort to preserve an individual’s privacy and protect the confidentiality of information it receives in connection with such a report. The information reported will be shared only with individuals who assist or are otherwise involved in the investigation and/or the resolution of the complaint, or who otherwise have a need to know about the complaint and/or its resolution. By only sharing personally identifiable information with individuals on a need-to-know basis, the institution will maintain as confidential, any accommodations, protective or supportive measures provided to the victim to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations, protective or supportive measures.

Allegations reported to mandated reporters will be reported to the appropriate Title IX coordinator or EEO officer. If a person discloses an incident, but wishes to maintain confidentiality or requests that no
investigation or disciplinary action occurs, that request must be weighed against the College’s obligation to provide a safe, non-discriminatory environment. In deciding what to do, the College will consider a range of factors, including, but not limited to:

- Whether there have been other complaints against the same person(s) (may not apply to Title IX)
- The risk that the alleged respondent(s) will commit additional acts of misconduct (may not apply to Title IX)
- Whether there were threats of further misconduct
- Whether the College can obtain other relevant evidence (e.g., security video or physical evidence)
- Whether the alleged respondent has a known history of arrests or violence
- Whether the incident(s) involved actual or threatened violence or force
- Whether the complainant is under the age of consent or a minor
- The degree of harm or trauma suffered by the complainant or by potential complainants

If it determines that it can respect a request for confidentiality, the College will consider non-specific remedial action, such as increased monitoring, security, and/or education and prevention efforts. If it determines that it cannot maintain confidentiality, the College will so inform the individual(s) subjected to misconduct prior to the start of an investigation. The College will also provide security and support prior to, during, and if necessary, after, the investigation.

The College does not publish the name of crime victims or other identifiable information regarding victims in the Daily Crime Log or in the annual crime statistics that are disclosed in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Furthermore, if a Timely Warning Notice is issued on the basis of a report of domestic violence, dating violence, sexual assault or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

**PUBLIC REPORTING – CONFIDENTIALITY**

The College has a number of public reporting obligations and endeavors to protect confidentiality to the extent permitted by law. For example, public reports and the Crime Log do not include any personally identifying information about a survivor. Additionally, LCC timely warnings and emergency notifications do not contain personally identifiable information about the survivor.

The Office of Risk Management and Legal Services appropriately identify and redact documents subject to public records requests in order to remove personally identifying information not required to be shared by law or College policy.

Additionally, the College follows the directives outlined in the Family Education Rights and Privacy Act (FERPA), the federal law governing privacy protection of educational records of students. Registered students are notified of the Prohibited Sex or Gender Based Discrimination, Harassment and Sexual Misconduct Policy annually.
SEXUAL HARASSMENT & MISCONDUCT PROCESS

Corrections to the Annual Security Report

On March 6, 2024, the data reflected in the 2023 Annual Security Report (ASR) was revised to reflect revisions to procedures related to the Student Code of Conduct that were published on September 27, 2023. The following adjustment was made to the Annual Security Report.

- The Student Code of Conduct was revised to align with updated policies and procedures that can impact safety and security policies.

The College must provide due process to individuals accused of sexual harassment or misconduct. The College processes provide a prompt, fair and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the College’s policy and that is transparent to the complainant and the responding party. College officials involved in the investigation or adjudication of sexual harassment, sexual misconduct, domestic violence, dating violence, sexual assault, and stalking complaints are trained annually through outside organizations. Training is in-person, virtual instructor-led, and eTraining options are available. The training offerings reflect evolving regulatory guidance and case law. Training covers issues related to dating violence, domestic violence, sexual assault, and stalking; how to conduct an investigation and hearing process that protects the safety and privacy of the complainant and promotes accountability; the role and duties of the Title IX Coordinator; how to recognize and appropriately address incidents and complaints under Title IX, including where and with whom to report such incidents; how to identify to identify sex discrimination, sexual and gender-based harassment, assault and violence; confidentiality requirements; information on the relevant resources available to victims; and trauma-informed investigation practices. Usually, the resolution of domestic violence, dating violence, sexual assault and stalking complaints are completed within the timeframe specified in College policy and procedures. However, each procedure allows for extensions of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay.

Furthermore, the policy and procedures provide that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present;
2. The accuser, the accused and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meeting and hearings;
3. The institutional disciplinary procedures will not be conducted by officials who have a conflict of interest or bias for or against the accuser or the accused;
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor of their choice at any stage of the process and to be accompanied by that advisor to any related meeting or proceeding. The College will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceeding. However, the advisor does not have an active speaking role in meetings, interviews, and grievance proceeding, but is permitted to ask the other party and any witnesses
all relevant questions and follow-up questions including challenging credibility during cross
examination. The advisor may inspect and review evidence provided to the parties.

5. The accuser and the accused will be notified simultaneously, in writing, of the any initial, interim
and final decision of any disciplinary proceeding; and

6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be
notified simultaneously in writing, of the procedures for the accused and the victim to appeal
the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and
the accused will be notified simultaneously in writing of any change to the result prior to the
time that it becomes final as well as of the final result once the appeal is resolved.

When an incident of sexual harassment or misconduct is reported, regardless of whether the alleged
complainant is the individual who reported the incident, the College will respond promptly to the
alleged sexual harassment or misconduct in a manner that is not deliberately indifferent, which means a
response that is not clearly unreasonable in light of the known circumstances. The College will treat
complainants and respondents equitably, and will follow College processes before the imposition of any
disciplinary sanctions or other actions that are not supportive measures, against a respondent. The
College may remove a respondent from the recipient’s education program or activity on an emergency
basis based on criteria outlined in the emergency removal provision in the process while the complaint
is being addressed. The respondent is presumed not responsible for the alleged conduct until a
determination regarding responsibility is made at the conclusion of the process.

REPORTING AND PRESERVING OF EVIDENCE

Students
Since sexual harassment and misconduct may constitute both a violation of the Student Code of
Conduct/College policy and criminal activity, the College encourages students to report alleged sexual
misconduct promptly to local law enforcement agencies and/or campus authorities. Criminal
investigations may be useful in the gathering of relevant evidence, particularly forensic evidence.
Because the standards for finding a violation of criminal law are different from the standards for finding
a violation of the Student Code of Conduct or College policy, criminal investigations or reports are not
determinative of whether sexual misconduct, for purposes of this process or the Student Code of
Conduct/College policy has occurred. In other words, conduct may constitute sexual misconduct under
this process even if law enforcement agencies lack sufficient evidence of a crime and therefore decline
to prosecute. In such cases, the complainant may not initially understand the results of the criminal
investigation, the nature of criminal procedure, or the grounds for the law enforcement decision not to
prosecute. The complainant in such cases may request that the Title IX Coordinator provide a list of
advocacy resources in the community who may be able to assist the complainant with any meetings
with the prosecutor to gain an understanding of the decision to decline a prosecution.

Employees or Visitors
Since sexual misconduct may constitute both a violation of the College policy and criminal activity, the
College encourages employees and visitors to report alleged sexual misconduct promptly to local law
enforcement agencies and or/campus authorities. Criminal cases are investigated and resolved
separately from College investigation. Criminal investigations may be useful in the gathering of relevant
evidence, particularly forensic evidence. Because standards for finding a violation of criminal law are
different from the standards for finding a violation of College policy, criminal investigations or reports are not determinative of whether sexual misconduct, for purposes of this process or the College policy has occurred. In other words, conduct may constitute sexual misconduct under this process even if law enforcement agencies lack sufficient evidence of a crime and therefore decline to prosecute. The LCCPD is responsible for providing additional information related to criminal investigations upon request from the complainant.

INVESTIGATING & RESOLUTION OF COMPLAINTS

All reports and complaints of prohibited discrimination, harassment, or sexual misconduct received by a Title IX Coordinator or EEO Officer will be promptly reviewed and appropriate action will be taken as expeditiously as possible.

The College will make reasonable efforts to protect the rights of both the complainant and the respondent during the course of an investigation. The College will respect the privacy of the complainant(s), the respondent(s) and any other witnesses in a manner consistent with the College’s legal obligations to investigate, to take appropriate action, and to comply with any discovery or disclosure obligations required by state or federal law.

In the course of investigating, the College will determine whether the complaint is one that is covered by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy. If not, the complaint may be referred to another College complaint/dispute resolution procedure. Upon actual knowledge of an alleged violation of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy, the College will respond promptly in a manner that is not deliberately indifferent, meaning a response that is not clearly unreasonable in light of the known circumstances. The College will treat complainants and respondents equitably and will follow the appropriate process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

For Title IX purposes, once a formal complaint is signed, the Title IX Coordinator will initiate the investigation process, and the Title IX Investigator will conduct the investigation. The investigation will be conducted in a reasonably prompt time frame, and complainants and respondents will be treated equitably and in a manner that is not deliberately indifferent. This time frame and treatment of the parties also applies to any appeal process.

If a complaint appears to be covered by the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy, the responsible investigator will promptly meet with the complainant to obtain any necessary information, including a detailed description of the incident(s) and the identity of any witnesses. The investigator will then seek additional information and evidence as appropriate. Any person(s) against whom a complaint is made will be timely notified of the complaint and a meeting to discuss the complaint may be scheduled as appropriate.

The investigator will maintain appropriate documentation of the complaint and will disclose information to others with a legitimate interest consistent with internal procedures, the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy, and state and federal law. In appropriate cases, the investigator may make a referral to and cooperate with a criminal justice agency for possible investigation and prosecution. The College, however, will continue with its investigation independent of any investigation conducted by law enforcement agencies.
During the investigation, the College has the responsibility of collecting evidence. Each party has an equal opportunity to present and suggest witnesses and to submit inculpatory and exculpatory evidence. Parties will have equal access to evidence, written reports, witness statements, and other information relevant to the investigation. Respondents are presumed to have not violated any policy until a determination regarding responsibility is made at the conclusion of the process.

Upon conclusion, if required or appropriate, the College will notify the complainant and respondent of the results of the College’s investigation. In the event the investigation reveals a violation of this or any other College Policy, corrective action will be taken by the College. Where prohibited discrimination and/or harassment is found, steps will be taken to end it immediately. Disciplinary action may be imposed if appropriate. The level of discipline will depend on the severity of the discrimination, harassment, or misconduct and may include, but is not limited to, probation, suspension, expulsion, or termination from the College. The College may also take other corrective or remedial action to address the effects of any violation of the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy and will follow up as necessary to ensure that the corrective or remedial action is effective.

In determining whether or not an incident involves prohibited discrimination, harassment, or sexual misconduct, the College uses the “preponderance of the evidence” (also known as “more likely than not”) as the standard for proof. In campus resolution proceedings, legal terms like “guilt,” “innocence,” and “burden of proof” are not applicable, and the College never assumes a responding party is or is not in violation of the College Policy. College resolution proceedings are conducted to take into account the totality of all relevant evidence available.

1.1 Jurisdiction

Any member of the LCC community may file a complaint on behalf of a complainant regarding a responding student. A complainant must be participating in or attempting to participate in the education program or activity of the College at the time a formal complaint is filed. A respondent is an individual who is being reported to be the perpetrator of conduct that could constitute sexual harassment and who is a person enrolled by the College or who has any other affiliation or connection with the College.

The College, upon actual knowledge of sexual harassment when it occurs in the College’s education program or activity, against a person in the United States, will respond promptly to the alleged sexual harassment in a manner that is not deliberately indifferent, which means a response that is not clearly unreasonable in light of the known circumstances. Education program or activity includes locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurred, and also includes any building owned or controlled by the College. Title IX applies to all education programs or activities of the College, whether such programs or activities occur on-campus or off-campus.

a. Timing of Complaints and Procedures

As long as there is jurisdiction over the complaint pursuant to Section 1.1, above, there is no time limit to invoking this process in responding to complaints of alleged sexual harassment. Nevertheless, students are encouraged to report alleged sexual harassment immediately in order to maximize the College's ability to obtain evidence and conduct a prompt and equitable investigation.

Delays in reporting alleged sexual harassment may result in the loss of jurisdiction, relevant evidence, witness testimony, and may impair the College's ability to engage in this process.

The College will conclude the grievance process in a reasonably prompt time frame. The grievance process may be temporary delayed for good cause and with written notice to the parties of the delay or extension and the reasons for the action. Good cause may include, but is not limited to, considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

b. Retaliation

No person will be penalized for good faith utilization of channels available for resolving concerns dealing with prohibited discrimination or harassment. Lansing Community College strictly prohibits any adverse action against any individual for making a good faith report, providing information, exercising one’s rights or responsibilities under College policy, or otherwise being involved in the process of responding to, investigating, or addressing or opposing any alleged incidents of prohibited discrimination or harassment, including allegations of sexual harassment. Any person who engages in any retaliatory actions against any such individual for having engaged in these legally protected activities will be subject to disciplinary action that may include, but is not limited to, expulsion from the College. In addition, any
person who engages in such retaliatory actions may be subject to criminal prosecution and may become liable in civil litigation.

Making deliberately false accusations of discrimination or harassment violates College policy and may violate other standards of conduct. In such instances, the complainant will be subject to disciplinary action. However, failure to prove a claim of discrimination or harassment does not constitute proof of a false and/or malicious accusation.

No recipient or other person may intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with any right or privilege secured by Title IX, or because an individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding or hearing. Intimidation, threats, coercion, or discrimination (including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances) for the purpose of interfering with any right or privilege under Title IX, constitutes retaliation.

Anyone who is aware of possible retaliation or has concerns regarding the response to a complaint of prohibited discrimination or harassment, including sexual harassment, should immediately report such concerns to the Title IX Coordinator, who will investigate the matter and pursue any appropriate corrective action.

c. Other Related Misconduct

In accordance with this process, the Panel in a formal process and Presiding Officer in an Informal Resolution is empowered to hear allegations of, and to impose sanctions for, sexual harassment and any other violation(s) of the College's Student Code of Conduct directly related to the alleged sexual harassment. Such related misconduct may include, without limitation, violations of the rules of privacy as articulated herein, violations of Supportive Measures, retaliation, and/or violations of other Student Code of Conduct provisions that occurred in the course of the alleged sexual harassment.

It is not the practice of the College to pursue disciplinary action against a complainant or witness for their improper use of alcohol or drugs (e.g., underage drinking or violation of the College Drug and Alcohol Policy), provided that such student is acting in good faith as a complainant or witness to the events of the alleged sexual harassment.

Students who appear before the Panel or Presiding Officer, whether as parties to the proceedings or as witnesses, are expected to provide truthful testimony in accordance with the College's Student Code of Conduct.

d. Concurrent Criminal Charges

Because sexual harassment may constitute both a violation of College policy and criminal activity in certain incidents, the College encourages students to report alleged sexual harassment promptly to local law enforcement agencies. Criminal investigations may be useful in the gathering of relevant evidence, particularly forensic evidence. Because the standards for finding a violation of criminal law are different from the standards for finding a violation of the Student Code of Conduct, criminal investigations or reports are not determinative of whether sexual harassment, for purposes of this process or the Student Code of Conduct, has occurred. In other words, conduct may constitute sexual harassment under this
process even if law enforcement agencies lack sufficient evidence of a crime and therefore decline to prosecute. In such cases, the complainant may not initially understand the results of the criminal investigation, the nature of criminal procedure, or the grounds for the law enforcement decision not to prosecute. The complainant in such cases may request that the Student Title IX Coordinator provide a list of advocacy resources in the community who may be able to assist the complainant with any meetings with the prosecutor to gain an understanding of the decision to decline a prosecution.

The filing of a complaint of sexual harassment under this process is independent of any criminal investigation or proceeding, and (except that the College's investigation may be delayed temporarily while the criminal investigators are gathering evidence) the College will not wait for the conclusion of any criminal investigation or proceedings to commence its own investigation and implement supportive measures to protect the complainant and the College community, if necessary, as described in Section 2.4. Respondents who are concurrently facing criminal charges and who choose not to appear or answer questions to avoid self-incrimination that could be used against them in a criminal proceeding, will not be found responsible solely based on their refusal to provide self-incriminating statements.

2. Process – Initial Steps

The College, upon actual knowledge of sexual harassment when it occurs in the College’s education program or activity, against a person in the United States, will respond promptly to the alleged sexual harassment in a manner that is not deliberately indifferent, which means a response that is not clearly unreasonable in light of the known circumstances.

Education program or activity includes locations, events, or circumstances over which the College exercises substantial control over both the respondent and the context in which the sexual harassment occurred, and also includes any building owned or controlled by the College. Title IX applies to all of the College’s education programs or activities, whether such programs or activities occur on-campus or off-campus.

The College will treat complainants and respondents equitably, and will follow the grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The College may remove a respondent from the College’s education program or activity on an emergency basis based on criteria outlined in the emergency removal provision while the complaint is being addressed. The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Where a grievance process involves more than one complainant or more than one respondent, references in this process to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

2.1 Complaint Received

Upon receipt of a complaint/report regarding alleged sexual harassment, the Title IX Coordinator will promptly contact the complainant confidentially and in writing to request an intake meeting. The intake meeting will be scheduled through the Student Compliance Liaison, and confirmed to the complainant in writing. The complainant may bring an Advisor of their choice (as outlined in 3.6) to the meeting.
2.2 Emergency Removal

The College may remove a respondent from the College’s education program or activity on an emergency basis if it is determined that an immediate threat to the physical health or safety of the complainant, any student or other individual arising from the allegations of sexual harassment justifies removal prior to the conclusion of the grievance process (or even where no grievance process is pending). Under emergency removal, the College will complete an individualized safety and risk analysis prior to initiating the emergency removal, and will provide the respondent with written notice and an opportunity to challenge the decision immediately following the removal.

An emergency removal is not limited to instances where the complainant has reported an alleged sexual assault or rape, but could also be justified to address alleged severe, pervasive and objectively offensive verbal or online harassment. The identification of an immediate risk situation is not limited to the details of the alleged sexual harassment incident itself, but may also evaluate and respond to a respondent’s related post-incident actions or behaviors if the respondent’s actions pose an immediate and identified threat, but do not “arise from” allegations of “sexual harassment”.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

The College will take the following steps when assessing an emergency removal:

Step 1 – Conduct a prompt individualized safety and risk analysis.

The College will promptly convene the Behavior Intervention Team (BIT) to complete an individualized safety and risk analysis on the respondent. The BIT Process will be followed in the completion of the assessment. The Title IX Coordinator is a member of the BIT and will serve as an ad hoc member during any safety and risk analysis to provide information regarding the allegation(s) and Title IX regulations to the team. The individualized safety and risk analysis cannot be based upon generalized, hypothetical or speculative beliefs or assumptions that a respondent could pose a risk to someone’s physical health or safety.

Step 2 - Make the required findings.

The individualized safety and risk analysis must confirm that there is an “immediate threat” justifying and compelling an emergency removal. The BIT will consider the significance and weight that should be applied to a complainant’s subjective fear of a threat versus an objective reasonable person standard. The analysis will assess the respondent’s propensity, opportunity, and ability to effectuate a stated or potential threat. The immediate threat must be to the “physical health or safety” of one or more individuals, who may be the respondent, the complainant, or any other individual (such as a third-party witness).

Step 3 – Evaluate the applicability of disability laws to the removal decision.

A respondent may not be subject to an emergency removal without full and appropriate consideration of applicable disability laws. The Care Services Manager, Center for Student Access, serves on the BIT and will participate in the safety and risk analysis. The Care Services Manager will provide information on applicable disability law provisions, including the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and any relevant State laws. The
requirements and interplay of disability laws and Title IX will be considered prior to the removal decision.

Step 4 – Consider the appropriateness of supportive measures in lieu of an emergency removal.

Before imposing an emergency removal, the College will ensure that its action does not equate to or effectuate an improper bypassing of the prohibitions against imposition of sanctions or other actions that are not supportive measures without first following the grievance process. The emergency removal analysis requires careful and cautious balancing of concurrent factors – the College’s obligation to offer and provide prompt supportive measures to the complainant to ensure equal educational access; the adverse impacts of separating the respondent from educational opportunities and benefits; and the College’s obligation to protect the health and safety of the College community.

Step 5 – Provide respondent with written notice and opportunity to challenge removal decision.

The respondent will receive written notice of the emergency removal detailing the identified threat of physical safety or harm that compelled the emergency removal decision. The notice will include an opportunity for the respondent to immediately challenge the removal decision. Challenges to the removal decision must be made in writing by submitting the Removal Decision Challenge form within two business days of the written notice of emergency removal. The Dean of Student Affairs (or their designee) will make a final determination on the challenge.

2.3 Complainant Intake Meeting

The complainant will meet with the Title IX Coordinator to discuss the complaint, the grievance process, other remedies, and the process for filing a formal complaint. Supportive measures will also be discussed including the availability of supportive measures; the complainant’s wishes with respect to supportive measures; and the availability of supportive measures with or without the filing of a formal complaint.

The Title IX Coordinator will gather initial information about the alleged incident, make an initial assessment regarding the complaint, and seek to determine how the complainant wishes to proceed, including whether the complainant wishes to file a formal complaint. If the allegations do not meet the definition of sexual harassment, or did not occur in the College’s education program or activity against a person in the United States, the College will formally dismiss such allegations under Title IX and refer the complaint to the Student Code of Conduct process when applicable.

2.4 Supportive Measures

Supportive measures are non-disciplinary, non-punitive, and are individualized services offered as appropriate and reasonably available without fee or charge to the complainant or the respondent. Supportive measures are offered before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the College education program or activity without unreasonably burdening the other party. This includes measures designed to protect the safety of all parties or the College educational environment, or to deter sexual harassment.
Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The College will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the College to provide the supportive measures.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. If a no contact order between the parties is offered as a supportive measure, the parties will be notified in writing. Violations of supportive measures, such as non-compliance with a no contact order, may lead to a violation of the Student Code of Conduct.

2.5 Formal Complaint

A formal complaint is a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the College where the formal complaint is filed.

The College may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

A complainant’s wishes with respect to whether the College investigates should be respected unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances. The College will investigate sexual harassment allegations in any formal complaint, signed by a complainant, or by a Title IX Coordinator.

A formal complaint may be filed with the Title IX Coordinator in person, by mail, by electronic mail, or through the electronic form.

A complainant can request a formal investigation and hearing process, or an informal resolution process when filing a formal complaint. Without a formal complaint, neither process may commence. The formal complaint must contain the complainant’s physical or digital signature or otherwise indicate that the complainant is the person filing the formal complaint, unless the formal complaint is signed by the Title IX Coordinator as outlined above.

2.6 Notice of Allegations

Upon receipt of a formal complaint, the College will provide written notice to the parties (who are known). The notice will include the alleged sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial meeting. Sufficient details include the identities of the parties (if known) involved in the alleged incident, the alleged conduct constituting sexual harassment, and the date and location (if known) of the alleged incident. If supportive measures
have been implemented that will involve both parties, such as a no contact order, this will be included in the written notice.

The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will include this statement along with information that the parties may have an Advisor of their choice, who may be, but is not required to be, an attorney. An Advisor may accompany the complainant or respondent in meetings and interviews, but does not have an active speaking role. The written notice will include a link to the grievance process, and inform the parties that the Student Code of Conduct prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

The written notice will include a request for the respondent to schedule an intake meeting with the Title IX Coordinator. The intake meeting will be scheduled through the Student Compliance Liaison, and confirmed to the respondent in writing. The respondent may bring an Advisor of their choice (as outlined above) to the meeting.

2.7 Respondent Intake Meeting

The respondent will first meet with the Title IX Coordinator to discuss the complaint, the grievance process, and the formal complaint process. Supportive measures will also be discussed including the availability of supportive measures; the respondent’s wishes with respect to supportive measures; and review of supportive measures relative to both parties (if applicable).

2.8 Dismissal of Formal Complaint

Mandatory Dismissal

The College must investigate the allegations in a formal complaint, as outlined in Section 3. If the conduct alleged in the formal complaint does not constitute sexual harassment as defined under Title IX, even if proved, did not occur in the College’s education program or activity, or did not occur against a person in the United States; then the College will dismiss the formal complaint with regard to this process under Title IX, and refer it to the Student Code of Conduct process as applicable.

Discretionary Dismissal

The College may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled at the College; or specific circumstances prevent the College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

The College will promptly send written notice of a dismissal and the reason(s) for the dismissal simultaneously to the parties.

3 Investigation

When a formal complaint has been filed, the Title IX Coordinator will forward the formal complaint to the Title IX Investigator who will initiate an investigation. The Title IX Investigator is designated to
conduct investigations of alleged sexual harassment and receives training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. The Student Title IX Coordinator and the Deputy Student Title IX Coordinator are also trained investigators and may be part of an investigative team when necessary.

The investigation will be conducted in a reasonably prompt time frame, and complainants and respondents will be treated in an equitable manner. If, in the course of an investigation, the College decides to investigate allegations about the complainant or respondent that are not included in the initial notice of allegations to the parties, the College will provide notice of the additional allegations to the parties whose identities are known.

3.1 Meeting Notice

The College will provide parties whose participation is invited or expected, with written notice of the date, time, location, participants, and purpose of all investigative interviews, other meetings, and hearings with sufficient time for the party to prepare to participate. All meetings and interviews will be scheduled through the Student Compliance Liaison.

3.2 Advisors

Both parties may have others present during any meeting, interview, and grievance proceeding, including the opportunity to be accompanied by an Advisor of their choice, who may be, but is not required to be, an attorney. The Advisor does not have an active speaking role in meetings, interviews, and grievance proceedings, but is permitted to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility during cross examination at a live hearing. In addition, the Advisor may inspect and review evidence provided to the parties.

3.3 Witnesses

The College will provide an equal opportunity for the parties to provide witnesses, including fact and expert witnesses that may offer relevant evidence, no matter which side or whose version of events that evidence or witness supports, and other inculpatory and exculpatory evidence. In addition, the College may identify additional witnesses during and throughout the investigation relevant to the incident.

3.4 Evidence

When investigating a formal complaint and throughout the grievance process, the College will ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility will rest on the College and not on the parties.

3.5 Medical Records

The College will not access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in their professional capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the College obtains that party’s voluntary, written consent.

3.6 Sexual History of the Complainant
Evidence about a complainant's sexual predisposition will not be included in the investigative report and evidence about a complainant's prior sexual behavior will only be included if it meets two limited exceptions - (1) unless such questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or (2) if the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent).

3.7 Disclosure

The College will not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

3.8 Inspection and Review of Evidence

Prior to completion of the investigative report, the College will send each party and their advisor, if any, the relevant evidence directly related to the allegations raised in a formal complaint, including the evidence upon which the College does not intend to rely in reaching a determination regarding responsibility, and inculpatory and exculpatory evidence whether obtained from the parties or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. The evidence will be sent in electronic or hard copy format for inspection and review, compliant with any reasonable request for disability accommodations under applicable law. The parties have 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

The College may impose upon the parties and their advisors’ restrictions or require non-disclosure agreements not to disseminate any of the evidence subject to inspection and review or use such evidence for any purpose unrelated to the grievance process. This includes an agreement by the parties not to photograph or otherwise copy the evidence, including “sensitive” material such as nude images.

On or before the end of the ten-calendar day window in which parties submit their written responses to the evidence, the College will provide each party with the other party’s responses. The parties have two calendar days to respond to each other’s responses in writing, which the investigator will consider prior to completion of the investigative report.

3.9 Investigative Report

The Investigator will create an investigative report that fairly summarizes relevant evidence. The completed investigative report includes, among other things, summaries of interviews with the complainant and the responding student; and (where applicable) summaries of interviews of each witness, summaries of interviews with expert witnesses, photographs of the relevant site(s) and related logs, other photographic, electronic, and forensic evidence; and a detailed written summary of relevant evidence regarding the event(s) in question.

If the complaint involves multiple complainants, multiple respondents, or both, the College may issue a single investigative report.

Prior to issuing the investigative report to the parties and their advisors, if any, the investigative report will be provided to the Student Title IX Coordinator and College Legal Counsel for review. At least 10
calendar days prior to a hearing or determination regarding responsibility, the College will provide to both parties and their advisors, if any, the investigative report in electronic format or a hard copy compliant with any reasonable request for disability accommodations under applicable law, for their review and written response, which will be added to the final investigative report materials. The written responses must be submitted on or before the 10-calendar day review period.

4. Hearing

The grievance process provides for a live hearing, which is not a public hearing, once the final investigative report has been completed and the review period has concluded. The final investigative report, including all evidence that was subject to the party’s inspection and review, and the final investigative report written responses from the parties, will be available at the hearing to give each party equal opportunity to refer to such evidence prior to and during the hearing, including for purposes of cross-examination.

4.1 Decision Makers

The hearing members include a Hearing Chairperson, who presides over the hearing, maintains hearing decorum, and is the decision-maker regarding relevancy of questions from the Hearing Panel and during cross-examination; and the Hearing Panel, who is the decision-maker(s) regarding responsibility of the respondent and issuance of sanctions if the respondent is found responsible for a violation.

The Hearing Chairperson and Hearing Panel are part of a standing group of appointed individuals approved by the Dean of Student Affairs (or their designee) who are trained regarding Title IX, the grievance process, the Student Code of Conduct, and the hearing process among other topics. The Hearing Panel includes one LCC administrator and two LCC faculty for each hearing from the trained decision-maker group. Decision-makers, are not the same person(s) as the Title IX Coordinator or the Investigator(s).

The hearing members are to keep all information confidential and are trained and instructed to not publicly or privately disclose the names of the parties and advisors involved; and to not discuss the merits of the complaint with anyone not involved in the proceedings, including with the parties themselves or with the parties’ advisors or anyone acting on their behalf.

4.2 Hearing Notice

Once a Hearing Chairperson and Hearing Panel member has been named to a Panel, they will receive a Notice of Hearing, which includes the hearing location, date, and time; the names of the parties and their advisors; and a request for notification of a conflict of interest or potential bias, if any. If it is deemed a conflict of interest or potential bias exists between a Hearing Chairperson or Panel member and the parties, they will be replaced by another Hearing Chairperson or Panel member.

Once the Hearing Chairperson and Hearing Panel members have been finalized, the parties and their advisors will receive a Notice of Hearing, which includes the hearing location, date, and time; the prehearing meeting location, date, and time; and the names of the Hearing Chairperson and Hearing Panel members.
If a party wishes to challenge the participation of a Hearing Panel member, they must notify the Chairperson prior to the pre-hearing meeting stating the specific reason(s) for the objection. If it is deemed by the Chairperson that the challenge has merit, the Panel member will be replaced by another member. The Chairperson reserves discretion to make changes in the Panel composition at any time. Both parties will have an additional opportunity to challenge the participation of any Panel member at the beginning of the hearing if new information is presented that indicates a conflict of interest or bias may be present.

4.3 Pre-Hearing Meeting

A pre-hearing meeting will be scheduled individually with both parties and their advisors prior to the hearing date. At the meeting, the Hearing Chairperson will review hearing procedures; discuss safety measures and accommodations; review technology to be used during the hearing; discuss hearing logistics; discuss character witnesses, review the cross-examination process, including a discussion on relevant questions; and answer any questions regarding the hearing process. The parties and their advisors may bring preliminary cross-examination questions for review of relevancy to the pre-hearing meeting.

4.4 Pre-Hearing Review Period

The final investigative report will be shared with the decision-makers prior to the hearing. In addition to confidentiality outlined in 5.1, the decision-makers are instructed not to discuss the investigative report with the Hearing Chairperson or other members of the Panel prior to the Hearing.

The final investigative report, including all evidence that was subject to the party’s inspection and review, and the final investigative report written responses from the parties, will be available at the hearing to give the decision-makers opportunity to refer to the information prior to and during the hearing, including for purposes of asking questions of the parties and witnesses.

Hearing members and the parties and their advisors will be allotted time immediately prior to the start of the hearing, during the Pre-Hearing session, for final review of the hearing materials.

4.5 Advisors

Both parties may have an advisor of their choice, who may be, but is not required to be, an attorney present at the hearing in addition to a support person. If a party does not have an advisor present at the hearing, the College will provide without fee or charge to that party, an advisor of the College’s choice to conduct cross-examination on behalf of that party. The support person does not have a speaking role at the hearing. The advisor does not have an active speaking role in the hearing except during cross examination, at which time they are permitted to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. In addition, the advisor may inspect and review evidence provided to the parties.

In the event that a party fails to appear at the hearing, the Advisor for that party may attend the hearing if the absent party grants approval in writing to the Office of Student Compliance, including providing questions they want their Advisor to ask during cross examination. If the party has not provided questions in writing to the Office of Student Compliance for cross-examination, the Advisor will be excused from the hearing.
4.6 Witnesses

Witnesses who have been identified during the investigation will be called to participate and provide information at the live hearing. The Hearing Panel and each party’s advisor has the opportunity to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility.

If a respondent is found responsible for a violation(s), the respondent may offer a character witness(es) to provide information to the Hearing Panel prior to the determination of sanctions. Identification of a character witness(es) must be made in advance of the hearing either at the prehearing meeting or a deadline set by the Chairperson. Respondents are responsible for the attendance of any character witnesses at the hearing.

4.7 Cross Examination

At the live hearing, each party’s advisor has the opportunity to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Cross-examination at the live hearing will be conducted directly, orally, and in real time by the party’s advisor of choice. Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the hearing chairperson will first determine whether the question is relevant, and explain any decision to exclude a question as not relevant.

4.8 Questions Regarding Sexual History of Complainant

Questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the respondent and are offered to prove consent.

4.9 Hearing Proceeding

The live hearings are conducted in person through the use of technology allowing parties to be located in separate rooms with the technology enabling the Hearing Chairperson, Hearing Panel and parties to simultaneously see, hear and participate in the hearing proceedings as well as the participation of witnesses and other parties relevant to the hearing proceeding. An audio recording of the hearing will be maintained and made available to the parties for inspection and review upon request.

Both parties will have an opportunity to make opening statements to the Hearing Panel. Hearing Panel members are permitted to ask relevant questions and follow-up questions of the parties and any witnesses, including those regarding credibility. Only relevant questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a question, the Hearing Chairperson will first determine whether the question is relevant, and explain any decision to exclude a question as not relevant.
Each party’s advisor has the opportunity to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Cross-examination at the live hearing will be conducted directly, orally, and in real time by the party’s advisor of choice as indicated in Section 4.7 above.

After all parties and witnesses have been questioned, each party may make a closing statement and request a short recess to prepare it. If the Hearing Panel determines that unresolved issues exist, they have an opportunity to ask any final questions prior to the determination regarding responsibility.

4.10 Standard of Proof

The preponderance of the evidence (more likely than not) standard will be used in reaching a determination regarding responsibility by a majority decision of the Hearing Panel members.

4.11 Determination Regarding Responsibility

In making their determination, the Hearing Panel members will carefully review and consider all of the information presented and follow the procedures stated in this process. The decision-maker(s), will issue a written determination regarding responsibility simultaneously to the parties. The determination regarding responsibility becomes final either on the date that the College provides the parties with the written determination of the result of an appeal (if an appeal is filed) or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

The written determination will include:

• Identification of the allegations potentially constituting sexual harassment

• A description of the procedural steps taken from receipt of the formal complaint through the determination, including notifications to the parties, interviews with parties and witnesses, site visits (if applicable), methods used to gather other evidence, and the hearing.

• Findings of fact supporting the determination

• Conclusions regarding the application of the Student Code of Conduct to the facts

• A statement of, and rationale for, the result to each allegation, including a determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and whether remedies designed to restore or preserve equal access to the College’s education program or activity will be provided to the complainant.

• Procedures, including permissible bases, for the complainant and respondent to file an appeal The Title IX Coordinator is responsible for effective implementation of any remedies.

4.12 Election of Informal Process

At any time prior to reaching a determination regarding responsibility under the formal hearing process, the College may facilitate an Informal Resolution, including when a responding student wishes to accept responsibility for some or all of the alleged violations, and the complainant agrees. The College will obtain the parties’ voluntary, written consent to the Informal Resolution prior to proceeding with the informal process.
5 Informal Resolution

A complainant who wishes to file a Formal Complaint with the Student Title IX Coordinator may request an Informal Resolution. Although less formal than a formal investigation and hearing process, Informal Resolution may be an appropriate resolution process and is not mediation. The College will not require the parties to participate in an Informal Resolution and will not offer an Informal Resolution unless a Formal Complaint is filed. The College will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, a waiver of the right to an investigation and hearing of a Formal Complaint of sexual harassment. The College may also determine when an Informal Resolution may be appropriate.

The College will obtain the parties’ voluntary, written consent to the Informal Resolution, and will provide the parties written notice disclosing the allegations and the requirements of the Informal Resolution process, including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations. Either party can withdraw from any Informal Resolution offered by the College at any time prior to agreeing to the resolution (which may include expulsion of the respondent) and commence or resume the Formal Grievance Process with respect to the Formal Complaint, and any consequences resulting from participating in the Informal Resolution, including the records that will be maintained or could be shared. The College may impose disciplinary sanctions against a respondent as part of an Informal Resolution, and both parties must agree to the resolution. If expulsion is the sanction proposed as part of an Informal Resolution, that result can only occur if both parties agree to the resolution. If a respondent, for example, does not believe that expulsion is appropriate then the respondent can withdraw from the Information Resolution process and resume the formal grievance process.

5.1 Purpose of Informal Resolution

Both parties must attend the Informal Resolution proceeding, and both parties must fully participate in a respectable manner and with a sense of decorum. Informal Resolution provides an opportunity for the complainant and the responding student, in the presence of, and facilitated by, a presiding officer, to communicate their feelings and perceptions regarding the incident, the impact of the incident, and their wishes and expectations going forward.

5.2 Advisors

The complainant and the responding student each may bring an advisor to the Informal Resolution. Advisors do not have an active speaking role at the Informal Resolution.

5.3 Presiding Officer

A Panel Chair or a designee of the Chair will facilitate the Informal Resolution, and may elect to be assisted by another member of the Panel or a designee of the Panel.

5.4 Responding Student Acknowledges Responsibility
If during the course of the Informal Resolution the responding student elects to acknowledge their actions and take responsibility for the alleged sexual harassment, the Presiding Officer will ask for input of the parties on the determination of sanction(s) and will take a break to determine proposed sanction(s). The Presiding Officer will then present the proposed sanction(s) to the parties. The parties must agree on the sanction(s). If the parties disagree, further deliberation will take place until the parties are in agreement. Once agreement on sanctions has been reached, the Informal Resolution will be concluded, and the complaint will be resolved without any further rights of appeal by either party. In the event an agreement cannot be reached regarding sanction(s), either party can withdraw from the Informal Resolution and commence or resume instead the Formal Grievance Process with respect to the Formal Complaint.

5.5 Responding Student Contests Responsibility

If the responding student contests the complaint of alleged sexual harassment, and the complainant agrees, the Informal Resolution will be concluded, and the complaint will be resolved without any further rights of appeal by either party. If the complainant disagrees, either party can withdraw from the Informal Resolution and commence or resume the Formal Grievance Process with respect to the Formal Complaint.

During the contesting of responsibility, either party or the Presiding Officer may introduce a discussion regarding educational topics related to the incident.

5.6 Supportive Measures

Supportive Measures may be offered or continued, if already established, at the conclusion of the Informal Resolution, including the Presiding Officer imposing a no contact order agreed upon by the parties or based on information derived from the Informal Resolution proceedings, taken together with any other relevant information known to the College at the time of the Informal Resolution.

5.7 Election of Formal Process

The College or the parties may, at any time prior to the conclusion of the Informal Resolution, elect to end such proceedings and initiate the formal grievance process. In such cases, statements or disclosures made by the parties in the course of the Informal Resolution may be considered in the subsequent formal grievance process.

5.8 Privacy of Informal Resolution

In order to promote honest and direct communication, information disclosed during Informal Resolution must remain private while the Informal Resolution is pending, except where disclosure may be required by law or authorized in connection with duties on behalf of the College.

2. Applicable Policy Determination and Jurisdiction / Retaliation / Bias & Conflict of Interest

Title IX complaints are complaints from employees or students against other students, faculty, staff, or administrators, related to sexual misconduct or gender discrimination. The applicable College Policy upon which this procedure is based is, “Prohibited Sex or Gender Based Discrimination, Harassment, and Sexual Misconduct.” This procedure applies to complaints alleging all forms of sex discrimination (including sexual and gender-based harassment, assault, and violence) against employees, students, and third parties alleged to have been conducted by employees or third parties of the College.

If the respondent is not an employee but is a student at LCC, a separate procedure is followed, led by LCC’s Office of Student Compliance. If the respondent is a guest or contractor, a separate procedure is followed, led by LCC Human Resources.

If a complaint is received and determined to not fall under Title IX, the College will investigate and resolve the complaint using other applicable policies, procedures, statutes, practices, and/or labor agreements.

If the respondent is an employee covered by a labor agreement, the language of that labor agreement will be followed as it relates to due process, options for disciplinary action, and grievances.

Whether a hearing is held in person or over telephone or Webex/Zoom or other online methods is determined by the Title IX Coordinator.

Sexual harassment is a form of sex discrimination prohibited by Title IX. Hostile environment sexual harassment is unwelcome conduct of a sexual nature that is sufficiently serious that it denies or limits a student’s or employee’s ability to participate in or receive the benefits, services, or opportunities of the College’s programs. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature, such as sexual assault or acts of sexual violence.

Harassment does not have to be of a sexual nature, however, and can include offensive remarks about a person’s gender. For example, it is illegal to harass a woman by making offensive comments about women in general. Both the victim and the harasser can be any gender, and the complainant and respondent can be the same sex. Although the law doesn’t prohibit simple teasing, offhand comments,
or isolated incidents that are not very serious, harassment is a policy violation when it is so frequent or severe that it creates a hostile or offensive environment or it denies or limits a student’s or employee’s ability to participate in or benefit from the College’s academic programs, extracurricular programs, research activity, occupational training, or other educational program or activity operated by LCC.

In determining whether this denial or limitation has occurred, LCC considers all relevant circumstances, including, but not limited to:

- The degree to which the conduct affected one or more students’ education or the employee’s ability to perform their assigned tasks;
- The type, frequency, and duration of the conduct; the identity of and relationship between the respondent and the subject or subjects of the harassment;
- The number of individuals involved;
- The age and sex of the respondent and subject of the harassment;
- The location of the incidents and the context in which they occurred;
- Other incidents at the College; and
- Whether there were also incidents of gender-based but non-sexual harassment.

A sexually hostile environment may deny or limit a student’s or employee’s ability to receive the benefits, services, or opportunities of the College’ programs even if there are not tangible effects, e.g., a drop in the student’s grades or increased absenteeism.

The more severe the conduct, the less the need to show a repetitive series of incidents; this is particularly true if the harassment is physical. A single or isolated incident of sexual harassment may, if sufficiently severe, create a hostile environment. Moreover, a series of incidents at the College, not involving the same people, could – taken together – create a hostile environment, even if each by itself would not be sufficient. Likewise, repeated incidents may not reach the threshold of severe conduct or hostile environment. This determination would be made through a thorough and objective investigation.

When responding to a Title IX complaint, the College takes immediate and appropriate action to investigate or otherwise determine what occurred. The specific steps in the investigation will vary depending upon the nature of the allegations, the source of the complaint, etc. In all cases, however, the investigation will be prompt, thorough, and impartial.

If there is a dispute about whether harassment occurred or whether conduct was welcome, in cases where it is appropriate to consider whether the conduct would be welcome, determinations should be based on the totality of the circumstances such as:

Statements made by any witnesses to the alleged incident;

- Evidence about the relative credibility of the alleged harassed victim/complainant and respondent (e.g., the level of detail and consistency of each person’s account should be compared to one another and to the existence or lack of corroborative evidence);
- Evidence that the respondent has been found to have harassed others; Evidence that the alleged harassed complainant has made false allegations against other individuals; Evidence of
the allegedly harassed complainant’s reaction or behavior after the incident or evidence of significant changes in the complainant’s behavior in the weeks or after the incident;

- Evidence about whether the allegedly harassed person filed a complaint or took other action to protest the conduct after it had occurred (note that failure to immediately report may not be indicative that the alleged harassment did not occur);
- Any other relevant contemporaneous evidence.

If an employee sexually harasses a student, employee, or guest, and the harassing conduct is sufficiently serious to deny or limit the student’s or employee’s ability to participate in or benefit from the program or employment, and the College knew or reasonably should have known about the harassment, the College is responsible for taking immediate effective action reasonably calculated to end the harassment, eliminate any hostile environment, prevent the recurrence of the harassment, and, as appropriate, remedy its effects. Appropriate steps to end harassment may include separating the accused harasser and the target or taking disciplinary action against the harasser. These steps should not penalize the person who was harassed. In addition, depending on the extent of the harassment, the College may need to provide training or other interventions not only for the respondents but also for the larger College community to ensure that all students and College staff can recognize harassment if it recurs and know how to respond. The College may also be required to provide additional services to the person who was harassed in order to address the effects of the harassment.

The College uses a preponderance of the evidence standard (i.e., it is more likely than not that discrimination occurred) when examining allegations of discrimination under Title IX.

Bias and Conflict of Interest

The College requires that coordinators, investigators, and decision-makers (including appeal decision makers) do not have conflicts of interest or bias for or against Complainants and Respondents generally, or for or against an individual party. This requirement extends to any materials used to train coordinators, investigators, decision-makers, and others involved in the process. All participants will be screened by the Title IX Coordinator and/or the Director of Labor Relations and may be denied participated if a bias or conflict of interest is found.

Retaliation

Retaliation is not tolerated at LCC. The College will take steps to prevent any retaliation against persons who made the complaint, who was the subject of harassment, against those who provided information as witnesses, or who was the Respondent. The College will ensure that the harassed person(s) know how to report any subsequent problems, conducting follow-up inquiries to see if there have been any new incidents or any instances of retaliation, and responding promptly and appropriately to address continuing or new problems.

3. Process and Timelines

Complaint:

1. Human Resources is designated to investigate Title IX complaints against employees. All complaints against employees are forwarded to the Title IX Coordinator in Human Resources.
2. Notice of a complaint can be made in person or orally to an appropriate official, but the College strongly encourages submission of complaints in writing using the Discrimination/Harassment Complaint Form, found here Sexual Misconduct and Title IX Resources Web Page. Regardless of whether the complaint is received formally, in writing, or whether the College learns of the issue through informal notification, the College will pursue resolution using this same procedure.

3. The complaint should clearly and concisely describe the alleged incident(s); when and where it occurred; names of witnesses, if any; and the desired remedy sought.

4. The complaint form should be signed by the person making the complaint and include any supporting documentation, if any exist. If supporting documentation exists, the complainant’s supporting documentation should clearly demonstrate all informal efforts, if any, to resolve the issue(s) with the person involved and/or the person’s supervisor.

5. Upon receipt of the complaint, the College will complete the Title IX Intake Checklist. This involves the Title IX Investigator and/or Title IX Coordinator interviewing the complainant. During the interview, the complainant may be accompanied by a person of their choice: family member, coworker, friend, or legal counsel.

6. If the complainant requests confidentiality or asks that the complaint not be pursued, the College will take reasonable steps to investigate and respond, but the ability to respond may be limited.

7. If the complainant asks that their name or other identifiable information not be revealed, the College evaluates the request in the context of its responsibility to provide a safe and nondiscriminatory environment for all students, employees, and guests. The College will inform the complainant if it cannot ensure confidentiality.

8. The complainant will be advised of the investigatory status at regular intervals.

Advisors:

All advisors are subject to the same College policies and procedures, whether they are attorneys or not. Advisors cannot be a party or witness to the proceedings. Advisors should not address College officials in a meeting or interview unless invited to. Advisors may not make a presentation or represent their advisee during any meeting or proceeding and may not speak on behalf of the advisee to the investigators or other decision-makers except during a hearing proceeding, for the purpose of cross-examination.

The parties are expected to ask and respond to questions on their own behalf throughout the investigation phase of the resolution process. Although the advisor generally may not speak on behalf of their advisee, the advisor may consult with their advisee, either privately as needed or quietly by-passing notes during any resolution process meeting or interview, as long as they do not disrupt the process. For longer or more involved discussions, the parties and their advisors should ask for breaks to step out of meetings to allow for private consultation. Breakout rooms may be used if the meetings are held virtually.

Any advisor who oversteps their role as defined by this procedure will be warned once and only once. If the advisor continues to disrupt or otherwise fails to respect the limits of the advisor role, the advisor will be asked to leave the meeting. When an advisor is removed from a meeting, that meeting will
typically continue without the advisor present. Subsequently, the Title IX Coordinator will determine whether the advisor may be reinstated or replaced by a different advisor.

The College expects that the parties may wish to have the College share documentation and evidence related to the allegations with their advisors. Parties may share this information directly with their advisor or other individuals if they wish. Doing so may help the parties participate more meaningfully in the resolution process. The College also provides a consent form to the parties that authorizes the College to share such information directly with the advisor. The parties must either complete this form or provide similar documentation consenting to a release of information to the advisor before College is able to share records with an advisor. If a party requests that all communication be made through their attorney, acting as their advisor, the College will not comply with that request. The College generally expects an advisor to adjust their schedule to allow them to attend College meetings when planned but may change scheduled meetings to accommodate an advisor’s inability to attend, if doing so does not cause an unreasonable delay. The College may also make reasonable provisions to allow an advisor who cannot attend in person to attend a meeting by telephone, video conferencing, or other similar technologies as may be convenient and available.

A party may elect to change advisors during the process and is not obligated to use the same advisor throughout. The parties are expected to inform the investigators of the identity of their advisor at least one day before the date of their first meeting with investigators (or as soon as possible if a more expeditious meeting is necessary or desired). The parties are expected to provide timely notice to investigators if they change advisors at any time. Similarly, parties are expected to inform the Title IX Coordinator of who their hearing advisors will be, at least five business days before the hearing.

For parties who are entitled to union representation, the College will allow the unionized employee to have their union representative (if requested by the party) as well as an advisor of their choice present for all resolution-related meetings and interviews. To uphold the principles of equity, the other party (regardless of union membership) will also be permitted to have two advisors. Witnesses are not permitted to have union representation or advisors in grievance process interviews or meetings.

For representation, Respondents may wish to contact organizations such as:

- FACE (http://www.facecampusequality.org), and/or
- SAVE (http://www.saveservices.org).

Complainants may wish to contact organizations such as:

- **Victim Rights Law Center**
- **The National Center for Victims**; which maintains the Crime Victim’s Bar Association, and/or
- **The Times Up Legal Defense Fund**

Initial Remedial Actions:

1. When an OWA is made aware of a potential Title IX violation, they are required to take immediate action, including notifying the appropriate Title IX Coordinator.
2. The investigator assesses whether there is a need to immediately suspend the respondent or take other interim measures, pending investigation. Any interim measure taken will not disproportionately impact the complainant/victim or respondent.

3. The investigator reviews the complaint with the Title IX Coordinator. Together, the coordinator and investigator determine if the complaint demands investigation and, if so, if it falls under Title IX.
   a. If there is no reasonable cause to believe a policy or law has been violated, no investigation will be conducted.
   b. If the complaint reveals probable cause that a policy has been violated but does not fall under the confines of Title IX, the investigator determines whether the complaint will be investigated through Human Resources, Office of Student Compliance, or Risk Management, and follows up accordingly.

4. The Title IX Coordinator is obligated to dismiss a formal Title IX complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:
   a. The conduct alleged in the formal complaint would not constitute sexual harassment as defined in the Policy hereinabove, even if proved; and/or
   b. The conduct did not occur in an educational program or activity controlled by the College (including buildings or property controlled by recognized student organizations), and/or the College does not have control of the Respondent; and/or
   c. The conduct did not occur against a person in the United States.

5. The Title IX Coordinator has the discretion to dismiss a formal Title IX complaint or any allegations therein if, at any time during the investigation or hearing, it is determined that:
   a. A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations therein; or
   b. The Respondent is no longer enrolled in or employed by the recipient; or
   c. Specific circumstances prevent the recipient from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Investigation:

1. There may be times when the Title IX Coordinator conducts the investigation, either instead of or in conjunction with the Title IX Investigator. The administrative supervisor of the Respondent will accompany the Title IX Investigatory in every investigatory meeting, as appropriate. An additional individual(s) may also be present in the capacity of note taker and will be passive in the process.

2. At the appropriate time in the investigation, the investigator sends a notice to the respondent, with copy to the complainant and appropriate union official, providing notice that the investigation has been initiated, consistent with language in the applicable collective bargaining agreement. The notice will generally include a no contact order between the parties.
a. The investigator may determine that the situation requires the respondent to be interviewed without advance notice. In that case, the no contact information is provided during the investigatory meeting, along with an order of no retaliation.

b. The respondent may waive union representation, consistent with the language in the applicable collective bargaining agreement.

3. Each party has the opportunity to select an advisor of the party’s choice who may be, but does not need to be, an attorney. The College will maintain a list of trained, willing advisors available to either party.

4. A pre-interview meeting will be held with the advisors and the Title IX Coordinator, to clarify the role of the advisor, with a review of the procedure that will be followed.

5. Each party has the opportunity to submit and review evidence throughout the investigation.

6. The investigator conducts the thorough, impartial investigation. The Complainant, victim, and Respondent may make a request for the investigator to interview witnesses.

7. During the investigatory interview with the Complainant and Respondent, the Title IX Investigator provides each party with related documents, including a link to the LCC Title IX and Sexual Misconduct website.

8. The investigator completes the investigation with a finding, based upon a preponderance of the evidence.

9. The Title IX Investigator or Coordinator completes a draft Investigatory Report. This report details interviews with the Complainant, Respondent, and any witnesses; any intermediate steps taken by the College; a credibility assessment; the standard of proof; findings; and appeal information.

10. Both parties are allowed to review the Investigatory Report in draft form along with all available evidence, whether relied upon during the investigation or not, during a review and comment period of ten calendar days. They make request changes based upon their role in the investigation.

11. The final report is sent to both parties at the same time. If reports are sent by US Mail, they are sent via Registered Mail. It will be provided to the parties at least ten calendar days prior to a hearing, if one is necessary. This ten-day period may be waived by the parties.

12. The College will decide whether to consolidate formal complaints of allegations of sexual harassment against more than one Respondent or by more than one Complainant against one or more Respondents or by one party against the other party, when the allegations of sexual harassment arise out of the same facts or circumstances.

4. Decision Making

Hearing:

1. The College will provide notice of the hearing, including the date, time, location, participants, applicable procedures, potential sanctions, and purpose.

2. Advisors may be required to submit all questions to the Hearing Officer prior to the hearing. The decision-maker has the final word on whether a question will be asked or not.
3. The decision-maker may require the parties and their advisors to attend a pre-hearing meeting to discuss topics or questions that the decision-maker deems relevant, appropriate, etc.

4. At the live hearing, the Hearing Officer will ask direct examination questions. During cross-examination, the Hearing Officer must permit each party’s advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those that challenge credibility. The cross-examination must be done by the advisor, but that is the only portion of a hearing during which the advisor participates. This cross-examination must be conducted directly, orally, and in real time, but the use of virtual avenues is permitted. If a party does not have an advisor, the College will provide an advisor, who does not have to be a lawyer, at no cost, to participate in the hearing and conduct the cross-examination.

5. During cross-examination, the advisor will pose a question orally. The proceedings will pause while the Hearing Officer considers the question and then determines its relevance. The Hearing Officer explains their determination on the record and directs the party or witness whether to respond. In this way, questions are funneled through the decision-maker.

6. Cross-examination must exclude evidence of the Complaint’s prior sexual behavior or predisposition, unless such evidence about the Complainant’s sexual behavior is offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant or if the evidence concerns specific incidents of the Complainant’s sexual behavior with respect to the Respondent and is offered to prove consent.

7. At the request of either party, the cross-examination will be facilitated through the use of technology to permit the parties to be in separate rooms. The Hearing Officer will make the final decision regarding whether the hearing will take place in person or not. Both parties will have access to the same information in real time.

8. The College will not access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the College obtains that party’s voluntary, written consent to do so for purposes of this investigation and/or hearing or the party self-discloses information relevant to the issue(s).

9. The College may consider statements made by parties or witnesses, even if those parties or witnesses do not participate in cross-examination at the live hearing. This may include emails or text exchanges between the parties leading up to the alleged sexual harassment, regardless of whether the parties or witnesses submit to cross-examination at the live hearing. A decision maker may also consider police reports, Sexual Assault Nurse Examiner documents, medical reports, and other documents even if those documents contain statements of a party or witness who is not cross-examined at the hearing.

10. All hearings will be recorded by the College. No other parties are allowed to record hearings.

11. The decision maker will issue a written determination regarding responsibility for each section of the policy alleged to have been violated. All parties will be provided the final written determination at the same time.
Appeal

1. Any party may appeal the findings and/or remedy by filing a written appeal to the Executive Director of Human Resources within seven business days of receipt of the final outcome document(s). The written appeal must articulate, in writing, the grounds upon which they base their request for appeal. Reasons for appeal are limited to:
   a. A procedural irregularity that affected the outcome of the matter;
   b. New evidence that was not reasonably available at the time the determination regarding the responsibility or dismissal was made, that could affect the outcome of the matter; or
   c. A party’s belief that the Title IX Coordinator, investigator, hearing officer, or decision maker had a conflict of interest or bias for or against a party that affected the outcome of the matter.

2. The Executive Director of Human Resources will assess if the appeal was made timely and whether it falls under one of the approved appeal criteria. The Executive Director of Human Resources may deny an untimely appeal or one that does not meet the criteria for appeal.

3. When the Executive Director of Human Resources receives an acceptable request for appeal, they will notify all parties and provide them with seven business days to submit a written statement in support of or challenging the outcome.

4. Within 28 calendar days of receipt of the appeal, the Executive Director of Human Resources will either uphold the investigative findings or remand the matter back to the investigators for a second review of the investigatory findings.

5. If either party is a member of a bargaining unit, they may elect to be represented by their union representative at every step of the process and may file a grievance protesting the final decision as stated by the decision-maker. If a party is not a member of a union, they may appeal the disciplinary action to the Board of Trustees, consistent with College policy.

6. The determination regarding responsibility becomes final either on the date that the College provides the parties with the written determination of the result of an appeal, if an appeal is filed, or, if an appeal is not filed, the date upon which an appeal would no longer be considered timely.

7. If a violation(s) is found to have occurred:
   a. The investigator works with appropriate administrators to ensure the violation(s) immediately cease.
   b. The investigator, together with the supervisor of the respondent, determines appropriate remedies/corrective action, consistent with the facts of the case and provisions in the applicable collective bargaining agreement and/or College policies.
   c. If countermeasures include disciplinary action, that disciplinary action is noted in the final Investigatory Report.
   d. If disciplinary action is noted in the Investigatory Report, the Title IX Coordinator also sends a letter to the Respondent, informing them that their disciplinary action was disclosed to a third party, consistent with Michigan’s Bullard Plawecki Act.
Hearing for Contested Facts:

For contested allegations, the determination of responsibility must come from a separate decision maker, which will be an individual hearing officer (also referred to as a “decision maker”). It is important that investigators not unduly influence the hearing outcome and that the hearing decision makers and the College’s process advisors/managers do not unduly influence the appeal. Each function is independent but inter-reliant. The Title IX Coordinator should have no substantive influence on the decision or appeal. Senior officials of the College, such as the president, other ELT members, or general counsel should not have any sway on the outcome of the process unless they have a formal role within it (and typically, they should not).

This does not alter the ability of the College to resolve the matter informally during the course of the investigation (when appropriate) or to resolve the matter without a hearing when the Respondent admits to the allegations. Hearings are for contested facts. If there are no contested facts, there will be no hearing if the parties agree to resolve informally.

Provision of Adequate, Reliable, and Impartial Investigation:

1. The complainant/victim will be notified of the right to file a criminal complaint where appropriate.
2. All investigation and hearing processes will be impartial and devoid of conflicts of interest that would compromise the objectivity of the process.
3. Due, or fair, process will be provided to respondents, consistent with applicable collective bargaining agreements.
4. The College will investigate and resolve Title IX complaints within 60 days from the time the complaint is received unless extenuating circumstances prohibit that completion.
5. The complainant/victim and respondent will be notified promptly in writing of the outcome of the investigation, including whether misconduct/discrimination was found to have occurred.

STANDARD OF EVIDENCE
Students, Employees, and Visitors

The College’s findings will be made using the preponderance of the evidence standard. This standard will be used consistently by the investigators, hearing officers, hearing panel members, and decision makers. This standard’s determinations are made based on “more likely than not” that the misconduct occurred.

In campus resolution proceedings, legal terms like “guilt,” “innocence,” and “burden of proof” are not applicable. The respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the process.

SANCTIONS
Students

The Hearing Panel or the Presiding Officer in an Informal Resolution is required to consider the sanctions listed below for any student found responsible for sexual harassment and misconduct that they find to be fair and proportionate to the violation. In determining an appropriate sanction, the Panel or the
Presiding Officer may consider any record of past violations of the Student Code of Conduct as well as the nature and severity of such past violation(s). The Panel or the Presiding Officer will also consider, as part of its deliberations, whether the sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation, and (c) remedy the effects of the violation on the complainant and the College community. The sanction decision will be made by the Panel by majority vote in the formal process or with agreement by both parties in an Informal Resolution. Any sanction imposed will include a justification in the written determination of the Panel or the Informal Resolution.

The College will issue sanctions consistent with the impact of the offense on the College community. Progressive sanctioning principles will be followed in that the student’s prior discipline history at the College will be taken into account. The following sanctions may be issued:

A. Written warning - A written notice to the student that the student has violated College regulations.

B. Probation - A period of observation and review of conduct during which the student or student group or organization must demonstrate compliance with College standards. Probation is for a designated period of time and includes the probability of additional sanctions if the student or student group or organization is found to violate any College regulation(s) during the probationary period. Probation may be issued for any violation(s), but will be issued for all alcohol and drug violations and all violations resulting in sanctions of suspension or dismissal.

C. Restrictions - Denial of access to specific areas of the College or participation in certain groups or activities for a designated period of time and for clearly stated reasons.

D. Discretionary Sanctions - Educational assignments, essays or other related discretionary assignments.

Discretionary sanctions for sexual misconduct offenses specifically, may include meeting with an LCC Counselor to discuss sexual harassment and/or completion of education programs.

E. No contact order – an order prohibiting contact between the responding student and the complainant, witnesses, and/or other individuals including any/all unwarranted communications between the parties including, but not limited to, communication via technology, third party communication, or face to face.

F. Suspension - Separation of the student from the College for a specified length of time (usually a year or less) after which the student is eligible to return. Conditions for readmission may be specified. Suspensions may be effective immediately or deferred (e.g., a suspension issued toward the end of a semester may be deferred to the day after the end of that semester).

When students are issued a suspension, re-entry to the College is determined at the return for suspension meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from suspension meeting.

G. Dismissal - Separation of the student from the College for a year or more. The student may be eligible for return. Conditions for readmission may be specified. Dismissals will be effective immediately.

When students are issued a dismissal, re-entry to the College is determined at the return for dismissal meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from dismissal meeting.

H. Expulsion - Termination of the student from the College permanently. Expulsions will be effective immediately.
I. Revocation of admission and/or degree - Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.”

J. Withholding degree or certificate - The College may withhold awarding a degree otherwise earned until the completion of the process set forth in the Student Code of Conduct, including the completion of all sanctions imposed, if any.

More than one of the sanctions listed above may be imposed for any single violation.

The following sanctions may be imposed for student groups or organizations:

a. Those sanctions listed above (a-j).
b. Loss of selected rights and privileges for a specified period of time.
c. Loss of Recognition - Registered Student Organizations may lose recognition and will be deprived of the use of College resources, the use of the College’s name, and the right to participate in College or campus-sponsored activities. The loss of recognition may be for a specific period of time or for an indefinite period of time until stated all conditions are met.

The decision of the Panel in the formal process, including the sanction(s), if applicable, will be announced to both parties, concurrently, by the Chair at the conclusion of the hearing. In addition, the Chair will provide a copy of the Panel’s decision to both parties, concurrently, and to the Student Title IX Coordinator, within five calendar days following the conclusion of the hearing (or longer if the Chair determines there is good cause).

Sanctions imposed by the Panel become effective immediately until the resolution of any timely appeal of the Panel’s decision. The Provost (or their designee) may suspend the determination pending exhaustion of any appeals by the responding student pursuant to the Appeals Section, may allow the responding student to attend classes or to engage in other activity on a supervised or monitored basis, or may make such other modifications to the determination as may be advisable in the sole discretion of the Provost (or their designee). The Provost’s (or their designee) decision may not be appealed.

Employees

Where prohibited misconduct is found, steps will be taken to end it immediately. In the event the investigation reveals a violation of any College Policy, disciplinary action may be imposed. The level of discipline will depend on the severity of the discrimination or harassment and may include disciplinary action up to and including termination.

Potential disciplinary actions, subject to the terms of applicable CBA and/or employment agreement, include, but are not limited to:

No action – This occurs when no violation is found, or, when it is believed the employee will respond favorably to non-formal action.

Level 1 – Lowest form of disciplinary action, for less serious infraction.
Level 2 – Next level of disciplinary action, for items not previously corrected or for more serious infractions.

Level 3 – Non-paid disciplinary suspension and known as last chance, meaning any further violations will (with few exceptions) result in termination.

Level 4 – Termination of employment. Utilized for the most serious and/or egregious infractions.

The College may also take other corrective or remedial action to address the effects of any violation of policy and will follow up as necessary to ensure that the corrective or remedial action is effective. This may include additional sanctions/requirements such as required training or other components that seek to educate and change behavior.

APPEALS

Students

Either party may appeal the College’s Dismissal of a Formal Complaint or the Hearing Panel’s decision by notifying the Office of Student Compliance (for College Dismissal of a Formal Complaint) or Hearing Chairperson of the Panel (for Hearing Panel decision) in writing within ten (10) working days of the date of the College’s decision for Dismissal of a Formal Complaint or the Hearing Panel’s decision. Such appeals shall be in writing by completing the appeal form, including any additional information, and submitting it to the Office of Student Compliance. Both parties will be notified in writing upon receipt of an appeal, and will be given five (5) working days to submit a written statement in support of, or challenging, the College Dismissal of a Formal Complaint or the Hearing Panel’s decision.

The Provost (or their designee) shall have the sole authority to determine whether or not an appeal warrants further review. An appeal that has been accepted for review shall be limited to review of the information submitted in the appeal. In addition, for appeals regarding College Dismissal of a Formal Complaint, the review shall be limited to the documents and supporting documents regarding the Formal Complaint resulting in Dismissal. For appeals regarding the Hearing Panel’s decision, the review shall be limited to the verbatim record of the Panel Hearing and supporting documents. Appeals for College Dismissal of a Formal Complaint or the Hearing Panel’s decision are for one or more of the following reasons only:

a. A procedural irregularity that affected the outcome of the matter;

b. New evidence that was not reasonably available at the time the determination regarding dismissal of the formal complaint or determination regarding responsibility was made, that could affect the outcome of the matter;

c. The Title IX Coordinator(s), Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter;

d. A sanction that is (substantially) disproportionate to the severity of the violation.

Appeal for Dismissal of a Formal Complaint

If an appeal is based on (a) or (b) (as listed above) and is approved by the Provost (or their designee), the matter shall be returned to the grievance process as determined by the Provost (or their designee).
If the appeal is based on (c) (as listed above), and is approved by the Provost (or their designee), the matter shall be returned to the grievance process with a new Title IX Coordinator or Investigator or Decision-maker as determined by the Provost (or their designee).

Appeal of the Hearing Panel’s Decision

If an appeal is based on (a) (b) or (c) (as listed above) and is approved by the Provost (or their designee), the matter shall be returned to a new Hearing Panel and Hearing Chairperson for a rehearing, which will take into consideration the suggestions made by the Provost (or their designee) in addition to the facts that were originally presented.

If an appeal is based on (d) (as listed above) and is approved by the Provost (or their designee), the matter will be returned to a new Hearing Panel and Hearing Chairperson to determine sanction(s) only.

The decision of any new Panel, after it has rendered its decision in any of these cases, shall be final upon all involved.

If an appeal is not approved by the Provost (or their designee), the matter shall be considered final upon all involved.

After an appeal of College Dismissal of a Formal Complaint or the Hearing Panel decision, both parties will be notified simultaneously in writing of the appeal outcome, including the rationale for the decision.

Supportive measures, such as mutual no-contact orders or academic course adjustments for either or both parties may continue in place throughout an appeal process.

Employees

Appeals under the Employee process are to be sent to the Executive Director of Human Resources within seven calendar days of receipt of the final outcome documents. The Executive Director of Human Resources (or designee) shall have the sole authority to determine whether or not an appeal warrants further review. An appeal that has been accepted for review shall be limited to review of the verbatim record of the hearing and supporting documents for one (or more) of the following reasons only:

A. A material deviation from written procedures that jeopardized the fairness of the process.
B. New information that was unavailable at the time of the hearing that would have resulted in a different outcome.
C. A demonstrable bias by a member(s) of the hearing panel.
D. A sanction that is (substantially) disproportionate to the severity of the violation.

Any changes to the original outcome that may occur as a result of an appeal by either party will be communicated simultaneously to both parties.

FINDINGS & NOTIFICATION OF OUTCOME

In order to comply with FERPA and Title IX, and to provide an orderly process for the presentation and consideration of relevant information, as well as privacy considerations for the parties, the hearing process is not open to the general public. Accordingly, documents relative to the hearing process, as well as testimony, other information introduced at the hearing, and any recording or transcript of the
hearing itself; may not be disclosed outside of the hearing proceedings, except as may be required or authorized by law. Under Title IX, both the complainant and the respondent must be informed simultaneously of the hearing outcome, and the College may not impose any limitations on the re-disclosure of this information. The College acknowledges that sharing the written determination with others, including family, friends, legal counsel, mental health professionals, and sexual assault advocates or survivors, may be a critically important part of a complainant’s healing process.

The written determination will include (a) identification of the allegations potentially constituting sexual harassment; (b) a description of the procedural steps taken from receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (c) findings of fact supporting the determination; (d) conclusions regarding the application of the College’s Code of Conduct to the facts; (e) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the College imposes on the respondent, and whether remedies designed to restore or preserve equal access to the College’s education program or activity will be provided by the College to the complainant; and (f) the College’s procedure and permissible basis for the complainant and respondent to appeal.

The College will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the College provides the parties with the written determination of the result of the appeal, if an appeal is filed; or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

RETALIATION

No person will be penalized for good faith utilization of channels available for resolving concerns dealing with prohibited discrimination or harassment. Lansing Community College strictly prohibits any adverse action against any individual for making a good faith report, providing information, exercising one’s rights or responsibilities under the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy, or otherwise being involved in the process of responding to, investigating, or addressing or opposing any alleged incidents of prohibited discrimination or harassment, including allegations of sexual misconduct. Any person who engages in any retaliatory actions against any such individual for having engaged in these legally protected activities will be subject to disciplinary action that may include, but is not limited to, expulsion from the College and termination of employment. In addition, any person who engages in such retaliatory actions may be subject to criminal prosecution and may become liable in civil litigation.

Making deliberately false accusations of discrimination or harassment violates the Prohibited Sex or Gender based Discrimination, Harassment, and Sexual Misconduct Policy and may violate other standards of conduct. In such instances, the complainant will be subject to disciplinary action. However, failure to prove a claim of discrimination or harassment does not constitute proof of a false and/or malicious accusation.

For Title IX purposes, no recipient or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this
part, or because an individual has made a report or complaint, testified, assisted, or participated, or refused to participate in any manner in an investigation, proceeding, or hearing. Intimidation, threats, coercion, or discrimination (including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances) for the purpose of interfering with any right or privilege under Title IX, constitutes retaliation.

Anyone who is aware of possible retaliation or has concerns regarding the response to a complaint of prohibited discrimination or harassment, including sexual misconduct, should immediately report such concerns to the Title IX Coordinator or the Equal Opportunity Officer, who will investigate the matter and pursue any appropriate corrective action.

**LCC INITIATED PROTECTIVE MEASURES**

In addition to those protective measures previously described the Title IX Coordinator or their designee will determine whether interim interventions and protective measure should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include but are not limited to: counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures may constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by LCC.

**EDUCATION**

The College provides education and information, as appropriate, for students and employees to enhance understanding and increase awareness of the College’s Prohibited Sex or Gender-Based Discrimination, Harassment, and Sexual Misconduct Policy and Procedures. Periodic training is conducted for mandated reporters and those involved in the investigation and resolution of complaints and appeals. Records of all training are maintained and, for Title IX purposes, published on the Title IX and Sexual Misconduct website. Human Resources, Student Affairs, and LCCPD are authorized to provide and develop education programs to increase knowledge and share information and resources to prevent sexual misconduct, promote safety, and reduce perpetration.

Corrections to the Annual Security Report

On March 6, 2024, the data reflected in the 2023 Annual Security Report (ASR) was revised to reflect revisions to procedures related to the Student Code of Conduct that were published on September 27, 2023. The following adjustment was made to the Annual Security Report.

- The Student Code of Conduct was revised to align with updated policies and procedures that can impact safety and security policies.

The Drug Free Schools and Campuses Regulations (34 CFR Part 86) of the Drug-Free Schools and Communities Act (DFSCA) requires an institution of higher education such as Lansing Community College, to certify that it has implemented programs to prevent the abuse of alcohol and use and/or distribution of illicit drugs both by LCC students and employees both on its premises and as a part of any of its activities. At a minimum, an institute of higher education must annually distribute the following in writing to all students and employees:

- Standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees;
- A description of the legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
- A description of the health risks associated with the use of illicit drugs and alcohol abuse;
- A description of any drug or alcohol counseling, treatment, or rehabilitation or reentry programs that are available to employees or students; and
- A clear statement that the institution will impose sanctions on students and employees and a description of those sanctions, up to and including expulsion or termination of employment and referral for prosecution, for violations of the standards of conduct.

Drug Free Schools and Communities Act

In compliance with the Drug Free Schools and Communities Act (DFSCA), LCC publishes information regarding the College’s prevention programs related to drug and alcohol abuse prevention which include standards of conduct that prohibit the unlawful possession, use, and distribution of alcohol and illegal drugs on campus and at College-associated activities; sanctions for violations of federal, state, and local laws and College policy; a description of health risks associated with alcohol and other drug use and abuse; and a description of available counseling, treatment, rehabilitation and/or re-entry programs for LCC students and employees. Any student or employee who violates the standards of conduct contained in the DAAPP is subject both to the institution’s sanctions and to criminal sanctions provided by federal, state, and local law. A complete description of these topics, as provided in the current Annual Security Report (ASR) as well as the College’s annual notification to students and employees, is available online at the LCC Police Department (LCCPD) website.

Employees

All employees of the College are expected to report for work fit for duty; that is, being able to perform assigned duties safely and acceptably without any limitations due to the use or after-effects of any substance covered by this policy.

Off-the-job and on-the-job involvement with any covered substance, as previously defined, can have adverse effects upon the workplace, the integrity of the College’s ability to serve our students, the safety of other employees, the well-being of our employees’ families, and the ability of the College to implement this policy. The College, therefore, emphasizes that it has zero tolerance for employees who arrive at work impaired by or under the influence of drugs and/or alcohol. You are “under the influence” of any substance if your use of that substance:

- Impairs your behavior or your ability to work safely and productively; or

5. Nothing in this policy shall be construed as prohibiting the President, his family members, or guests from lawfully possessing or consuming alcohol at the President’s residence.
Compliance with this policy, including compliance with mandated drug and alcohol testing, is a condition of employment.

Furthermore, as a condition of continued employment, any employee who is charged with or convicted of a violation of any state or federal criminal statute involving the manufacture, distribution, dispensation, use, or possession of any controlled substance or alcohol shall notify the Executive Director of Human Resources, in writing, of the charges or conviction no later than five (5) days after such charges or conviction(s). In accordance with the Drug-Free Workplace Act, the Drug-Free Schools and Communities Act, or applicable College policies, employees shall be subject to mandatory participation in a substance abuse assistance or rehabilitation program; and/or disciplinary action, up to and including discharge or dismissal, as determined by the College for the following reasons:

1. Failure to comply with mandated drug or alcohol testing.
2. Failure to timely report being charged with or convicted of a violation of any state or federal criminal statute involving manufacture, distribution, dispensation, use, or possession of any controlled substance or alcohol.
3. Failure to abide by this policy.

In addition, an employee may be subject to criminal prosecution by federal, state, and local authorities.

**Students**

All students on College property are expected to abide by the Student Code of Conduct. Accordingly, the following conduct and behaviors are strictly prohibited on college property, at college-sponsored events, and while pursuing an academic program:

Drug and Alcohol Prevention Program (DAAPP)
The College has a Drug and Alcohol Prevention Program that is distributed annually to all employees and students and it is provided to new employees and students. The College conducts a Biennial Review of the DAAPP. The DAAPP includes descriptions of drug and alcohol awareness programs; descriptions of health risks associated with the abuse of drugs or alcohol; provides information about available counseling or rehabilitation assistance; and specifies disciplinary sanctions imposed for violations of College policy, the Student Code of Conduct, and federal, state and local laws. The DAAPP may be accessed here at the College website. https://www.lcc.edu/campuslife/documents/daapp.pdf

Prohibited Conduct and Behaviors

Generally employees recognize that conduct that is inconsistent with common values of society and decency is inappropriate in the work environment. While Lansing Community College recognizes that the statements listed above as required behaviors, together with common values of society and decency, are sufficient notice for the majority of employees, others may appreciate further guidance. To provide employees some detail of those actions which violate LCC’s policies and common values of society and decency, the College has created a list of examples, and that list is available on the LCC.edu website along with this policy. Listing every conceivable example of unacceptable conduct is not possible. Additionally, there are some offenses, though not listed, that would be so clearly wrong that no specific reference is necessary. The Student Code of Conduct

Introduction

Lansing Community College (LCC) recognizes the value and importance of a safe and orderly learning environment that encourages honesty, integrity, and ethical conduct conducive to academic success, personal growth, and responsible social behavior. The Student Code of Conduct and Student General Rules and Guidelines ensure the protection of student rights and the health and safety of the College community, as well as to aid in efficiently operating College programs. It is the responsibility of each student to know and abide by the Student Code of Conduct and Student General Rules and Guidelines.

The College has established procedures for reporting and addressing alleged violations of the Student Code of Conduct and Student General Rules and Guidelines in accordance with the College’s Ethics and Standards of Conduct for Students Policy. These procedures are designed to provide a fair, consistent, and reliable process for all parties.

The Student Code of Conduct and Student General Rules and Guidelines apply from the time of admission to the College and continue as long as the student remains enrolled at the College. They are also applicable to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

If an individual has violated the Student Code of Conduct or Student General Rules and Guidelines on College property (including buildings, grounds, structures, and real estate, and vehicles that are owned, rented, leased, or otherwise utilized by or under the control of LCC) while not enrolled as a student at the College, but then later seeks to enroll, they must first contact the Office of Student Compliance. The same Due Process procedures listed below will be followed.

Section 1: Student Code Authority

The implementation of this procedure is the responsibility of the Dean of Student Affairs or designee.

1.1 The Director of Student Compliance develops procedures for the administration of the Student Code of Conduct and procedural rules for hearings that are in compliance with College policies and consistent with provisions of the Student Code of Conduct and Student General Rules and Guidelines.

1.2 Alleged violations are reported to the Office of Student Compliance. Due Process procedures listed in Section 5 are followed upon receipt of a report.

1.3 In cases of non-compliance with the Student Code of Conduct or Student General Rules and Guidelines, the College will issue appropriate sanctions (listed further below) up to and
including expulsion.

1.4 Decisions made by a Hearing Panel and/or the Director of Student Compliance (or designee) will be final, pending the appeal process listed further below.

1.5 The College reserves the right to refer the alleged violation to authorities for criminal prosecution or to pursue civil action if warranted.

Section 2: Jurisdiction

2.1 The Student Code of Conduct and Student General Rules and Guidelines applies to conduct that occurs on College property (including buildings, grounds, structures, and real estate, and vehicles that are owned, rented, leased, or otherwise utilized by or under the control of LCC), at College sponsored activities or events, while pursuing an academic program, and to off-campus conduct that adversely affects the College.

2.2 The Student Code of Conduct and Student General Rules and Guidelines applies at all locations under the jurisdiction of the College, and also applies to all current students of LCC regardless of their enrollment status or actual geographical location of a student (i.e., face-to-face; hybrid, HyFlex, on-line, etc.).

2.3 Students are responsible for their conduct from the time of admission to the College.

2.4 The Student Code of Conduct and Student General Rules and Guidelines applies to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

2.5 If an individual has violated the Student Code of Conduct or Student General Rules and Guidelines within the jurisdiction outlined in this section while not enrolled as a student, but later seeks to enroll, they must first contact the Office of Student Compliance. The same Due Process procedures listed in Section 5 will be followed.

2.6 The Dean of Student Affairs (or designee) will decide whether the Student Code of Conduct or Student General Rules and Guidelines applies to conduct occurring off campus.

Violation of Law and Student Code of Conduct

1. The Conduct Process may be instituted for conduct that potentially violates both law and the Student Code of Conduct without regard to any arrest or the pendency of any civil litigation or criminal prosecution. The Conduct Process may be carried out prior to, simultaneously with, or following civil or criminal proceedings at the discretion of the Dean of Student Affairs (or designee). Determinations made or sanctions imposed pursuant to this process are independent of the outcome of any civil or criminal processes.

Section 5: Student Conduct Process and Procedures

Any member of the College community should submit a report when they become aware of potential violations by a student of the Student Code of Conduct or Student General Rules and Guidelines. Reports may be made to the Office of Student Compliance via the online reporting form.

Initial Steps

5.1 The Director of Student Compliance (or designee) will conduct a preliminary review and investigation of the report to determine if the allegations have merit. If the allegations are determined to not have merit, the reporting party will be notified stating the reasons, and the matter will be closed. Such disposition shall be final and there shall be no subsequent proceedings unless the College becomes aware of additional material information that may lead to a different conclusion.

5.2 If it is determined that the allegations have merit, the responding student will be notified in writing of the allegations and alleged violation(s). The notification will direct the student to schedule an appointment with the Director of Student Compliance (or designee) to review the facts concerning the alleged violation(s) in order to determine if the process will move forward.

Student Meeting

5.3 During the meeting, the responding student meets with the Director of Student Compliance (or designee). Additional staff from the Office of Student Compliance may also be present. Meetings are not open to the public, but the student may have a support person or advisor present during the meeting. The responding student is responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the meeting. If the responding student would like a support person or
advisor present during the meeting, they must make this known at the time of scheduling the meeting, and completion of a Release of Information (FERPA) form will be required. Meetings may be facilitated via video conference at the sole discretion of the Director of Student Compliance (or designee).

5.4 After reviewing the facts with the responding student and completing any additional witness meetings, investigation, or follow-up as needed, a decision will be made as to whether to move forward with a violation(s) of the Student Code of Conduct. The standard used in the determination is the preponderance of the evidence defined as “more likely than not” whether the responding student violated the Student Code of Conduct and/or Student General Rules and Guidelines. Based on the facts and circumstances presented, the charges may be amended, changed, or dismissed, and the student will be made aware of those changes as soon as possible.

5.5 In the event that the responding student fails to contact the Office of Student Compliance within five (5) business days of the written notification, a hold may be placed on the student’s record which may result in the student’s enrollment being delayed. The Director of Student Compliance (or designee) will then review the facts available without the student and make a decision whether to move forward with charges of the Student Code of Conduct.

5.6 If a decision is made to move forward with charges, the responding student will be notified in writing of the alleged violation(s), and may elect to do one of the following:

a. The responding student may admit the alleged violation(s) and request, in writing, that the Director of Student Compliance (or designee) determine sanctions; or
b. The responding student may admit the alleged violation(s) and request a Student Conduct Hearing for determination of sanctions; or
c. The responding student may deny the alleged violation(s), and request a Student Conduct Hearing for determination of responsibility and sanctions, if found responsible.

5.7 In the event that the responding student does not make an election of one of the three options listed above in 5.6 within ten (10) business days of the written notification, then the Director of Student Compliance (or designee) will determine sanctions.

Student Conduct Hearing

5.8 A hearing will be scheduled as promptly as possible for students who request a hearing as determined under Section 5.6.

5.9 The responding student and complainant shall be given written notice of the time, date, and place of the hearing; a list of the Hearing Chairperson and Hearing Panel members; the alleged violations of the Student Code of Conduct; and additional instructions regarding Student Conduct Hearing preparation.
Members of the Student Conduct Hearing Panel are selected from a pool of trained members appointed by the Dean of Student Affairs (or designee) and are comprised of the following:

- A Hearing Chairperson who conducts the hearing but does not participate in the deliberation;
- One college administrator;
- Two college faculty members; and
- Two current students from the student body.

Student Conduct Hearings shall be carried out according to the following guidelines:

a. The Student Conduct Hearing will be scheduled at the convenience of the sitting Panel members. Efforts will be made, however, to schedule the hearing within three (3) weeks of the date the student requested a hearing. Depending on their complexity, it may take longer to schedule a hearing.

b. The parties will provide the Hearing Chairperson with a list of witnesses, and copies of documents and/or evidence they propose to present, if any, at the hearing, on or before a date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9). The Chairperson will then provide each party with the list of Hearing Panel members, witnesses and identification of case documents and/or evidence submitted by each party, if any, not later than four (4) days before the scheduled hearing date. Depending on case complexity, timelines and deadlines for identification and notification of witnesses, documents, and/or evidence may be extended.

In the absence of good cause, as determined by the Chairperson at their sole discretion, the parties may not introduce witnesses, documents, and/or other evidence at the hearing that were not provided to the Chairperson on or before the date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9). The parties are also responsible for the attendance of their witnesses at the hearing.

c. Student Conduct Hearings are not open to the public. In cases involving sexual misconduct under the Student Code of Conduct, the College will keep the complaint and investigation confidential to the extent possible or as required by law.

d. The complainant and the responding student may have a support person or advisor present during the hearing. The complainant and the responding student are responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the hearing. Parties should select a support person or advisor whose schedule allows attendance at the scheduled date and
time of the hearing. If the complainant or responding student would like a support person or advisor present during the hearing, they must make this known on or before a date set by the Chairperson (as communicated in the written hearing notice to the parties referenced in 5.9), and completion of a Release of Information (FERPA) form will be required.

e. The complainant, responding student, and their support person, or advisor will attend the entire hearing (excluding deliberations). Admission of any other person(s) to the hearing beyond the Hearing Panel members and Office of Student Compliance staff, shall be at the sole discretion of the Chairperson (or designee).

f. In Student Conduct Hearings involving more than one responding student, the Chairperson (or designee), at their sole discretion, may permit the hearings concerning each student to be conducted either separately or jointly.

g. The complainant, responding student, and witness will provide information to and answer questions from the Hearing Panel. Questions among the parties will be directed through the Hearing Chairperson. Acceptance of potential information/questions shall be at the sole discretion of the Chairperson.

h. Pertinent records, exhibits, and written statements (including Student Impact Statements) may be accepted as information for consideration by a Hearing Panel at the sole discretion of the Chairperson.

i. All procedural questions are subject to the final decision of the Chairperson.

j. Requests for a continuance shall be at the discretion of the Chairperson.

k. After all pertinent information has been received, the Hearing Panel shall determine (by majority vote) whether the responding student is responsible or not responsible for each alleged violation of the Student Code of Conduct. The Hearing Panel will also recommend an appropriate sanction(s) to the Chairperson.

l. The Panel may also recommend a different charge(s) to the Chairperson if they believe the facts support other violation(s) of the Student Code of Conduct. If the Panel recommends new charges, and they are approved by the Chairperson, a new notice of alleged violation(s) will be sent to the responding student beginning with step 5.1.

m. The Hearing Panel’s standard used in the determination shall be made based on the preponderance of the evidence defined as “more likely than not” whether the responding student violated the Student Code of Conduct and/or Student General Rules and Guidelines.

n. If a disruption occurs during the hearing, the Chairperson, at their sole discretion may have the disruptive party removed from the hearing.

o. There shall be a single verbatim record of all Student Conduct Hearings.
Deliberations shall not be recorded. The record shall be the property of the College. Any digital recording will be maintained only until the appeal process has concluded (if applicable) or until the time of appeal has lapsed. The digital recordings are not part of the public domain.

p. If a responding student or complainant, with notice, elects not to participate in the Student Conduct Hearing, they shall be considered to have waived the right to appeal. The hearing will proceed as scheduled and a determination will be made by the Hearing Panel with the student in absentia.

q. The Chairperson may accommodate concerns for personal safety and well-being of all parties by providing separate facilities, by using a visual screen, or by authorizing participation by video conference. In such cases, written notice will be given to all parties as to the reason for the decision.

r. Once the Hearing Panel has made a decision as to whether more likely than not the responding student, student group, or organization has violated the Student Code of Conduct and/or Student General Rules and Guidelines, the Hearing Panel will make recommendations to the Chairperson regarding appropriate sanction(s).

s. After receiving the Panel recommendations, the Chairperson shall make a final determination of the most appropriate sanction(s) proportionate to the violation(s), taking into consideration the Hearing Panel’s recommendations.

Informal Resolution

5.12 If the complainant requests an alternate form of resolution, and the responding student agrees, then the parties will engage in an informal process. If the Informal Resolution results in mutual satisfaction of both parties, then the case will be considered adjudicated. If the case is not adjudicated, then it will be forwarded to the Hearing Panel for a Student Conduct Hearing.

5.13 The College will obtain the parties' voluntary, written consent to the Informal Resolution, and will provide the parties written notice disclosing the allegations and the requirements of the Informal Resolution Process. The College may also determine when an Informal Resolution may be appropriate. Either party can withdraw from an Informal Resolution at any time prior to agreeing to the resolution. The College may propose sanctions as part of the Informal Resolution, and both parties must agree to the resolution.

5.14 Informal Resolution provides an opportunity for the complainant and the responding student to state their positions regarding the incident as well as to communicate their proposed solutions. Both parties must attend the Informal Resolution in front of a Presiding Officer, who facilitates the Informal Resolution. Both parties must fully participate in a respectable manner.
5.15 A Presiding Officer will facilitate the Informal Resolution. Staff from the Office of Student Compliance may also be present. Informal Resolution proceedings are not open to the public, but the parties may have a support person or advisor present. The parties are responsible for presenting their own information, and therefore, a support person or advisor is not permitted to speak or to participate directly in the proceeding. If the complainant or responding student would like a support person or advisor present, they must make this known at the time of consenting to the Informal Resolution, and completion of a Release of Information (FERPA) form will be required.

5.16 If the responding student elects to acknowledge their actions and take responsibility for the alleged violation(s), the Presiding Officer will ask for input from the parties in deciding the appropriate sanction(s). The Presiding Officer will present the proposed sanction(s) to the parties. The parties must agree on the sanction(s). If the parties disagree, further discussion will take place until the parties are in agreement. Once an agreement on sanctions has been reached, the Informal Resolution will be concluded, and the case will be resolved without any further rights of appeal by either party. The Presiding Officer may also issue supportive measures such as a no-contact order agreed upon by the parties as deemed appropriate. In the event an agreement cannot be reached regarding sanction(s), the case will be forwarded to the Hearing Panel for a Student Conduct Hearing.

5.17 If the responding student elects to contest their actions and deny responsibility for the alleged violation(s), and the complainant agrees, the Informal Resolution will be concluded, and the case will be closed without any further rights of appeal by either party. The case, however, may be reopened if material additional information becomes known. If the complainant disagrees, further discussion may take place with agreement from the parties, or the case will be forwarded to the Hearing Panel for a Student Conduct Hearing. The parties may also discuss mutually agreed upon supportive measures such as a no-contact order or change in schedule that may bring resolution to the matter without a finding of responsibility.

Outcome of Student Meeting, Hearing, or Informal Resolution

5.18 The complainant will receive information regarding the notification of alleged violations to the responding student, as well as the outcome and final decision of the meeting, hearing, or informal resolution including a rationale for the decision. Complainants of sexual misconduct under the Student Code of Conduct will receive a copy of the actual notification and sanction letter sent to the responding student.

1. Interim Suspension

In certain circumstances, the Dean of Student Affairs (or designee), may impose an interim suspension at the onset of the Student Conduct Process.

Interim suspension may be imposed only in the following circumstances:
a. to ensure the safety and well-being of members of the College community or preservation of College property; or
b. to ensure the student's own physical or emotional safety and well-being; or
c. if the student causes disruption of, or interference with, the normal operations of the College.

During the interim suspension, a student shall be denied access to the campus (including classes) and/or all other College activities or privileges for which the student might otherwise be eligible, as determined by the Dean of Student Affairs (or designee).

Students may appeal an interim suspension by submitting a written statement within two business days of receiving written notification of the interim suspension to the Office of Student Compliance. The written statement should outline why the interim suspension is inappropriate. The Provost (or designee) will review the appeal and provide a response within 5 business days.

The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and including the completion of a Student Conduct Hearing, if required.

1. Appeals

Either party (responding student or complainant) may appeal the decision of the Director of Student Compliance (or designee) or the decision of the Hearing Panel within ten (10) business days of the date of the decision. Such appeals shall be in writing by completing the appeal form, including any additional information, and submitting it to the Office of Student Compliance. Both parties will be notified in writing upon receipt of an appeal.

The Provost (or designee) shall have the sole authority to determine whether or not an appeal warrants further review. An appeal that has been accepted for review shall be limited to a review of the information submitted in the appeal. In addition, for appeals regarding the Hearing Panel’s decision, the review may include the verbatim record of the Student Conduct Hearing and supporting documents. Appeals may be considered for one or more of the following reasons only:

a. A procedural irregularity that affected the outcome of the matter;
b. New evidence that was not reasonably available at the time determination regarding responsibility was made, that could affect the outcome of the matter;
c. A demonstrable bias by a member(s) of the Hearing Panel;
d. A sanction that is (substantially) disproportionate to the severity of the violation(s).

If an appeal is based on (a), (b) or (c) (as listed above) and is approved by the Provost (or designee), the matter shall be returned to a new Student Conduct Hearing Panel and Chairperson for a hearing or rehearing, which will take into consideration the suggestions made by the Provost (or designee) in addition to the facts that were originally presented.
If an appeal is based on (d) (as listed above) and is approved by the Provost (or designee), the matter will be returned to a new Student Conduct Hearing Panel and Chairperson to determine sanction(s) only.

The decision of the new Hearing Panel and Chairperson, after it has rendered its decision in any of these cases, shall be final and binding upon all involved.

If an appeal is not approved by the Provost (or designee), the matter shall be considered final and binding upon all involved.

Both parties will be notified simultaneously in writing of the appeal outcome, including the rationale for the decision.

Student Code of Conduct in its entirety

Student General Rules and Guidelines
A positive and successful learning environment provides opportunities for all students to successfully complete their educational goals while developing life skills necessary to enrich and support themselves, their families, and their community as global citizens. The College recognizes the value and importance of a safe and orderly learning environment that encourages honesty, integrity, and ethical conduct conducive to academic success, personal growth, and responsible social behavior.

The Student General Rules and Guidelines and Student Code of Conduct ensure the protection of student rights and the health and safety of the College community, as well as to aid in the efficient operation of College programs; and apply from the time of admission and continue as long as the student remains enrolled at the College. They will also be applicable to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending.

The Office of Student Compliance is an integral part of the positive educational environment at Lansing Community College (LCC), and is responsible for upholding the Student General Rules and Guidelines and Student Code of Conduct. We support the Mission of the College by responding to and resolving situations in which the behavioral choices of students are negatively impacting the college community, or other students, including themselves.
Conduct included in the Student General Rules and Guidelines relevant to the Drug and Alcohol Policy is listed below.

Drugs and Alcohol
Lansing Community College complies with the Drug-Free Workplace Act and the Drug Free Schools and Communities Act.

The College is committed to providing a campus environment free of prohibited drug and alcohol use and intoxication, consistent with federal, state, and local law, and College policy. The policy applies to all students.

Student General Rules and Guidelines in its entirety
The LCC Police Department (LCCPD) is responsible for the enforcement of state underage drinking laws and enforcement of Federal and State drug laws. The Dean of Student Affairs or designee, and the Executive Director of Human Resources or designee are responsible for the administration of the Drug and Alcohol Policy.

Legal Sanctions

A. Federal

The Federal Controlled Substances Act makes it unlawful for a person to knowingly or intentionally manufacture, distribute or dispense a controlled substance or counterfeit substance. It is also unlawful to possess with the intent to manufacture, distribute, or dispense a controlled substance or counterfeit substance.

The law also makes it unlawful for any person to knowingly or intentionally possess a controlled substance unless such substance was obtained directly, or pursuant to a valid prescription or order, from a practitioner, while acting in the course of his professional practice, or as otherwise permitted by law.

There are strict penalties for violating the Controlled Substances Act, including mandatory prison terms for many offenses. The following information, although not exhaustive, provides an overview of federal penalties for certain drug-related convictions related to the illegal possession or distribution of controlled substances.

Federal Penalties and Sanctions for Illegal Possession of a Controlled Substance

Under Michigan law, it is illegal for anyone under the age of 21 to purchase, consume or possess, or have any bodily content of alcohol. The following summarizes some of the potential legal consequences for violating state law. A first-time conviction may result in a fine, substance abuse education and treatment, community service and court-ordered drug screenings.

- There also is a provision for possible imprisonment or probation for a second or subsequent offense.
- The use of false identification by minors in obtaining alcohol is a misdemeanor punishable of 93 days in jail with a $100 fine, loss of driver’s license, probation and community service.
- Individuals can be arrested and/or convicted of operating a vehicle while intoxicated with a blood alcohol concentration (BAC) level at .08 or higher. If a student is under 21, there is a “zero tolerance” law in the state of Michigan, and any blood alcohol level of .02 or higher can lead to a minor in possession (MIP) citation as well as being cited for operating a vehicle while intoxicated, if applicable. This is in addition to suspension of driving privileges in the State of Michigan.

State of Michigan law also states, “if the subsequent consumption of the alcoholic liquor by the minor is a direct and substantial cause of the minor’s death or an accidental injury that causes the minor’s death, the individual furnishing alcohol is guilty of a felony, punishable by imprisonment for not more than 10 years or a fine of not more than $5,000.00, or both”.

C. Local

ALCOHOL

The City of Lansing ordinances prohibits the “sale, consumption or possession of an alcoholic beverage in an open container on public property.” Violations of the city ordinance may subject an individual to fines and costs, requirement to participate in alcohol and/or substance abuse treatment and may possibly result in a driver’s license suspension. A violation of this city ordinance is a misdemeanor of not more than 90 days of imprisonment and or a fine not exceeding $500, plus cost of prosecution. City of Lansing Ordinance prohibits the “Either directly or indirectly, personally or by his or her clerk, agent, servant or employee, sell, furnish, give or deliver any alcoholic liquor to any person under twenty-one years of age. A violation of this city ordinance is a misdemeanor of not more than 90 days of imprisonment and or a fine not exceeding $500, plus cost of prosecution.”
DRUGS
City of Lansing prohibits “intentionally smelling or inhaling the fumes of any substance releasing vapors for the purpose of causing euphoria, excitement, exhilaration, stupefaction or dull senses. No person shall possess, buy or use any such substance for the purpose of violating or aiding or abetting another to violate this section. A violation of this city ordinance is a misdemeanor of not more than 90 days of imprisonment and or a fine not exceeding $500.”

In May of 2021, the City of Lansing repealed the drug paraphernalia ordinance that prohibited the use of “drug paraphernalia including the possession with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale or otherwise introduce into the human body a controlled substance in violation of State or local law”. A violation of this city ordinance previously was a misdemeanor of not more than 90 days of imprisonment and or a fine not exceeding $500.

Health Risks

Drug Abuse

**Alcohol Abuse**

**Health Risks Associated with Alcohol Abuse**

The consequences associated with alcohol abuse among college students are far reaching. According to the National Institute on Alcohol Abuse and Alcoholism, “Students who engage in risky drinking may experience blackouts (i.e., memory loss during periods of heavy drinking); fatal and nonfatal injuries, including falls, drownings, and automobile crashes; illnesses; missed classes; unprotected sex that could lead to a sexually transmitted disease or an unwanted pregnancy; falling grades and academic failure; an
arrest record; accidental death; and death by suicide. In addition, college students who drink to excess may miss opportunities to participate in the social, athletic, and cultural activities that are part of college life.”

The risks are not just limited to students. The Centers for Disease Control and Prevention identifies the following short-term and long-term health risks related to alcohol use and abuse:

**Short-Term Health Risks:**
Excessive alcohol use has immediate effects that increase the risk of many harmful health conditions. These are most often the result of binge drinking and include the following:

- Injuries, such as motor vehicle crashes, falls, drownings, and burns.
- Violence, including homicide, suicide, sexual assault, and intimate partner violence.
- Alcohol poisoning, a medical emergency that results from high blood alcohol levels.
- Risky sexual behaviors, including unprotected sex or sex with multiple partners. These behaviors can result in unintended pregnancy or sexually transmitted diseases, including HIV.
- Miscarriage and stillbirth or fetal alcohol spectrum disorders (FASDs) among pregnant women.

**Long-Term Health Risks:**
Over time, excessive alcohol use can lead to the development of chronic diseases and other serious problems including:

- High blood pressure, heart disease, stroke, liver disease, and digestive problems.
- Cancer of the breast, mouth, throat, esophagus, liver, and colon.
- Learning and memory problems, including dementia and poor school performance.
- Mental health problems, including depression and anxiety.
- Social problems, including lost productivity, family problems, and unemployment.
- Alcohol dependence, or alcoholism.

Binge drinking is a pattern in which a person consumes 4-5 alcoholic drinks in a short period of time (about 2 hours). Alcohol Use Disorder or Alcoholism results from a continued pattern of drinking alcoholic beverages, dependence on alcohol, and disregard for consequences of alcohol intoxication. Known risks for binge drinking and/or alcoholism include (but are not limited to) disruption of mood; change in behavior; inability to think clearly; decreased coordination; heart problems, including stroke, arrhythmias, and high blood pressure; Steatosis, or fatty liver, Alcoholic hepatitis, Fibrosis, Cirrhosis; Pancreatitis, a dangerous inflammation and swelling of the blood vessels in the pancreas that prevents proper digestion; increased risk of mouth cancer, esophagus cancer, throat cancer, liver cancer, and breast cancer; and weakened immune system.

**Drug and Alcohol Programs**

The College offers educational and referral services to employees aimed at preventing substance abuse and assisting in rehabilitation. The [Employee Assistance Program (HMSA) provides](#) professional counseling and referral services designed to help LCC employees and eligible family members (spouse and dependents) with personal, job, or family related problems as well as specific resources to help employees resolve problems with substance abuse (alcohol and drugs). The College’s Employee
Assistance Program provides treatment or rehabilitation programs for employees. Employees have 24/7 phone access to live counselors, 365 days a year where they can talk to a counselor for an assessment and referral of services regarding drugs and alcohol which may include treatment and rehabilitation programs. Services are confidential, free, and the counselors work with individuals to identify, resolve, and gain control over issues that may be interfering with work and daily life.

The College offers comprehensive employee medical benefits, which promote health, wellbeing, and support for eligible employees and their families. These benefits include paid time off for leaves of absence related to substance abuse treatments.

Disciplinary Sanctions
Students and employees who violate the standards of conduct outlined in this DAAPP are subject to both institutional sanctions as well as criminal sanctions provided under local, state, and federal law.

Employees
As required by the Drug-Free Schools and Communities Act, any employee found to be in violation of the prohibitions listed in the Drug and Alcohol Policy shall be subject to disciplinary actions up to and including termination of employment.
Section III of the current Drug and Alcohol Policy states: “Compliance with this policy, including compliance with mandated drug and alcohol testing, is a condition of employment. Furthermore, as a condition of continued employment, any employee who is charged with or convicted of a violation of any state or federal criminal statute involving manufacture, distribution, dispensation, use, or possession of any controlled substance or alcohol shall notify the Executive Director of Human Resources, in writing, of the charges or conviction no later than five (5) days after such charges or conviction(s). The Executive Director of Human Resources shall report conviction(s) as required by the Drug-Free Workplace Act. In accordance with the Drug-Free Workplace Act, the Drug-Free Schools and Communities Act, or applicable College policies, employees shall be subject to mandatory participation in a substance abuse assistance or rehabilitation program; and/or disciplinary action, up to and including discharge or dismissal, as determined by the College for the following reasons: Failure to comply with mandated drug or alcohol testing. Failure to abide by this policy. In addition, an employee may be referred for criminal prosecution by federal, state, and local authorities.” The process for ensuring consistency in disciplinary action when an employee violation occurs, is as follows:

- Level one and level two disciplinary actions require approval of the Director of Labor and Employee Relations; and
- Level three and level four disciplinary actions require the recommendation of the Director of Labor and Employee Relations, and the approval of the Executive Director of Human Resources.
  - Level 1 – Lowest form of disciplinary action, for less serious infractions
  - Level 2 – Next level of disciplinary action, for items not previously corrected or for more serious infractions.
  (Levels 1 and 2 do not include suspensions)
  - Level 3 –a non-paid disciplinary suspension.
  - Level 4 – Termination of employment.
  (Violations of the DAAPP generally result in Level 3 or 4 disciplinary actions)

Employees who violate the Alcohol and Drug policy may be subject to mandatory participation in a substance abuse assistance or rehabilitation program as a condition of continued employment or reemployment. The Employee Assistance Program provider develops and implements individual treatment plans with input from the College. The EAP provider submits reports to the College regarding participation and completion of treatment plans mandated due to violations of the Drug and Alcohol Policy.

Students

As required by the Drug-Free Schools and Communities Act, any student found to be in violation of the prohibitions listed in the Drug and Alcohol Policy (including the Student Code of Conduct) shall be subject to disciplinary actions up to and including expulsion. The Student Code of Conduct sanctioning section states the following: The Conduct Officer, Presiding Officer, or Hearing Panel and the Chairperson will consider the sanctions listed below for any student found responsible for a violation(s) of the Student Code of Conduct or Student General Rules and Guidelines that they find to be fair and proportionate.
to the violation(s). In determining an appropriate sanction(s), they endeavor to be educational and restorative in nature and may also consider any record of past violations of the Student Code of Conduct or Student General Rules and Guidelines as well as the nature and severity of such past violation(s). Any sanction(s) issued will include a rationale in the written determination. The College will issue sanctions consistent with the impact of the offense on the College community. Progressive sanctioning principles will be followed in that the student’s prior discipline history at the College will be taken into account. The following sanctions may be issued:

a. Written Warning - A written notice to the student that the student has violated College regulations.

b. Probation - A period of observation and review of conduct during which the student or student group or organization must demonstrate compliance with College standards. Probation is for a designated period of time and includes the probability of additional sanctions if the student or student group or organization is found to violate any College regulation(s) during the probationary period. Probation may be issued for any violation(s), but will be issued for all alcohol and drug violations and all violations resulting in sanctions of suspension or dismissal.

c. Restrictions - Denial of access to specific areas of the College or participation in certain groups or activities for a designated period of time and for clearly stated reasons.

d. Discretionary Sanctions - Educational assignments, essays, or other related discretionary assignments.

*Discretionary sanctions may be issued for any violation(s). Discretionary sanctions for drug and alcohol offenses specifically, may include assignments, essays, informational meetings, meeting with an LCC Counselor to discuss drug and alcohol abuse, Random Preliminary Breath Test (PBT), and completion of community drug and/or alcohol rehabilitation programs, and education programs. Discretionary sanctions for sexual misconduct offenses specifically, may include meeting with an LCC Counselor to discuss sexual harassment and/or completion of education programs.*

e. No contact order – an order prohibiting contact between the responding student and the complainant, witnesses, and/or other individuals including any/all unwarranted communications between the parties including, but not limited to, communication via technology, third party communication, or face to face.

f. Suspension - Separation of the student from the College for a specified length of time (usually a year or less) after which the student is eligible to return. Conditions for readmission may be specified. Suspensions may be effective immediately or deferred (e.g., a suspension issued toward the end of a semester may be deferred to the day after the end of that semester).
When students are issued a suspension, re-entry to the College is determined at the return from suspension meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from suspension meeting. The College does not have a specific re-entry program for students with alcohol and drug violations beyond what is listed here.

g. Dismissal - Separation of the student from the College for a year or more. The student may be eligible for return. Conditions for readmission may be specified. Dismissals will be effective immediately.

When students are issued a dismissal, re-entry to the College is determined at the return from dismissal meeting with the Office of Student Compliance. All sanctions must be completed prior to the return from dismissal meeting. The College does not have a specific re-entry program for students with alcohol and drug violations beyond what is listed here.

h. Expulsion - Termination of the student from the College permanently. Expulsions will be effective immediately.

i. Revocation of Admission and/or Degree - Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

j. Withholding Degree or Certificate - The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code of Conduct, including the completion of all sanctions imposed, if any.

More than one of the sanctions listed above may be imposed for any single violation.

The following sanctions may be imposed for student groups or organizations:

a. Those sanctions listed above in (a-j).

b. Loss of selected rights and privileges for a specified period of time.

c. Loss of Recognition- Registered Student Organizations may lose recognition and will be deprived of the use of College resources, the use of the College’s name, and the right to participate in College or campus-sponsored activities. The loss of recognition may be for a specific period of time or for an indefinite period of time until stated all conditions are met.

Sanctions are administered on a case by case basis, taking into consideration the severity of the violation, the specific circumstances, the presence of any mitigating or aggravating factors (such as depression or the death of a loved one, an assault or a threat, substance abuse history) and/or any prior violations of the Student Code of Conduct, including any prior violations involving drugs or alcohol. All students with drug or alcohol violations receive probation as a sanction, and are required to meet with
the Office of Student Compliance at least once per semester of enrollment and may be subject to violations of the Student Code of Conduct if they have any additional violations during the probationary period.

The ultimate goal of the sanctions is to reinforce LCC’s commitment to a positive and safe learning environment consistent with acceptable social standards, and in accordance with federal, state and local laws. To achieve this goal, one or more of the sanctions listed above may be assigned in addition to probation. Students are given deadlines by which to complete the sanctions and receive reminder emails about sanction deadlines prior to the deadline and after the deadline, if still incomplete. In addition, the Office of Student Compliance generates a report every other month of students with alcohol or drug violations to monitor student progress on sanction completion. Students who do not complete sanctions by the deadline and after the two email reminders, receive an additional email letter reminding them of the need to complete sanctions and requesting a follow-up meeting with the Office of Student Compliance.

To maintain consistency of sanctions among students, a report is generated by the Office of Student Compliance via the case management system for the current and previous two academic years of student alcohol and drug violations. The report is reviewed by the Director of Student Compliance and/or the Student Conduct Officer to evaluate current and historical sanctions for students with similar violations and circumstances before sanctions are issued to maintain consistency.

Furthermore, when applicable, the Office of Student Compliance will work closely with the LCC Police Department when a student has also violated the law. The LCC Police Department will seek prosecution of drug and alcohol related offenses that occur on the college campus and involve currently enrolled students when warranted.

In addition, a student may be referred for prosecution by federal, state, and local authorities.

PREPARATION OF DISCLOSURE OF CRIME STATISTICS FOR THE ANNUAL SECURITY REPORT

LCC established a Clery Compliance Committee to coordinate an effective response to the obligations of the Clery Act. The Compliance Committee consists of The Senior Vice President/Provost, Associate Dean of the Center for Student Support, Athletic Director/Associate Title IX Coordinator, Director of Emergency Management, Chief of Police, Deputy Chief of Police, Director of Risk Management and Legal Services, Director of Student Compliance/Student Title IX Coordinator, Director of Student Life/Ombudsperson, Executive Director of Administrative Services, Human Resources Manager/Title IX Coordinator, Title IX Investigator/Conduct Officer, Director of Academic and Career Advising, Director of Academic Success Coaches, Associate Vice President of External Affairs/Development/K-12 Operations, Associate Director of Financial Aid, Communications Coordinator, Public Relations Coordinator, Police Sergeant, Director of Job Training Center/Centralized Services, Director of Extension/Lifelong Learning, Director of the Office of Compliance, and the Compliance Coordinator. The committee receives training, reviews policies and procedures related to Clery statistics, and discusses ways to improve various components of Clery compliance.

The College’s Police Department, in cooperation with designated campus officials and the Clery Compliance Committee/sub-committees, prepare the Annual Security Report. The Annual Security Report contains three years of selected crime statistics and certain campus security policy statement. The LCCPD and the Human Resources Department disseminate an annual written request for statistical information. The statistical information is compiled by LCCPD and it is based on reported crimes that occurred on campus, crimes that occurred on locations adjacent to the College campuses, crimes that occur on properties owned or under the control of the College, arrests, and referral statistics LCCPD receives from campus officials, CSA’s and other local or State law enforcement agencies with proper jurisdiction under the Clery Act. Not all local or State law enforcement agencies respond to the requests for statistics. A police officer is designated to review all incident reports to ensure crimes are properly classified in the correct crime category. That police officer periodically examines the data to ensure that all crimes have been reported in accordance with the applicable crime definitions. LCCPD then submits the annual crime statistics, published herein, to the Department of Education. The statistical information gathered by the Department of Education is available to the public through the ED website.
By October 1st of each year, all students and employees of the College community are notified by email that the Annual Security Report has been posted and is accessible on the College’s website. The College also reports the annual crime statistics contained in this report to the U.S. Department of Education. A searchable database containing those statistics can be found at the U.S. Department of Education Campus Safety and Security website.

Notice of the availability of the ASR report and the website address for accessing the ASR is provided on an ongoing basis to prospective students and employees through the College online application process.

Also, as required by the Clery Act, information concerning our compliance with the Drug-Free Schools and Communities Act of 1989 (amends the Higher Education Act), is contained in this report.

REGISTERED SEX OFFENDER INFORMATION

Sex Offender Registration Information. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. Information regarding registered sex offenders in the State of Michigan under section 121 of the Adam Walsh Child Protection and Safety Act of 2006 (42 U.S.C 16921) may be obtained by clicking on the link to the State of Michigan Sex Offender Registry. The Michigan’s Sex Offender Registration Act as amended conform to the federal Adam Walsh Child Protection and Safety Act. The Campus Sex Crimes Prevention Act (CSCPA) is a federal law that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education or working or volunteering on campus. The CSCPA amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act to require sex offenders already required to register in a state to provide notice, as required under state law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. The Michigan Sex Offenders Registry is posted on the College website.

HEOA NOTIFICATION OF VICTIMS OF CRIMES OF VIOLENCE

The College will, upon written request, disclose to the alleged victim of a crime of violence or a non-forceible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

CLERY ACT GEOGRAPHY

Under the Clery Act, for incidents to be properly included in crime statistics, the offense must occur on Clery-defined campus geography, meet the definition of a Clery crime, and be reported to a Campus Security Authority or a law enforcement agency with proper jurisdiction. This information is aggregated by the LCCPD and distributed in this report.

On-Campus - Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to,
the institution's educational purposes; and any building or property that is within or reasonably contiguous to the area identified in paragraph (i) of this definition, that is owned by the College but controlled by another person, is frequently used by students, and supports institutional purposes.

Non-Campus Buildings or Property - Any building or property owned or controlled by a student organization that is officially recognized by the College; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the College.

Public Property - All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.

SEPARATE CAMPUSES

All policy statements contained in this report apply to Downtown, West, East, Mason, and Livingston campuses unless otherwise indicated

Corrections to the Annual Security Report

*On March 6, 2024, the data reflected in the 2023 Annual Security Report (ASR) was revised to reflect a correction to the 2022 crime statistics that were published on September 27, 2023. In conducting an audit, the College identified a crime statistic that should be included in the 2022 crime statistics and have revised the crime statistics accordingly. The following adjustment was made to the Annual Security Report.

- Downtown Campus Public Property Aggravated Assault – one statistic added.

This section includes number five charts of crime statics. The charts show the number of crimes reported to have occurred at LCC locations for calendar years 2020, 2021 and 2022.

The College may withhold, or subsequently remove, a reported crime from its crime statistics in the rare situation where a sworn or commissioned law enforcement personnel have fully investigated the reported crime and, based on the results of the full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore “unfounded”. There were no unfounded crimes which were withheld from the following statistics for calendar years 2020, 2021 or 2022.

LCC crime statistics can be found on the website.
