Dear Students and Parents/Guardians,

On behalf of the Career Preparation Center staff, welcome to the Eaton Regional Education Service Agency (RESA) Career Preparation Center.

The Career Preparation Center office is located at Lansing Community College (LCC) West Campus, room M104. The Career Preparation Center offers 19 programs located at: LCC West Campus, LCC Downtown Campus, AIS Construction, Farm Bureau Insurance, Davenport University and Potter Park Zoo.

Eaton RESA’s Career Preparation Center has partnered with Lansing Community College for over 45 years to offer Career and Technical Education opportunities to area high school students. Over the past decade, we have expanded our partnerships to include AIS Construction, Potter Park Zoo, Davenport University, Olivet College and Farm Bureau Insurance in an effort to increase programming options for students.

By enrolling and successfully completing Career Preparation Center programs, students will learn technical and employability skills, earn high school credit, and have an opportunity to earn college credit. Successful graduates of our programs have found employment in their program areas, entered into apprenticeship programs, continued at LCC or Davenport University to earn an associate degree, or transferred to other universities to continue their education. Whichever of these goals you may have for yourself this year, Eaton RESA Career Preparation Center’s instructors and staff are prepared to help you reach your goals.

We are pleased to welcome you to the Career Preparation Center and look forward to working with you throughout the 2021-2022 school year!

Sincerely,

Michael Reynolds

Michael Reynolds, Principal

PURPOSE OF HANDBOOK

The purpose of this handbook is to provide students and their parents or guardians information regarding the operation and expectations of the Eaton Regional Education Service Agency Career Preparation Center Programs. It is not intended to be all-inclusive, and we reserve the right to make changes to this handbook as needed.

Career Preparation Center Instructional Goals and Responsibilities

Eaton Regional Education Service Agency’s Career Preparation Center helps prepare students for success in careers and lifelong learning. It is our intent to provide educational experiences and guidance for students to plan and prepare for a future in the world of work and in education beyond high school.

In The World of Work

Students leave with marketable job skills that can improve employment opportunities and lead to earnings that help offset higher education expenses.

In Education Beyond High School

Students will also gain an introductory college experience, including the opportunity to earn college credit in most programs.

As a student, you have the responsibility:

1. To respect the rights and viewpoints of other students.
2. To attend school regularly and arrive in class on time.
3. To care for school property and the property of others.
4. To work cooperatively with the Principal, Instructor, Student Services Coordinator, Academic Support staff, Bus Drivers, and all other members of the Eaton RESA Career Preparation Center to ensure an environment conducive to learning.
5. To follow school rules.

As a parent/guardian, you have the responsibility to:

1. To teach your student that school is a place to learn and promote a positive attitude toward school.
2. To discuss the school rules with your student.
3. To see that your student is in school, and on time, every day unless he/she is ill.
4. To inform the school of any medical or health related problems that might affect the attendance or performance of the student.
5. To work cooperatively with school personnel in resolving discipline problems.
PARENT INFORMATION

PARENT INVOLVEMENT

The Eaton RESA Career Preparation Center supports parental involvement as both a valuable resource and partnership that supports student learning and achievement. Students whose parents are involved in their education benefit from improved test scores, better attendance, higher rates of program completion, fewer disciplinary issues, higher graduation rates, and increased post secondary enrollment.

The Eaton RESA Career Preparation Center Plan for parent involvement includes information, resources and activities to support student learning and achievement:

- Parents are informed through attendance notifications, and electronic access to student’s grades and attendance using PowerSchool’s parent/student portal.
- The Career Preparation Center provides this Parent/Student Handbook as a resource to inform and answer questions regarding student issues.
- Parents are encouraged to support their students by attending Bring Your Parent to School Day and Awards Night.

POWERSCHOOL

Eaton RESA Career Preparation Center utilizes a web-based student management system to report grades and attendance. Students and parent/guardian will each receive access to the system’s student/parent portal. This will allow parents and students to check assignments, grades, and attendance as needed.

MARKING PERIODS

To accommodate local schools on semesters and trimesters Eaton CPC operates under a 6 marking period system.

CHANGE OF ADDRESS AND/OR PHONE

It is the responsibility of the student or parent/guardian to provide the Career Preparation Center with any changes regarding a student’s address and/or telephone number.

All mailed correspondence from the Career Preparation Center will be sent to the address of the parent/guardian given on the student’s enrollment form unless otherwise arranged.

CELL PHONES AND OTHER ELECTRONIC DEVICES

The operation of electronic equipment cannot interrupt classroom work. Therefore:

- Cell phones and text messaging cannot be used in the classroom.
- Parents who wish to contact students must do so through the Career Preparation Center office at (517) 483-9966.
- Personal radios, music players, and similar electronic devices are only allowed in a class or lab area with permission from the instructor.
- The Career Preparation Center is not responsible for the loss or theft of electronic devices.
CURRICULUM CONTENT INCLUDING HEALTH AND SAFETY

As the parent or legal guardian, you have the right to review materials or curriculum content; and/or excuse your child from the instruction without penalty. To exercise these options, or for more information, please contact the office (517) 483-9966.

Students who are to be placed in a co-op, work experience or internship position with a health facility will receive instruction on blood borne pathogens.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Parents/guardians MUST sign an authorization release and return it to the Career Preparation Center office.

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

Parents and guardians of each student under 18 years of age and each student who is 18 years of age and older (eligible student) have certain rights in relation to records kept on the student by the Eaton Regional Education Service Agency.

These rights include:

1. The right to examine the student’s education records within 45 days of the day the request is received. Requests for inspection shall follow the outlined procedure:
   a. Signed, written request submitted to the Principal of the Career Preparation Center identifying the record(s) to be inspected.
   b. Upon receipt of the signed, written request, the Principal of the Career Preparation Center will make the necessary arrangements for the inspection of the student’s educational records and notify the parent/guardian or eligible student.

2. The right to have the administration hear evidence that any part of the record is inaccurate and to request corrections to the record. If the administration disagrees, the parent/guardian or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

3. The right to have records which personally refer to a student kept confidential except by consent of the parent/guardian/student, or when being used by school personnel for school business. The intent of the Eaton Regional Education Service Agency is to limit the disclosure of information contained in a student’s education records except:
   a. by prior written consent of the student’s parent or the eligible student,
   b. as directory information unless the parent/guardian completes and returns a Directory Information Opt Out Form to the CPC office, or,
   c. under certain circumstances, as permitted by FERPA

   The Board of Education shall be the final authority in any appeal. Minor students cannot appeal unless their parent(s) or guardian(s) are in agreement with that decision.

4. The right to obtain a copy of the Board of Education Policy on Privacy of Student Records from the Eaton Regional Education Service Agency office.

5. The right to protest to:

   The Family Policy and Regulations Office
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC  20206-4605

Eaton RESA does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, “Protected Classes”), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. Civil Rights Coordinators are located at 1790 E. Packard Hwy, Charlotte Michigan to handle inquiries regarding the nondiscrimination policies and grievance procedures. Telephone (517) 543-5500.
ATTENDANCE

The Eaton RESA Board of Education believes that it has a responsibility to encourage students to attend programs on a regular basis. It is our view that attendance is important because it develops positive work habits which will aid students when they seek future employment, and it allows students the full benefit of their Career Preparation Center training program.

The Board of Education also believes that the students and parents have the ultimate responsibility for school attendance. Within this responsibility is the need for Eaton RESA to maintain good communication with all parties - student, parent, and sending school.

ATTENDANCE PHILOSOPHY AND ADMINISTRATION

Instructors of Eaton RESA’s Career Preparation Center will maintain daily attendance records on all enrolled students and submit attendance information to the Career Preparation Center office. The Career Preparation Center will maintain a list of absences and tardies as well as any reasons provided. This record will be open to review by the student and/or parent/guardian.

The Career Preparation Center office will provide each participating local school with a record of attendance for their students on a weekly basis.

Phone calls and/or emails will be sent daily to parents when a student is absent or tardy to class. Students are encouraged to discuss their attendance with an Eaton RESA staff person. Students and parents can also electronically access attendance information through the PowerSchool parent/student portal at any time (see page 8).

ATTENDANCE POLICY / INCENTIVE PROGRAM

The Eaton CPC has a ten (10) day per semester absence limit Attendance Policy in order to continue in the program. Once that limit is reached students will meet with the Student Services Coordinator and Principal to determine if the student will be dropped at the next trimester/semester. Exempt absences do not count towards the ten (10) day attendance policy. Students are expected to be in attendance when the CPC is in session and the sending school requires attendance.

The Eaton CPC has a positive reinforcement attendance program to encourage students to attend on a daily basis.

Attendance will be evaluated and reset at the end of each marking period.

Perfect attendance will receive 3% added to their final marking period grade.
A student with 1 absence will receive 2% added to their final marking period grade.
A student with 2 absences will receive 1% added to their final marking period grade.
A student with 3 or more absences will not be eligible for the attendance incentive. 2 tardies is equal to 1 absence.

The following are attendance examples and not intended to be all-inclusive. We reserve the right to make adjustments based on individual situations, as needed.

Eaton RESA does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, “Protected Classes”), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. Civil Rights Coordinators are located at 1790 E. Packard Hwy, Charlotte Michigan to handle inquiries regarding the nondiscrimination policies and grievance procedures. Telephone (517) 543-5500.
Students and parents are expected to follow their sending school’s attendance procedures and policies for reporting absences in addition to following the Career Prep Center’s procedure. On a day a student is absent, the parent/guardian is to notify BOTH CPC and the sending school personnel. Students and parents should make every possible effort to schedule appointments before or after school hours.

Documentation of absences MUST BE SUBMITTED TO THE CAREER PREPARATION CENTER OFFICE WITHIN TWO (2) SCHOOL DAYS OF THE ABSENCE OF THEIR RETURN TO CLASS in order for the absences to be considered exempt.

For the purpose of the Attendance Policy, students missing more than 30 minutes of a class will be considered absent. Students arriving late to the Career Preparation Center must sign in at the office before reporting to class.

If, during the first ten instructional days of the year, a student has three (3) or more absences, the student may be dropped from their Eaton RESA Career Preparation Center program and returned to their sending school to reschedule classes.

Students who have earned a grade of a “D” or below for the trimester or semester may be dropped from their Eaton RESA Career Preparation Center class and returned to their sending school to reschedule classes.

Students who do not complete the current semester will receive an “E” for their class unless they enroll in another class/program through their local school or have received administrative approval to withdraw. Students who do not reach Concentrator/Completer status (2.0 minimum each semester) in their program may not be allowed to return the following year.

Students who miss five (5) consecutive days without notification may be dropped.

Students may not leave campus unless written permission or a phone call by parent/guardian is submitted to the Career Preparation Center office. West campus students must come to the office BEFORE class to get a pass to leave class early. BEFORE LEAVING CAMPUS, ALL STUDENTS AND IN ALL CIRCUMSTANCES MUST SIGN OUT. WEST CAMPUS STUDENTS MUST SIGN OUT IN THE EATON RESA CAREER PREPARATION OFFICE. DOWNTOWN AND OFF CAMPUS SITES MUST SIGN OUT WITH THEIR INSTRUCTOR UPON APPROVAL FROM THE CPC OFFICE.

- Students who are absent have the right to make up work. Students missing in-class activities/labs may be given an alternate assignment.
- Students will be granted one day to make up work for every day absent.
- Documentation of absences MUST BE SUBMITTED TO THE CAREER PREPARATION CENTER OFFICE WITHIN TWO (2) SCHOOL DAYS OF THEIR RETURN TO CLASS in order for the absences to be considered exempt.
- All student absences may be appealed by following the Appeals Policy in the Student handbook.

The Board of Education shall provide, pursuant to requirements of the State Board of Education, individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability.

Applications for individual instruction shall be made by a physician or physician's assistant (licensed to practice in this State), parent, student, or other care giver.

GENERAL INFORMATION

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES AND PEST

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school’s professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice.

Specific diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will only be for the contagious period as specified in the school’s administrative guidelines.

Eaton RESA does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, “Protected Classes”), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. Civil Rights Coordinators are located at 1790 E. Packard Hwy, Charlotte Michigan to handle inquiries regarding the nondiscrimination policies and grievance procedures. Telephone (517) 543-5500.
All traditional seated courses may also be held virtually. Students requesting a fully virtual course option must indicate interest during the regular scheduling process and must amend their Education Development Plan (EDP) plan to include virtual learning prior to submitting their course request form. For students who do not currently have and EDP, students must complete an EDP within the first two weeks of the start of the semester. All virtual courses have two-way communication requirements and students must respond to teacher and/or mentor initiated communications. Failure to meet virtual course requirements may exclude participation in future virtual course enrollment.

CONTROL OF NONCASUAL-CONTACT COMMUNICABLE DISEASES

In the case of noncasual-contact communicable diseases, the school still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the County Health Department, to ensure that the rights of the person affected and those in contact with that person are respected. The school will seek to keep students and staff persons in school unless there is definitive evidence to warrant exclusion.

Noncasual-contact communicable diseases include: sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS Related Complex (condition), HIV (Human-immunodeficiency); HAV, HBV, HVC (Hepatitis A, B, C); and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents will be requested to have their child’s blood checked for HIV, HBV, and other blood-borne pathogens when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

DRIVING AND PARKING

All students must follow their sending school driving policy. The Career Preparation Center reserves the right to deny or suspend driving privileges. Students must pay all their own costs related to driving and parking their own vehicle.

DRESS AND GROOMING

Eaton RESA Career Preparation Center programs are designed to provide a safe environment conducive to learning. Any distractions, including apparel and appearance of students, are detrimental to this environment. Students who are in violation of these minimum standards may be sent to the office at the teacher’s discretion until such time as they are appropriately dressed.

- Students will be expected to wear special protective clothing, uniforms, helmets, safety glasses, etc. to participate in their Career Preparation Center program.
- Clothing/appearance must NOT be a distraction to the teaching/learning process.
- Students shall not wear any items that express messages containing profanity, are drug/alcohol related, or are otherwise offensive in nature.
- All students must wear footwear that fastens securely to the foot and provides the appropriate protection.
- The upper portion of the body will be covered from the shoulders to the top of the lower garment. No exposed midriff.
- Garments normally classified as “underwear” will not be worn as “outerwear”.

STUDENT RECORDS

In accordance with Federal regulations, Eaton RESA has established the following guidelines concerning student records:

The Principal, or a designee, is the Custodian of Records for students attending the Career Preparation Center and is responsible for the processing and maintenance of all student records.

Each student’s records will be kept in a confidential file located at the student’s school office. The information in a student’s record file will be available for review only by the parents or legal guardian of a student, adult student (18 years of age or older), and those designated by Federal Law or Agency regulations.

A parent, guardian, or adult student has the right to request a change or addition to a student’s records and to either obtain a hearing with Agency officials or file a complaint with the U.S. Office of Education if not satisfied with the accuracy of the records or with the Agency’s compliance with the Federal Education Rights and Privacy Act.

The Agency has established the following information about each student as “directory information” and will make it available upon a legitimate request unless a parent, guardian, or adult student completes and returns the Directory Information Opt Out Form indicating that he/she will not permit distribution of any or all of such information: (name, address, and telephone number; date and place of birth; photograph; major field of study; awards and attendance; and any other information the Agency considers would not be harmful or an invasion of privacy, if so disclosed).

A copy of the policy and the accompanying guidelines are available at the Superintendent Office. There will also be a person available to answer any questions concerning the policy or guidelines.

AGE OF MAJORITY

Although 18-year-old students are recognized as adults under the Age of Majority Act, school officials are nonetheless committed to the equal treatment in application of school policies and procedures to all students. With the exceptions noted below, school district policies and procedures set forth apply to all students regardless of their attainment of the age of majority. Students who are eighteen (18) years of age may request to submit an Age of Majority Form. Age of Majority status signifies that all school business and school communication may be sent to and conducted only with the student. The principal will contact home when this form is completed and turned in by the student. The form is available in the Eaton RESA CPC office.

Students granted “Age of Majority”:

1. Have the same privilege as their parents/guardians as it relates to access or control of student records.

**EXPLANATION**

Below is a policy that will govern any disciplinary action taken in the Career Preparation programs operated by Eaton Regional Education Service Agency. The purpose of this policy will be to establish guidelines and procedures to ensure that uniform action is taken in all cases, and that all parties involved are treated in a fair, concise, and consistent manner. These policies apply on campus as well as to any off-campus school-related or sponsored activities.

The Principal and/or a designated administrator may suspend a student up to and including a ten-day period for violation of the Code of Conduct. Student’s parent(s) or guardian(s) will be contacted as quickly as possible, and the student will meet with the Building Principal or administrator.

Any disciplinary action resulting in the removal of a student from class for more than ten days cannot be accomplished without a hearing involving the student(s), parent(s)/guardian(s), sending school representative (at the option of the sending school), and Eaton RESA representative. Until such time that a hearing is held, a student can be placed on an administrative suspension which will prohibit him/her from attending class until the formal hearing has been held.

In an action that involves, or could lead to disciplinary action, the following responsibilities are assigned:

**INSTRUCTOR:** Any instructor reporting a student for a major disciplinary action must do so immediately after the offense has taken place. This report can be in person, by telephone, or in writing and should be made to the Principal. Instructors may send a student from their class or activity for up to a one day in-school suspension with documentation. The suspension must be attributable to student conduct outlined in the Student Code of Conduct. Minor disciplinary offenses should be documented and reported to the assigned Student Services Coordinator or principal.

Eaton RESA does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, “Protected Classes”), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. Civil Rights Coordinators are located at 1790 E. Packard Hwy, Charlotte Michigan to handle inquiries regarding the nondiscrimination policies and grievance procedures. Telephone (517) 543-5500.
PRINCIPAL/ADMINISTRATOR: For any incident where the Principal/Administrator will be deciding what action should be taken, the Principal/Administrator will conduct an impartial and complete investigation before attempting to make a decision on the merits of the case.

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of law or school rules. A search may also be conducted to protect the health and safety of others. All searches may be conducted with or without a student’s consent.

Students are provided lockers and other equipment in which to store materials and/or personal items. It should be clearly understood that this equipment is the property of the school and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches. If student lockers require student-provided locks, each student must provide the lock’s combination or key to the Principal.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items which have been confiscated. In the course of any search, students’ privacy rights will be respected regarding any items that are not illegal or against school policy.

All computers located in classrooms, labs and offices of Eaton RESA, LCC or DU are to be used by students solely for educational purposes. The Agency retains the right to access and review all electronic mail. Students should have no expectation that any information contained on such systems is confidential or private.

Review of such information may be done by the Agency with or without the student’s knowledge or permission. The use of passwords does not guarantee confidentiality, and the Agency retains the right to access information in spite of a password. All passwords or security codes must be registered with the instructor. A student’s refusal to permit access may be grounds for disciplinary action.

COMMUNICATIONS

To insure that all parties are informed, the parents/guardians will be notified in any case involving disciplinary action in excess of a one-day in-school suspension.

Students that receive expulsion or a suspension of three days or more will not be allowed to return the following semester or trimester.

DEFINITIONS OF RELATED DISCIPLINARY TERMINOLOGY

Suspension:
An administrative act that prohibits students from attending classes for a set period of time. These are generally of three types:

- In-school suspension removes students from the classroom for a period of time, while requiring students to attend school and complete their work in the CPC office.

Eaton RESA does not discriminate on the basis of race, color, national origin, sex, (including sexual orientation and transgender identity) disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category, (collectively, “Protected Classes”), in its programs and activities, including employment opportunities. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation. Civil Rights Coordinators are located at 1790 E. Packard Hwy, Charlotte Michigan to handle inquiries regarding the nondiscrimination policies and grievance procedures. Telephone (517) 543-5500.
- A short-term suspension of less than or equal to ten days cumulative, that is given as a disciplinary action for a violation of a rule or regulation.

- A long-term suspension of more than ten days

- Administrative suspension that prohibits students from attending classes until such time as a recommended action to the district’s Superintendent has been reviewed through a disciplinary hearing. In the event the recommended disciplinary action is approved by the Board, the student will be removed from class for the identified time frame. In the event the recommended disciplinary action is not approved by the Board, the absences will not be held against the student.

- A parent/guardian or age of majority student has the right to appeal the disciplinary action decision to the Eaton RESA Board of Education.

**Expulsion:**
A formal act by the Board of Education which prohibits a student from attending class for the balance of the school year or longer. An expelled student does not receive credit for the class.

**Due Process:**
Due process is the constitutional right of individuals that assures the protection of due process of law. Therefore, this system of constitutionally and legally sound procedures is developed with regard to the administration of discipline in the schools of Michigan.

The hallmark of the exercise of disciplinary authority shall be reasonableness and fairness. Every effort shall be made by administrators and faculty members to resolve problems through effective utilization of school district resources in cooperation with the student and his/her parent(s) or guardian(s).
A student must be given an opportunity for a hearing with the appropriate school administrator if his/her parent(s) or guardian(s) indicate the desire for one. A hearing will be held to allow the student and his/her parent(s) or guardian(s) to contest the facts which may lead, or have led, to disciplinary action. He or she may contest the appropriateness of the sanction(s) imposed by the disciplinary authority; or if the student and his/her parent(s) or guardian(s) allege prejudice or unfairness.

**EATON REGIONAL EDUCATION SERVICE AGENCY APPEAL POLICY**

It is the philosophy and the policy of the Board of Education of Eaton Regional Education Service Agency that any decision involving or affecting a student in the Career Preparation Center programs operated by this Agency is subject to appeal by the student and the parent or guardian. Matters subject to appeal are defined as, but not limited to, any disciplinary action, grades, issuance of certifications or special recognitions, and any administrative actions. To insure that all appeals are processed in a uniform manner, the following guidelines are established:

- Students who have reached the age of majority, and have a signed form on file, have the right to appeal without the concurrence of their parent(s) or guardian(s).
- Any appeal must be discussed with each level of authority within the Agency before the Board will act on them.
- A request for appeal can be made in writing to the principal of the Career Preparation Center within five school days of the incident.
- Unless otherwise requested, any matter referred to the Board will be acted upon at the next regularly scheduled meeting.

The Board defines levels of authority as outlined below. Any matter and request to appeal must be discussed with each level in the order presented before the appeal can be referred to the Board for action.

- **Level 1** Eaton RESA Career Preparation Center Principal
- **Level 2** Eaton RESA Assistant Superintendent for Career and Technical Education
- **Level 3** Eaton Regional Education Service Agency Superintendent
- **Level 4** Eaton Regional Education Service Agency Board of Education

STATE AND/OR FEDERAL REGULATIONS FOR PARENT/STUDENT NOTIFICATIONS

Current State and/or Federal regulations require us to make a number of notifications to the parent or guardian of students attending our programs. This notice is to comply with those requirements. Anyone desiring additional information should feel free to contact Eaton Regional Education Service Agency at (517) 543-5500.

DRUG-FREE SCHOOLS

In accordance with Federal and State law, the Board hereby establishes a “Drug-Free School Zone” that extends 1000 feet from the boundary of any school property or leased property. The Board prohibits the use, possession, sale, concealment, delivery, or distribution of any drug, any drug-related paraphernalia, or vaping device at any time on District property or leased property, within the Drug-Free School Zone, or at any District-related event. Drugs include any alcoholic beverage, anabolic steroid, and dangerous controlled substance as defined by State statute, “look-a-like” controlled substances, chemicals which release toxic vapors, marijuana, any prescription or patent drug except for those for which permission to use in school has been granted.

Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbook, up to and including expulsion from school. When required by State Law, the Agency will also notify law enforcement officials.

The Agency is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which she/he receives help through programs and services available in the community. Students and their parents/guardians should contact the school principal whenever such help is needed.

TOBACCO USE

Michigan law and Agency policy now prohibit the use of any tobacco product on property owned or leased by the Agency. Non-compliance is punishable by a fine of not more than $50.00 under Michigan law and school disciplinary action as set forth in the student handbook.

DISTRICT OWNED PROPERTY

Instructional Materials: The Agency will provide, at no cost, all instructional materials needed for students to participate in our various programs. These items remain the property of the Agency and are to be returned. Students who fail to return or intentionally damage these items will be expected to reimburse the Agency for their cost. Holds will be placed on your college account until these fines are paid.

Lockers and Other Storage Areas: Several programs provide lockers/storage for student use; however, the Career Preparation Center reserves the right to inspect those facilities without notice and does not accept responsibility for any items lost, stolen, or damaged in those facilities.

A formal complaint must be filed in person, by mail or email prior to the District proceeding with an investigation under its Title IX Grievance Procedure.
