Note to Parents/Legal Guardians and Students

It is the responsibility of the student to provide this form to the Registrar's Office prior to enrollment in classes. Students who register prior to submitting this form are subject to being dropped from their courses. This form will remain in effect until the end of the semester in which the student reaches the age of 18. LCC requires basic skills assessment for all new students. A student may audit or take the course(s) for credit.

Parent/Legal Guardian Approval

I confirm that my student will be a high school graduate and at least 16 years of age on the first day of the semester. Furthermore, I will assume financial responsibility for any and all costs associated with my child's attendance at Lansing Community College, if not covered by other means. I waive any claim against LCC for injury, loss, or damage whatsoever, caused by any person rendering any services of the program caused by outsiders. I understand that my student is participating in an adult education environment and I hereby assume responsibility and hold LCC harmless for any adverse consequences of that participation. I understand that enrollment is contingent upon an available open seat in the course(s) selected.

Note: If you are under the age of 18 and have graduated from high school and are considered legally independent, please contact the Registrar's Office at registrar@lcc.edu or 517-483-1200, Option 2.
