Afterschool Youth Classes at Mason Public Schools

SERIES #3: Feb. – March 2023 Grades 2-5

Register by January 27 at lcc.edu/seriousfun

Four class series will be available throughout the 2022-2023 school year. Classes are open to Mason Public School students in grades 2-8. All classes are taught by Lansing Community College Youth Program instructors.

For more information, contact the LCC Youth Program Office at 517-483-1415 or lifelong@lcc.edu
SERIES #3:

**Toy Science**
**Grades: 2-3**

Mondays, 4:15-6:15 p.m. · Feb. 6 – March 20
Harvey Education Center

This is an exciting, hands-on class where we investigate the science behind how different toys work. Taught by a scientist, students will explore the use of electricity, magnetism, friction, gravity and simple machines in toy design. Students will make small toys throughout the class to take home. Students will build upon their problem-solving, science, engineering and design skills.

**Beginning Robotics**
**Grades: 2-3**

Mondays, 4:15-6:15 p.m. · Feb. 6 – March 20
Harvey Education Center

Younger kids can do robots too! Sphero robotics is a fun, hands-on way for your child to learn the basics of controlling and programming a robot. Easily controlled with provided iPads or Chromebooks, your child will be introduced to the exciting field of robotics!

**Battling Robots, Jr.**
**Grades: 4-5**

Mondays, 4:15-6:15 p.m. · Feb. 6 – March 20
Harvey Education Center

Think you can create the undefeated battlebot? Bring it! Whether you have never built a Lego Robot before, or if you are an undisputed master, you are welcome to this class! You will learn to design and build your own Lego EV3 robots limited only by your imagination!

***Transportation***

Transportation is available to registered students from their elementary school to the Harvey Education Center. Parents/Guardians must submit a Transportation Request Form to their child’s school if they desire bus transportation to the afterschool class for their child. Transportation Requests are subject to school approval. Parents/Guardians are responsible for picking up their child from their class at the appropriate time and location. Transportation forms are available on our website.

**Upcoming Classes**

**Series #4:**

+ Mondays, April 10 – May 15, 2023 at the Harvey Education Center (Grades 2-5)
+ Wednesdays, April 12 – May 17, 2023 at Mason High School (Grades 4-8)

Visit lcc.edu/seriousfun to register for classes and to explore upcoming course offerings.

*NO REFUNDS for cancelled/missed classes due to COVID. Mason Public Schools mask policy will be enforced and is subject to change without prior notice.*
