## General Program Info

**LCC’s Massage Therapy program has been accredited since 2010 by the:**

[Commission On Massage Therapy Accreditation \(COMTA\)](https://comta.org/)  
(<https://comta.org/>).

**LCC’s Massage Therapy program is also a school member with:**

The [American Massage Therapy Association](http://www.amtamassage.org/index.html) ([www.amtamassage.org/index.html](http://www.amtamassage.org/index.html)) and the [Associated Bodywork & Massage Professionals](https://www.abmp.com/) (<https://www.abmp.com/>).

The Massage Therapy program prepares an individual in the field of therapeutic massage and bodywork. Massage therapists may be employed in private practice or in a variety of health care settings, spas, and exercise facilities. For more information on this program & career, visit the [program website](http://www.lcc.edu/massage) ([www.lcc.edu/massage](http://www.lcc.edu/massage)).

The program offers a day cohort that starts every Fall semester and an evening cohort that starts every Spring semester. With limited seats available, enrollment is on a first-come-first-serve basis. This guide includes everything you need to know about the program and how to apply.

*\*Check out LCC’s [Academic Calendars](http://www.lcc.edu/academics/calendars/) for important dates ([www.lcc.edu/academics/calendars/](http://www.lcc.edu/academics/calendars/)).*

## Application Process

You must be an LCC student to be eligible for these courses. With limited seats available each semester, enrollment is on a first-come-first-serve basis. Follow these steps to get started:

1. **ATTEND A MANDATORY MASSAGE THERAPY PROGRAM ORIENTATION:** Prospective students must attend a 1-hour orientation as part of the application process. Contact Jodi Wiley at 517-483-5204 or at [wileyj@lcc.edu](mailto:wileyj@lcc.edu) to sign-up for a **mandatory** virtual or face-to-face orientation. An orientation must be completed prior to the program's start date in order to officially be accepted into the program. Find an orientation date on the [Massage Therapy program overview website](https://www.lcc.edu/academics/areas-of-study/health-public-service/massage/overview.html) (<https://www.lcc.edu/academics/areas-of-study/health-public-service/massage/overview.html>).
2. **APPLY TO LCC:** If you are not currently and have never been an LCC student, [apply to the college](http://www.lcc.edu/admissions-financial-aid/get-started/) ([www.lcc.edu/admissions-financial-aid/get-started/](http://www.lcc.edu/admissions-financial-aid/get-started/)). Applying is FREE! Then follow the steps on the getting started site.
3. **ATTEND A MANDATORY LCC ORIENTATION:** One of the steps of applying to LCC is signing up for and attending an LCC new student orientation. Applying to LCC will lead you directly into signing up for an orientation session. This must be completed before you can complete step #4 below. In case this step was missed, sign-up for an LCC new student orientation on the [LCC new student orientation website](https://www.lcc.edu/admissions-financial-aid/get-started/orientation.html). (<https://www.lcc.edu/admissions-financial-aid/get-started/orientation.html>)
4. **GET PLACEMENT LEVELS:** After you attend a mandatory LCC new student orientation, you must establish your placement levels. Before your application can be fully processed, students must establish their placement levels in Reading (5) and Writing (6). International students must complete ESL Placement Tests. Visit LCC's [Placement Testing site](http://www.lcc.edu/services/testing/placement/) ([www.lcc.edu/services/testing/placement/](http://www.lcc.edu/services/testing/placement/)) for more information.
  - a. **Current LCC students** can find their placement levels by logging into their [MyLCC account](https://my.lcc.edu/) (<https://my.lcc.edu/>) and looking in the "Profile" tab.
  - b. **First-time college students** can get placement levels by taking Assessment tests in Reading and Writing. Tests are free to complete. They can also get placement levels based off of their High School GPA, AP courses, or ACT / SAT scores. For more information, check out the [Assessment Waiver Form](https://lcc.edu/services/testing/placement/waive-testing.html) (<https://lcc.edu/services/testing/placement/waive-testing.html>).
  - c. **Transfer students** may be able to receive placement levels based on courses completed at another college. To do this, attach copies of your transcript(s) to the [Assessment Waiver Form](https://lcc.edu/services/testing/placement/waive-testing.html) (<https://lcc.edu/services/testing/placement/waive-testing.html>). Know that the waiver form does not grant transfer credit. Official transcripts must be sent directly to LCC's Registrars Office for transfer credit to be awarded.

5. **SUBMIT APPLICATION:** Complete the application available in the Massage Therapy section on the [HHS Advising Guide site \(www.lcc.edu/hhs/advising-guides.html\)](http://www.lcc.edu/hhs/advising-guides.html). Your application and ID can be emailed to Crystal DeLang at [delan5@star.lcc.edu](mailto:delan5@star.lcc.edu). *\*Ideally, applications should be submitted no later than 2 weeks prior to the start of the semester.*
6. **DECLARE YOUR MAJOR:** Declare Massage Therapy as your major using the [Change of Program Request Form \(https://www.lcc.edu/academics/catalog/degree-certificate-programs/change-of-program.html\)](https://www.lcc.edu/academics/catalog/degree-certificate-programs/change-of-program.html).
7. **REGISTER FOR COURSES:** Once you have submitted all required documentation and attended both required orientations, your application will be eligible for review. Application review can take up to 7-10 business days after you have submitted/completed all requirements. Once your application has been processed, you will receive a confirmation email containing course schedule, registration directions, and payment plan information. You will be unable to register for courses before receiving the confirmation email. **DAY COHORT:** Admitted students are on LCC’s main campus for lectures, labs, and massage clinics 4-5 days/week between the hours of 10:00am-2:30pm. Classes do not run on the weekends however special massage events may be scheduled periodically.

**EVENING COHORT:** Admitted students are on LCC’s main campus for lectures, labs, and massage clinics 3-4 nights/week during the spring and fall semesters. During the summer semester classes meet 2-3 nights/week. The Evening cohort meets between the hours of 5:00pm-10:00pm. Classes do not run on the weekends however special massage events may be scheduled periodically.

**ALL COHORTS:** Clinical experiences for both the Day and Evening cohorts are offered on-site at LCC’s [Massage Clinic](http://www.lcc.edu/services/community-campus-resources/massage-clinic.html) (www.lcc.edu/services/community-campus-resources/massage-clinic.html). All classes in the program must be passed with a grade of 2.5 or higher. There is an attendance policy in effect throughout the entire program.

Upon completion of the program students are eligible to take the Massage and Bodywork Licensing Examination (MBLEx) offered through the Federation of State Massage Therapy Boards (FSMTB). Passing this is one of the required steps in state licensure in Michigan.. Students will also earn a **Massage Therapy Certificate of Achievement** from LCC. A complete program pathway, including a list of all of the required courses and sequence, is available on the college’s [Degree & Certificate site](https://lcc.edu/academics/catalog/degree-certificate-programs/) (https://lcc.edu/academics/catalog/degree-certificate-programs/).

Students have the opportunity to pursue their associate’s degree in Allied Health after completing the Massage Therapy program. **Please Note:** If a student plans to pursue an associate’s degree that is **NOT** in Allied Health and/or transfer to a 4-year institution, Anatomy and Physiology courses (BIOL 145 or BIOL 201 & 202) are recommended in lieu of Body Systems for Massage I & II (MASG 132 A&B). BIOL 145 or BIOL 201 & 202 will satisfy the

college's Science General Education requirement for all other associate's degrees and will transfer to most 4-year institutions whereas MASG 132 A&B will not. (<https://lcc.edu/academics/catalog/general-education/index.html>)

*Students admitted to the program will be required to successfully complete annual training on OSHA, Bloodborne Pathogens, and Universal Precautions.*

## Program Cost

The approximate cost in 2021-2022 for a Massage Therapy student who receives in-district tuition rates is \$9,430; this includes the cost of courses along with Massage Therapy supplies and textbooks. For a detailed cost estimation sheet, including tuition rates for all residencies, visit the [Advising Guide site](https://internal.lcc.edu/hhs/advising_guides/) ([https://internal.lcc.edu/hhs/advising\\_guides/](https://internal.lcc.edu/hhs/advising_guides/)).

Be advised some in-program classes have a portion of the course fee that is non-refundable. Any student who registers for the class and then drops, withdraws, or is otherwise ineligible for the program will not be refunded the non-refundable portion. The non-refundable amount and the items included in course fees vary by class. More information will be provided at the program orientation that occurs after admission decisions are made.

## Criminal Background Check

Lansing Community College does not currently require a Criminal Background Check. However, it is important for students to be aware that when/if they apply to take the MBLEx exam and/or apply for licensure in any other state, there may be criminal background limitations that would require additional documentation and proof of good moral character before licensure.
