

PARTNERSHIP GRANT APPLICATION

Award Deadline to Submit: Last Add/Drop day in the session or subsession registered if applicable. Application must be submitted each academic year.

Siena Heights University offers an \$80 per credit hour tuition discount to employees of partner organizations with whom we have an articulated partnership agreement. The discount is applied before any grants or loans to a student's account. The discount applies to tuition only and not to fees.

Eligibility Requirements:

- Currently employed by partner organization.
- Applied and accepted into an undergraduate or graduate degree program within the College for Professional Studies or Graduate College at Siena Heights University.
- Maintain a cumulative GPA of 2.0 or better while attending Siena Heights University and maintain satisfactory progress as defined within the Siena Heights University catalog.
- File a Free Application for Federal Student Aid (FAFSA) for the current academic year.
- Submit a yearly Partnership Grant Application prior to the award deadline.

Award Amount:

Each academic year, the Partner Tuition Discount amount will be determined and published along with general tuition information. The amount discounted from a student's tuition balance will be reflected on their account statement. The amount of the Partnership Grant may be adjusted as a result of changes in a student's enrollment, receipt of additional gift assistance, and changes in the Federal, State, or institutional allocations, policy or regulations. Tuition, fees and other rates are subject to change. Siena Heights University reserves the right to modify, change or rescind this policy at any time. If work experience is no longer active during a session, the discount is subject to removal, depending on the date of the change within the given session. The student will be notified of such removal and will be responsible for any adjustments to their account balance.
