SCHEDULE OF INSURANCE

The schedules of insurance which apply under this policy are set forth in the Exhibits and certificates attached to this policy as Exhibits.

ELIGIBILITY AND EFFECTIVE DATES OF INSURANCE

The Eligibility and Effective Dates of Insurance provisions provided under this policy are set forth in the Exhibits to this policy and the appropriate records of MetLife and the Policyholder. Provisions setting forth the conditions, if any, under which MetLife requires a person to furnish satisfactory evidence of good health to obtain coverage are also set forth in the Exhibit(s).
PREMIUM RATE(S)

Initial Rate(s)

The initial Premium rate(s) are shown in the Exhibits to this policy.

Computation of Premium

The Premium due on any Premium Due Date is determined by the total number of Covered Persons, multiplied by the appropriate Premium rate(s) which are then in effect subject to any Premium adjustments, if applicable.

Computation of Premiums for Changes in Insurance

For insurance that takes effect on the first day of a Policy Month, Premium will be charged from the first day of that Policy Month. For insurance that takes effect after the first day of a Policy Month, Premium will be charged from the first day of the next Policy Month.

If insurance ends because this policy ends or because insurance for a class of persons ends, Premium for such insurance will be charged to the date it ends. If insurance ends for any other reason, Premium will be charged to the end of the Policy Month in which such insurance ends.

Right to Change Premium Rates

Except as may be required by any Rate Guarantee Period, MetLife may change Premium rates on any date on or after the first Policy Anniversary Date; this will be done no more frequently than every 12 months and only if MetLife notifies the Policyholder, in Writing, at least 31 days before such change.

In addition to the above and notwithstanding any Rate Guarantee Period, MetLife may change Premium rates at any time for changes which materially affect the risk or cost assumed for the insurance provided by this policy, as follows:

1. when this policy is amended or endorsed;

2. when a class of eligible persons is added to or deleted from this policy for any reason including organizational restructuring, acquisition, spin-off or similar situations;

3. when a Policyholder’s subsidiary, affiliate, division, branch or other similar entity is added to or deleted from this policy for any reason including organizational restructuring, acquisition, spin-off or similar situations;

4. when there is a significant change in the geographic distribution of either Certificateholders or Employees;
5. when applicable law or regulatory requirements or the administration of such law or regulatory requirements:
   a. requires a change in:
      i. the insurance provided by this policy; and/or
      ii. a class or classes of persons eligible for insurance under this policy;
   b. results in a change in the amount of benefits paid under this policy; or
   c. requires additional tax(es) to be paid.

6. when a Premium Due Date coincides with or next follows:
   a. a change greater than 10% in the number of Covered Persons since the later of the policy Effective Date and the last date Premium rates were changed; or
   b. a change greater than 10% in the amount of insurance provided by this policy since the later of the policy Effective Date and the last date Premium rates were changed.

7. on any other date agreed to by MetLife and the Policyholder.

New Premium rates will apply only to Premiums that become due on or after the date the rate change takes effect.
GRACE PERIOD

Each Premium due after the effective date of such insurance may be paid up to 31 days after its Premium Due Date. This period is known as the grace period. The insurance provided by this policy for which premium has not been paid will stay in effect during the grace period. MetLife will notify the Policyholder in Writing that, if the Premium is not paid by the end of the grace period, such insurance will end at the end of the last day of the grace period. If MetLife fails to give Written notice to the Policyholder by the end of the grace period, such insurance will continue in effect until the date notice is given.

Policyholder’s intent to end this policy during the grace period

The Policyholder may notify MetLife in Writing prior to the end of a grace period of its intent to end this policy or insurance coverage provided under it before the end of such grace period. In this case, this policy or such insurance will end on the later of:

1. the date stated in the notice; or
2. the date MetLife receives the notice.

The Written notice to be given by MetLife and required by the first paragraph of this provision will not be necessary if the Policyholder replaces the insurance provided by this policy for which premium has not been paid with other group insurance or the Policyholder notifies MetLife of its intent to end this policy or such insurance.

If more than one type of insurance coverage is provided under this policy then, to the extent there are different Premium Due Dates or different length grace periods for such coverages, this grace period provision will apply to each coverage independently of the others.

If more than one type of insurance coverage is provided under this policy, then to the extent such coverages have the same Premium Due Dates and the same length grace period, this grace period provision will apply to all such coverages simultaneously so that in the absence of written notice from the Policyholder of its intent to end a specific coverage, failure to pay the entire premium due by the end of the grace period will end all coverage under the policy.

Grace period extensions

MetLife may extend the grace period by giving Written notice to the Policyholder. Such notice will state the date insurance will end if the Premium remains unpaid.

Premiums must be paid for a grace period, any extension of such period and any period insurance was in effect for which Premium was not paid.
END OF INSURANCE PROVIDED BY THIS POLICY

The Policyholder may end this policy by giving 60 days advance Written notice to MetLife. The policy will end on the later of:

1. the date stated in the notice; or
2. the date MetLife receives the notice.

MetLife may end this policy as follows:

1. for non-payment of Premium, as set forth in the Grace Period provisions;
2. on any Premium Due Date, by giving the Policyholder 31 days advance Written notice, if fewer than:
   a. 5% of persons eligible under this policy are insured for Contributory Insurance;
   b. 100% of Employees eligible for Noncontributory Insurance under this policy are insured for such insurance;
   c. 10 Employees are insured by this Policy;
   d. if fewer than 5% of all Employees with Dependents are insured for Contributory Dependent Insurance;
3. on any Premium Due Date, by giving the Policyholder 60 days advance Written notice, if the Policyholder fails to provide information on a timely basis or perform any obligations required by this policy or any applicable law; or
4. on any Policy Anniversary by giving the Policyholder 31 days advance Written notice.

This policy will end on the date on which the last certificate in effect under this policy ends.

If this policy ends, all Premiums due must be paid. If MetLife accepts Premium after the date this policy ends, such acceptance will not act to reinstate the policy. MetLife will refund any unearned Premium.
GENERAL PROVISIONS

Reinstatement

The Policyholder may request to reinstate this policy. If any renewal premium is not paid within the time granted the Policyholder for payment, a subsequent acceptance of premium by Us or by an agent duly authorized by Us to accept the premium, without requiring in connection with the acceptance of the premium an application for reinstatement, is a reinstatement of the policy. However, if We or Our agent require an application for reinstatement and issue a conditional receipt for the premium tendered, the policy is reinstated upon approval of the application by Us or, if not approved by Us, on the forty-fifth day after the date of the conditional receipt unless We have previously notified the Policyholder in writing of Our disapproval of the application. The reinstated policy shall only cover a loss resulting from an accidental injury sustained after the date of reinstatement or a loss resulting from sickness more than 10 days after such date. In all other respects, the Policyholder and We have the same rights under the policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed on the policy or attached to the policy in connection with the reinstatement. We may apply any premium accepted in connection with a reinstatement to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

Entire Contract. The entire contract is made up of the following:

1. this policy and its Exhibits including the certificates attached to the policy as Exhibits;
2. the Policyholder's application; and
3. the amendments and endorsements to this policy, if any.

MetLife's identification of what constitutes the entire contract creates a rebuttable presumption that the identified items are the entire contract.

Policy Changes or Waivers

The terms and provisions of this policy may be changed, either by amendment or endorsement.

1. The policy may be changed by amendment upon the mutual agreement of MetLife and the Policyholder. Such amendment must be in Writing and Signed by an officer of MetLife and by an authorized representative of the Policyholder.

2. The policy may be changed by an endorsement issued by MetLife without the consent of the Policyholder. Such endorsement must be in Writing and Signed by an officer of MetLife. The use of endorsements is limited to:
   a. changes made in response to:
      • applicable local, state or federal law or regulation;
      • a change in applicable local, state or federal law or regulation; or
      • the administration of applicable local, state or federal law or regulation;
   b. reflect changes in MetLife’s administrative practices;
   c. reflect policy liberalizations to the extent that they do not increase Premiums;
   d. incorporate provisions agreed upon prior to issuance of this policy; and
   e. reflect the exercise of a right or rights set forth under the terms of the policy.

Changes to the policy may be made without the consent of the Certificateholders or anyone else with a beneficial interest in it. MetLife will only make changes that are consistent with applicable law. An amendment or endorsement may be effective retroactively if such retroactivity is not prohibited by applicable law.

An officer of MetLife must approve in Writing any waiver of the terms and provisions of this policy.

A sales representative or other MetLife employee, who is not an officer of MetLife does not have MetLife’s authority to approve changes or waivers. A copy of the amendment or endorsement will be provided to the Policyholder for attachment to this policy.
GENERAL PROVISIONS (Continued)

Incontestability: Statements Made by the Policyholder

Any statement made by the Policyholder will be considered a representation and not a warranty. MetLife will not use such a statement to contest insurance after such insurance has been in force for 2 years from its effective date. MetLife will not use such a statement to contest accident and health insurance after such insurance has been in force for 2 years from its effective date, unless the statement is fraudulent. MetLife will not use such statement to avoid insurance, reduce benefits or defend a claim unless it is contained in a Written application.

Incontestability: Statements Made by Covered Persons

Any statement made by a Covered Person or a Covered Person’s legal representative will be considered a representation and not a warranty. MetLife will not use statements which relate to insurability to contest insurance after such insurance has been in force for 2 years during the Covered Person’s life. MetLife will not use such statements to contest accident and health insurance after such insurance has been in force for 2 years during the Covered Person’s life, unless the statement is fraudulent. In addition, MetLife will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during the Covered Person’s life.

MetLife will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. the Covered Person or the Covered Person’s legal representative has Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to the Covered Person, the Covered Person’s legal representative or the Covered Person’s beneficiary.

Certificates

MetLife will issue certificates to the Policyholder or the Policyholder’s designee for delivery to each Certificateholder, as appropriate. Such certificate will describe the Certificateholder’s benefits and rights under this policy and are Exhibits to the policy. The term “certificate” includes certificate riders.

Assignment

This policy is not assignable except and to the extent such assignment may be agreed to by MetLife.

The assignability of certificates attached as Exhibits to this policy and of the rights and benefits arising under such certificates, is described in the certificates.

Information Needed and Policy Administration

All information necessary to compute Premiums and carry out the terms of this policy will be provided by the Policyholder to MetLife. Such information:

- Must be provided in a timely manner and in a format as agreed to by MetLife and the Policyholder;
- Will be provided, maintained and administered as agreed to in writing by an officer of MetLife and the Policyholder; and
- If maintained by the Policyholder, may be examined by MetLife at any reasonable time.
GENERAL PROVISIONS (Continued)

If MetLife or the Policyholder makes a clerical error in keeping or providing the information, the Premium and/or benefits will be adjusted as warranted, according to the correct information. An error will not end insurance validly in effect, nor will it continue insurance validly ended or create insurance coverage where no coverage existed.

Any act undertaken by the Policyholder that relates to the insurance provided under this policy must be consistent with the terms of such insurance and with MetLife’s requirements; including but not limited to the eligibility requirements for coverage as set forth in the certificates to this policy.

Misstatement of Age

If a Covered Person’s age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, adjust the Premium and/or benefits.

Non-Dividend Paying

This policy does not pay dividends.

Conformity with Law

If the terms and provisions of this policy do not conform to any applicable law, this policy shall be interpreted to so conform.

THIS IS THE END OF THE GROUP INSURANCE POLICY.
THE FOLLOWING IS ADDITIONAL INFORMATION REGARDING GUARANTEE ASSOCIATION NOTICES.
DETACH AND SAVE THESE AS A SEPARATE DOCUMENT.
Summary Concerning Coverage, Limitations, and Exclusions under the Alaska Life and Health Insurance Guaranty Association Act

A resident of Alaska who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in the state to write these types of insurance is a member of the Alaska Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policyholder will be protected within statutory limits if a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the guaranty association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

The state law that provides for this safety net coverage is called the Alaska Life and Health Insurance Guaranty Association Act. The full text of the act can be found in AS 21.79.010 – 21.79.990. Provided below is a brief summary of this law’s coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change your rights or cw

COVERAGE

Generally, an individual will be protected by the life and health insurance guaranty association if the individual lives in Alaska and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract issued by a member insurer. The beneficiary, payee, or assignee of an insured person is protected as well, even if a non-resident of Alaska.

EXCLUSIONS FROM COVERAGE

The association does not protect a person holding a policy if:

- the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state; or
- the policy is issued by an organization that is not a member of the Alaska Life and Health Insurance Guaranty Association.

The association does not provide coverage for:

- a policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- a policy of reinsurance (unless an assumption certificate was issued);
- an interest rate yield that exceeds an average rate;
- a dividend;
- a credit given in connection with the administration of a policy by a group contract holder;
- an employer’s plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation.
- that part of an unallocated annuity contract not issued to a specific employee; union, association of natural persons benefit plan, or a government lottery;
any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer;
- certain obligations to provide a book value accounting guaranty for defined contribution benefit plan participants; or
- that part of a policy or contract that provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the association will pay a maximum of:

- $300,000 in net life insurance death benefits and no more than $100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits, $100,000 for coverages not defined as disability income, health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values;
- $300,000 for disability income insurance and long-term care insurance;
- $500,000 for health benefit plans;
- $250,000 in the present value of annuity benefits; including net cash surrender and net cash withdrawal value;
- with respect to a structured settlement annuity, $250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;
- $250,000 in the aggregate, of present-value annuity benefits, including net cash surrender and net cash withdrawal values with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. 401, 26 U.S.C.403(b), or 26 U.S.C. 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased; or
- $5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts held by that contract holder, with respect to any one contract holder or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DA Cs, etc.) covered by the act: for unallocated annuities that fund government retirement plans under sections 401(k), 403(b), or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy and contract owners who live in this state and, in some cases, to keep coverage in force. Please note that the valuable extra protection provided by the member insurers through the Guaranty Association is limited. This protection is not a substitute for a consumers' careful consideration in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") provides coverage of claims under some types of policies or contracts if the insurer or health maintenance organization becomes impaired or insolvent. COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is always conditioned on residence in the State of Arkansas. Other conditions may also preclude coverage.

The Guaranty Association will respond to any questions you may have which are not answered by this document. Your insurer or health maintenance organization and agent are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy or health maintenance organization coverage.

You should not rely on availability of coverage under the Guaranty Association when selecting an insurer or health maintenance organization.

The state law that provides for this safety net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"), which is codified at Ark. Code Ann. §§ 23-96-101, et. seq. Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act, nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the Guaranty Association.
COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state; or
- Their policy or contract was issued by a hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends, voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employer plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued to or in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") regardless of whether the FPBC is yet liable;
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by state or federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, other documents which do not meet filing requirements, claims for policy misrepresentations, and extra-contractual or penalty claims: or
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustee(s).
LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of $300,000 in life insurance death benefits without regard to the number of policies and contracts there were with the same company, even if they provided different types of coverages. The Guaranty Association will pay a maximum of $500,000 in health benefits, provided that coverage for disability insurance benefits and long-term care insurance benefits shall not exceed $300,000. The Guaranty Association will pay $300,000 in present value of annuity benefits, including net cash surrender and net cash withdrawal values. There is a $1,000,000 limit with respect to any contract holder for unallocated annuity benefits. These are limitations under which the Guaranty Association is obligated to operate prior to considering either its subrogation and assignment rights or the extent to which those benefits could be provided from assets of the impaired or insolvent insurer.
This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

**COVERAGE**

- **Persons Covered**

  Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

  The basic coverage protections provided by the Association are as follows.

  - **Life Insurance, Annuities and Structured Settlement Annuities**

    For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

    - **Life Insurance**
      80% of death benefits but not to exceed $300,000
      80% of cash surrender or withdrawal values but not to exceed $100,000

    - **Annuities and Structured Settlement Annuities**
      80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

    The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

  The maximum amount of protection provided by the Association to an individual, as of October 1, 2016, is $554,556. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.
COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION

General Purposes
Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations
The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

* The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
* With respect to any one life, regardless of the number of policies, contracts, or certificates:
  o $300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
  o $300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
  o $300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
  o $300,000 for long-term care insurance benefits;
  o $300,000 for disability insurance benefits;
  o $500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;
  o $100,000 for coverage not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than $300,000 with respect to any one life ($500,000 in the event of basic hospital, medical, and surgical insurance, or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than $5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

**Exclusions Examples**
Policy or contract holders are not protected by the Guaranty Association if:
* They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
* Their insurer was not authorized to do business in the District of Columbia; or
* Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:
* Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
* Any policy of reinsurance (unless an assumption certificate was issued);
* Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members and is self-funded;
* Interest rate guarantees which exceed certain statutory limitations;
* Dividends, experience rating credits or fees for services in connection with a policy;
* Credits given in connection with the administration of a policy by a group contract holder; or
* Unallocated annuity contacts.

**Consumer Protection**

Pursuant to the Act (D.C. Official Code Section 31-5416), insurers are required to provide notice to policy and contract holders of the existence of the Guaranty Association and the amounts of coverage provided under the Act. If you have obtained this document from an agent in connection with the purchase of a policy or contract, you should be aware that such delivery does not guarantee that the Guaranty Association would cover your policy or contract. NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE HAWAII LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION ACT

Residents of Hawaii who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the Guaranty Association.
COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by the Guaranty Association if:

* they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
* the insurer was not a member of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does not provide coverage for:

* any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
* any policy of reinsurance (unless an assumption certificate was issued);
* interest rate yields that exceed an average rate;
* dividends;
* credits given in connection with the administration of a policy by a group contractholder;
* employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
* unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values
- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits
- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner or multiple non-group policies of life insurance.
This notice provides a brief summary description of the Illinois Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Illinois law which determines who and what is covered and the amounts of coverage.

If this should happen, the Association will typically arrange to continue coverage, pay claims, or otherwise provide protection in accordance with Illinois law, with funding from assessments paid by other insurance companies and health maintenance organizations.

The basic protections provided by the Association per insured in each insolvency are:

- **Life Insurance**
  - $300,000 for death benefits
  - $100,000 for cash surrender or withdrawal values
- **Health Insurance**
  - $500,000 for health benefit plans*

  - $300,000 for long-term care insurance benefits
  - $100,000 for other types of health insurance benefits
- **Annuities**

*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000, except special rules apply with regard to health benefit plan benefits for which the maximum amount of protection is $500,000.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.

INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This Notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

The coverage limits below apply only for companies placed in rehabilitation or liquidation on or after July 1, 2018. * $100,000 in net cash surrender or net cash withdrawal values

**Health Insurance**

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity to which it relates.

this notice and Kansas law, then Kansas law will control.

The Association was established to provide protection in the unlikely event that your life, annuity or
health insurance company becomes financially unable to meet its obligations and is taken over by
its Insurance Department. If this should happen, the Association will typically arrange to continue
coverage and pay claims, in accordance with Kansas law, with funding from assessments paid by
other insurance companies. This safety net was created under Kansas law, which determines who
and what is covered and the amounts of coverage. The basic protections provided by the
Association are:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or
contracts, is $300,000. Special rules may apply with regard to hospital, medical and surgical
insurance benefits, as well as certain aggregate limits.
Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

**Disclaimer**

The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY. Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the Law), and is set forth at R.S. 22:2081 et seq. The following is a brief summary of this Law's coverages, exclusions and limits. This summary does not cover all provisions of the Law; nor does it in any way change any person's rights or obligations under the Law or the rights or obligations of LLHIGA.

**COVERAGE**

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a covered life, health, or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the Law are applicable.
EXCLUSIONS FROM COVERAGE

A person who holds a covered life, health, or annuity policy, plan or contract is not protected by LLHIGA if:

1. He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
2. The insurer was not authorized to do business in this state;
3. His policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

1. Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
2. Any policy of reinsurance (unless an assumption certificate was issued);
3. Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
4. Dividends, premium refunds, or similar fees or allowances described under the Law;
5. Credits given in connection with the administration of a policy by a group contract holder;
6. Employers’, associations’ or similar entities’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
7. Unallocated annuity contracts (which give rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b)).
8. An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the Law;
9. A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to “Medicare Part A Coverage”, “Medicare Part B Coverage”, “Medicare Part C Coverage”, “Medicare Part D Coverage” or “Medicaid” and any regulations issued pursuant to those parts;
10. Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner’s rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:

1. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or insolvent insurer.
2. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of $300,000 in life insurance death benefits, but not more than $100,000 in net cash surrender and net cash withdrawal values for life insurance.
3. For any one insured life, regardless of the number of policies and contracts there are with the same company, LLHIGA will pay a maximum of $500,000 in health insurance benefits, and LLHIGA will pay a maximum of $250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.

In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than $500,000 in the aggregate with respect to any one individual.

Notice Concerning Policyholder Rights in an Insolvency under the Minnesota Life and Health Insurance Guaranty Association Law

If the insurer who issued your life, annuity, or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer. In addition, residents of Minnesota who purchase life insurance, annuities, or health insurance from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

3300 Wells Fargo Center
90 South 7th Street
Minneapolis, MN 55402
Phone: 612-322-8713
Fax: 402-474-5393

The maximum amount the guaranty association will pay for all policies issued on one life by the same insurer is limited to $500,000. Subject to this $500,000 limit, the guaranty association will pay up to $500,000 in life insurance death benefits, $130,000 in net cash surrender and net cash withdrawal values for life insurance, $500,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values, $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, $410,000 in present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be $500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under Section 401, 403(b), or 457 of the Internal Revenue Code of 1986, as amended through December 31, 1992; are covered up to $250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than $10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed $10,000,000, the $10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the guaranty association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the guaranty association's limits, you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available.

The guaranty association assesses insurers licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment. THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION. THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, OR HEALTH INSURANCE POLICIES OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY INSOLVENT.

This notice in no way implies that the company currently has any type of financial problems. All life, annuity and health insurance policies are required to provide this notice.

SUMMARY:

This notice provides a brief summary of the purpose of the New Hampshire Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under New Hampshire law, which determines who and what is covered and the amounts of coverage. This summary does not cover all provisions of the law and it does not in any way change one's rights or obligations under the Act or the rights or obligations of the Association.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Hampshire law, with funding from assessments paid by other insurance companies, including health maintenance organizations (HMOs).

DISCLAIMER:

The Association may not cover your policy or contract or, if coverage is available, it may be subject to substantial limitations and exclusions and conditioned on continued residence in the state.

This protection is not a substitute for consumers’ care in selecting companies that are well managed and financially stable and consumers should not rely on coverage under this Act when selecting an insurer or HMO. The valuable protection through the Guaranty Association is not unlimited.

COVERAGE:

Generally, individuals will be protected by the New Hampshire Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance policy or an annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, assignees or payees of insured persons are protected as well, even if they live in another state.

Coverage provided under the current, amended Act may be different from coverage provided prior to 2020, as coverage is determined by the governing Act in effect on the date that the Association becomes obligated.

BASIC LIMITS ON AMOUNT OF COVERAGE:

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract.

The basic protections provided by the Association are limited to:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender and withdrawal values
• **Health Insurance**
  - $500,000 for health benefit plans (see definition below)
  - $300,000 in disability (income) insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

• **Annuities**
  - $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

With respect to any one life, the Association will pay a maximum of $300,000 no matter how many policies and contracts there were with the same company, even if they provided different types of coverages, except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance, in which case the aggregate liability of the Association shall not exceed $500,000 with respect to any one individual.

“Health benefit plan” is defined in RSA 408-F:4, VI and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or an annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

**NOTE: Certain policies and contracts may not be covered or may not be fully covered.** For example, coverage does not extend to a portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance policy.

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the guaranty association.
COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

1. The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
2. Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of $300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
3. The guaranty association will pay a maximum of $500,000 with respect to a health benefit plan.
4. The guaranty association will pay a maximum of $1,000,000 with respect to the payee of a structured settlement annuity.
5. The guaranty association will pay a maximum of $5,000,000 to any one unallocated annuity contract holder.
NOTICE OF PROTECTION PROVIDED BY THE NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs).)

The protections provided by the Association are based on contract obligations up to the following amounts:

1. Life Insurance
   a. $300,000 in death benefits
   b. $100,000 in cash surrender or withdrawal values
2. Health Insurance
   a. $500,000 for health benefit plans (see definition below)
   b. $300,000 in disability income insurance benefits
   c. $300,000 in long-term care insurance benefits
   d. $100,000 in other types of health insurance benefits
3. Annuities
   a. $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.

The maximum amount of protection for each individual, regardless of type of coverage is $300,000; however, may be up to $500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTCI).

Benefits provided by a long-term care (LTC) rider to a life insurance policy of annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association’s website at www.ndlifega.org or contact:

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than $500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than $100,000 in cash surrender values for annuity benefits, $500,000 in life insurance death benefits or $500,000 in present value of annuities--again no matter...
how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than $2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.

The Association does NOT protect a person holding a policy if:

- the individual is eligible for protection under a similar law of another state;
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization that is not a member of the Association;
- the policy was issued by a nonprofit hospital or medical service organization (such as, the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments or by an insurance exchange.

The Association does not provide coverage for:

- a policy or portion of a policy not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus; a policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed a rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;
- that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer.
- a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Part C or Part D of Subchapter XVIII, Chapter 7 of Title 42 of the United States Code (commonly known as Medicare Part C & D) or any regulations issued pursuant thereto.
LIMITATIONS ON COVERAGE

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurer would have owed under a policy or contract. Also for any one insured life, no matter how many policies or contracts were in force with the same insurer, the Association will pay no more than:

- $300,000 in life insurance death benefits and no more than $100,000 in net cash surrender and net cash withdrawal values for life insurance;
- $100,000 for health insurance benefits, coverages not defined as disability, basic hospital, medical, and surgical, major medical insurance, or long-term care insurance including any net cash surrender and net cash withdrawal values;
- $300,000 for disability insurance;
- $300,000 for long-term care insurance;
- $500,000 for basic hospital, medical, and surgical insurance;
- $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;

- $250,000, in the aggregate, in present value of annuity benefits, including net cash surrender and net cash withdrawal values, with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. §§401, 403(b), or 457 covered by an unallocated annuity contract, or the beneficiaries of each such individual if deceased;
- $5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund government retirement plans under sections 401, 403(b), or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the Association be liable to spend more than $300,000 in the aggregate per individual except hospital insurance up to $500,000 per individual. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, the contract limits also apply.

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.
COVERAGE
Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE
Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:
- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:
- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternals, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or Dor Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE
The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:
- With respect to one life, regardless of the number of policies or contracts: $300,000 in life insurance death benefits, or not more than $300,000 in net cash surrender and net cash withdrawal values for life insurance;
- For health insurance benefits: (a) $300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) $300,000 for disability income insurance; (c) $300,000 for long-term care insurance; (d) $500,000 for health benefit plans; or
- $300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values.
Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please see next page)
COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies or contracts are not protected by the Guaranty Association if:

* they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);

* the insurer was not authorized to do business in this state;

* their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner, or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

* any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

* claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;

* any policy of reinsurance (unless an assumption certificate was issued);

* interest rate yields that exceed an average rate specified by statute;

* dividends;

* credits given in connection with the administration of a policy or contract by a group contractholder;

* employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);

* unallocated annuity contracts (which give rights to group contractholders, not individuals);

* certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or

* policies providing health care benefits for Medicare Parts C or D coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than $300,000 in death benefits and not more than $100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than $500,000, but not more than $300,000 for disability insurance and long term care insurance, and not more than $100,000 for other types of health insurance; and (iii) for annuities, not more than $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of $300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed $500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

NOTICE CONCERNING COVERAGE UNDER
THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION ACT

Insurance companies and health maintenance organizations (HMOs) licensed in this state to write life insurance, annuities or health insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to provide a safety-net of coverage within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, HMO contract or an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. Health insurance includes disability and long term care policies. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

(1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insured who live outside that state);

(2) the insurer was not authorized to do business in this state;

(3) their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
The Guaranty Association also does not provide coverage for:

(1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

(2) any policy of reinsurance (unless an assumption certificate was issued);

(3) interest rate yields that exceed an average rate;

(4) dividends;

(5) credits given in connection with the administration of a policy by a group contractholder;

(6) employers' plan to the extent they are selffunded (that is, not insured by an insurance company, even if an insurance company administers them);

(7) unallocated annuity contracts (which give rights to group contractholders, not individuals).

**LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. These aggregate limits per life are as follows:

- $300,000 for policies and contracts of all types, except as described in the next point

- $500,000 for basic hospital, medical and surgical insurance and major medical insurance issued by companies that become insolvent after January 1, 2010

Within these overall limits, the Guaranty Association cannot guarantee payment of benefit greater than the following:

Insurance companies and agents are not allowed by Virginia law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Virginia law, then Virginia law will control.
Residents of West Virginia who purchase life insurance, annuities or health insurance should know that the insurance companies and health maintenance organizations licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policy and contract owners, certificate holders and enrollees of covered policies and contracts will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurers for the money to pay the claims of covered persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these member insurers through the Guaranty Association is not unlimited, however, and, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or health maintenance organization or in selecting an insurance policy or contract. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

The state law that provides for this safety-net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.
COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life, health or annuity policy, plan or contract, or if they are insured under a group life, health or annuity policy, plan or contract, issued by a member insurer. Member insurer also includes non-profit service corporations (W. Va. Code §33-24), health care corporations (W. Va. Code §33-25) and health maintenance organizations (W. Va. Code §33-25A). The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies, plans or contracts are not protected by this Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent member insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The member insurer was not authorized to do business in this state;
- The policy, plan or contract was issued at a time when the member insurer was not licensed or authorized to do business in the state;
- The policy, plan or contract was issued by a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy, plan or contract holder is subject to future assessments, an insurance exchange, an organization that has a certificate or license limited to the issuance of charitable gift annuities or any entity similar to the above.

The Guaranty Association also does not provide coverage for:

- Any policy, plan or contract, or portion of a policy, plan or contract that is not guaranteed by the member insurer or for which the individual or contract holder has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy, plan or contract by a group contract holder;
- Employer or association plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
  I. multiple employer welfare arrangement;
  II. minimum premium group insurance plan;
  III. stop loss group insurance plan; or
  IV. administrative services only contract;
- Any unallocated annuity contract issued to or in connection with a benefit plan protected under the federal pension guaranty corporation;
- Any portion of any unallocated contract that is not issued to or in connection with a specific employee, union or association's benefit plan or a governmental lottery;
- Any policy, plan or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C and D or Medicaid;
- An obligation that does not arise under the written terms of the policy, plan or contract, including claims based on marketing materials, claims based on side letters or riders not approved by the Commissioner, misrepresentations regarding policy benefits, extracontractual claims or claims for penalties or consequential or incidental damages;
- A contractual agreement that establishes the member insurer's obligation to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a
portfolio of assets that is owned by the benefit plan or trustee, which is not an affiliate of the insurer;
• Structured settlement annuity benefits, the rights to which have been transferred by the payee or beneficiary in a structured settlement factoring transaction.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the member insurer would owe under a policy, plan or contract. Also for any one insured life, regardless of the number of policies, plans or contracts, the Guaranty Association will only pay:

• $300,000 in life insurance benefits, but no more than $100,000 in net cash surrender and net cash withdrawal values;
• $300,000 for disability income insurance;
• $300,000 for long term care insurance;
• $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
• $500,000 for health benefit plans (W. Va. Code §33-26A-5(10)); and
• $100,000 for all other types of accident and sickness insurance coverages not defined as disability income insurance, long term care insurance, or health benefit plans.

Also for any one insured life, the Guaranty Association will only pay a maximum of $300,000 — no matter how many policies and contracts there were with the same company - for all policies or contracts other than health benefit plans, in which case the aggregate limit shall not exceed $500,000 with respect to any one individual.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, per participating individual. In no event shall the Guaranty Association be liable to spend more than $300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of $5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
This notice provides a brief summary of the Wyoming Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Wyoming law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company or health maintenance organization becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Wyoming law, with funding from assessments paid by other insurance companies and health maintenance organizations.

The basic protections provided by the Association are:

* Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

* Health Insurance
  - $300,000 in health benefit plan benefits
  - $300,000 in disability insurance benefits
  - $300,000 in disability income insurance
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

* Annuities
  - $250,000 in present value of benefits including net withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer or health maintenance organization does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Wyoming law.

EXCLUSIONS FROM COVERAGE

Policy owners, contract owners, policy holders, certificate holders and enrollees are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer or health maintenance organization was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer or health maintenance organization was not authorized to do business in this state;
- their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a stipulated premium insurance company, a local mutual burial association, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, by an insurance exchange, or by an entity similar to those listed here.
The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or health maintenance organization or for which the individual has assumed the risk, such as a variable contract sold by prospectus, claims based on side letters or other documents, or misrepresentations of or regarding policy benefits;
- any policy of reinsurance (unless an assumption certificate was issued pursuant to the reinsurance policy or contract);
- interest rate yields that exceed an average rate or interest earned on an equity indexed policy;
- dividends;
- experience rating credits given in connection with the administration of a policy to a group contract holder;
- annuity contracts issued by a nonprofit insurance company exclusively for the benefit of nonprofit educational institutions and their employees;
- unallocated annuity contracts (which give rights to group contract holders, not individuals);
- any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured;
- an obligation that does not arise under the express written terms of the policy or contract;
- any policy providing benefits under Medicare Part C, Medicare Part D, or Medicaid;
- rights to receive payments acquired through a structured settlement factoring transaction.

Insurance companies and agents are not allowed by Wyoming law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Wyoming law, then Wyoming law will control.
