

## **POLICY TITLE: GENERAL EDUCATION CORE CURRICULUM**

---

### **I. Purpose**

At Lansing Community College, we recognize that in today's increasingly complex society, individuals must possess a broad and varied set of skills and knowledge to function successfully. Further, we acknowledge responsibility for ensuring that our graduates have demonstrated mastery of this set of skills and knowledge.

### **II. Scope**

This policy applies to all College degrees.

### **III. General**

The College will provide a coherent, relevant General Education Core Curriculum ("Core Curriculum") that is included as part of each course of study leading to an associate degree. The College will develop a system for reviewing and adjusting the Core Curriculum on a periodic basis to assure its continued appropriateness, and will establish a method for assessing the extent to which the purpose of the Core Curriculum is being achieved.

### **IV. Responsibility**

The College Vice President of Academic Affairs is responsible for the implementation of this policy.
