

Curriculum Committee Report for the Academic Senate

The below information was approved on 12/04/18 by the Curriculum Committee (CC) to be moved forward to the Academic Senate.

Revised Course Proposal:

GRET 110 - Beginning ArcGIS Desktop

The Geospatial Science Program (Technical Careers Division) stated that GRET 110 (Beginning ArcGIS Desktop) is being revised to removing Desktop from the title and course description as the software is no longer called ArcGIS Desktop. The CC recommends the revised course proposal for GRET 110 (Beginning ArcGIS Desktop) move forward as a recommendation to the Academic Senate.

GRET 264 - Web GIS

The Geospatial Science Program (Technical Careers Division) stated that GRET 264 (Web GIS) is being revised for minor edits to the course description. The CC recommends the revised course proposal for GRET 264 (Web GIS) move forward as a recommendation to the Academic Senate.

GRET 271 - Parcel Mapping

The Geospatial Science Program (Technical Careers Division) stated that GRET 271 (Parcel Mapping) is being revised for minor edits to the course description and course outcomes. The minor edits include removing software specific references to software no longer used in the industry or in the class. The CC recommends the revised course proposal for GRET 271 (Parcel Mapping) move forward as a recommendation to the Academic Senate.
