Welcome and Introductions	2 minutes		
Student Guests	20 minutes	Met with Elise Martin, an Early Childhood Education student who is interested in serving as an Academic Senator.	Elise will interview with the Executive Committee.
Subcommittee Reports	10 minutes	Student Resources • Following up on suggestions from our Academic Senate report last week concerning possible additions to the Student Resource site. • No current wait for calculators, no wait for laptops at Main campus, but a short waitlist for laptops at West Campus. RSO Policies and Promotion • The new Student Life Travel Support funding is rolling out this fall. To apply for funding, RSOs need to include a written request for funds with the Travel Form, then send a 5Star Request for a vehicle after that funding is approved. • Reaching out to RSO advisors to see if their clubs plan to seek funding this semester and what that experience has been like. • The effort to digitize the Travel Form is ongoing, but would be a significant quality of life improvement for RSOs

Our exploration of student government is not a plan to try to form one as a committee, or even through the Academic Senate, but to research the idea with students and advise on the possibilities of creating one at LCC.	For clarity and accuracy, members are asked to share promotional information in writing in an email to Wade before the meeting or in the meeting chat.
