There may be a need for additional education requirements or special authorization from the professional licensing or certification agencies located outside the state of Michigan. LCC has not made a determination of whether the programs or courses meet the educational requirements for professional licensure or certification outside the state of Michigan.

Additionally, the College has not made a determination whether the programs do not meet state educational requirements for professional licensure or certification outside the state of Michigan. Research is currently being conducted to obtain professional licensure and certification information for these programs outside the state of Michigan. Professional licensure and certification status by state and program is available on the [website](#).

Your location status affects program licensure/certification requirements within your program, and your residency status affects your tuition rate. Please contact Registrar@lcc.edu when your location or residency status changes.

If you have questions about professional licensure or certification requirements, reach out to your Program Director.
