How to Read Course Offerings

The course offerings pages contain information you will need to register for all courses held on-campus and off-campus, as well as Learning Centers located within the LCC service area. Classes are listed alphabetically by subject area and include offerings that run 16 weeks (full semester) or less (parts of semester). For complete course information regarding Online Learning, Interactive Television (ITV), Telecourse options, refer to the Alternative Delivery section. For information regarding Continuing Education, both credit and non-credit, please refer to the Continuing Education section.
