Project
A program of
Lansing Community College

Connections Between Traumatic Experiences and Substance and Process Addictions/Compulsions

This seminar will assist Social Workers, Nurses, and other Mental Health Professionals, at all levels of discipline, in reviewing and learning about the correlations, connections, and treatment considerations when working with those that have experienced trauma(s) in their lives, and are challenged with a substance and/or process addiction/compulsion. The understanding of the integral connections will facilitate competent treatment provision for Clients, and their families.

Presenter

Rhonna Nelson, LMSW, ACSW, CAADC, P.C

Rhonna is a Licensed Psychotherapist who has been in practice since 1979, and is currently in private practice in Royal Oak. She is certified in EMDR, is a Certified Advanced Alcohol and (Other) Drug Counselor, and Qualified as a DOT/SAP. She has worked in outpatient treatment settings for mental health, in outpatient treatment, detoxification units and inpatient treatment settings for substance use disorders.

Rhonna has been teaching CEU seminars since 2008
