The Caring Sheets were originally produced as part of the in-kind funding for the Michigan Alzheimer's Demonstration Project. Funded by the Public Health Service, Health Resources and Services Administration (1992-1998) and the Administration on Aging (1998-2001) 55% federal funding and 45% in-kind match. Federal Community Mental Health Block Grant funding supported revisions to Caring Sheets (2002-2018).
