network

Networking requires strategy

Strategy requires tactics

**What are your networking tactics
at your current institution?**

- Committees/Hiring Committees
 - Lead Professional Development
 - State Organizations/Functional Organizations
 - Outreach to New Employees
 - Attend Professional Development
-
- ***Be a professional*** – can you hold a conversation about the sector, your area?
 - Do YOUR actions communicate a professional looking to grow and move up/around?
 - Are you an engaged employee?

What are your networking tactics?

- Coffee Chats
- Best Practice Studies & Sharing
- Questioning
- Sharing Information
- LinkedIn
- Resume Review
- Volunteering
- Campus Visits
- Shadowing

- Your Board of Directors
- Manage your career, not simply do your job
- Develop your Skills
- Confidence Code
- Operate outside of your comfort zone
- Mentor, Mentor, Mentor

Career Management requires Lifelong Learning
